ITEM 1. SECURITY AND ISSUER

The title of the class of equity security to which this statement relates is Common Stock, \$.001 par value. The Reporting Person owns two Series A Convertible Notes (the "Notes") with a total principal amount of \$175,000 issued by the Issuer. The Notes are convertible into units (the "Units") at a price of \$.20 per Unit. Each Unit is composed of one share of Common Stock and one Common Stock Purchase Warrant (the "Warrant") exercisable to purchase one share of Common Stock at a price of \$.20 per share for a term of three years.

The Issuer of the securities is Aethlon Medical, Inc. (the "Issuer"). The Issuer's principal executive offices are located at 3030 Bunker Hill Street, Suite 4000, San Diego, CA 92109.

ITEM 2. IDENTITY AND BACKGROUND

(a) The name of the Reporting Person filing this statement is Allan S. Bird.

(b) The business address of the Reporting Person is 818 W. Brooks Ave., N. Las Vegas, Nevada 89030.

(c) The Reporting Person has not, during the past five years, been convicted in a criminal proceeding.

(d) The Reporting Person has not, during the past five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction which resulted in a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(e) The Reporting Person is a citizen of the United States.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The Reporting Person used his personal funds to invest in the Notes.

ITEM 4. PURPOSE OF TRANSACTION

This Schedule 13D is being filed because the Reporting Person acquired a 5% or greater ownership interest in the Issuer as of October 7, 2005 and an 8.5% ownership interest as of November 7, 2005 through his purchase of the Notes. The Reporting Person purchased the Notes and thus the Common Stock underlying the Notes and Warrants for investment. The Reporting Person may purchase up to an additional \$195,000 principal amount of the Series A Notes at any point until December 31, 2005.

Except as set forth in this Item 4, the Reporting Person has no plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

(a) If the Reporting Person converted the entire principal amount of the Note into Common stock and exercised the Warrants, he would beneficially own 1,750,000 shares of Common Stock, which would represent 8.5% of the issued and outstanding Common Stock of the Issuer. The Note and the Warrants contain provisions that the Reporting Person cannot, at any point, own more than 9.9% of the issued and outstanding Common Stock of the Issuer. Accordingly, the Reporting Person may convert the Note or exercise the Warrants only to the extent that its total beneficial ownership of Common Stock will not exceed 9.9% after such action.

(b) If the Reporting Person converted his Note and exercised the related Warrants, he would have the sole power to vote and dispose of 1,750,000 shares. The Reporting Person will be able to vote the shares of Common Stock underlying the Notes and Warrants only if he converts the Notes into Common Stock and exercises the Warrants.

(c) The Reporting Person has effected no transactions in the Common Stock during the past 60 days for himself and his Affiliates.

(d) No person is known to the Reporting Person to have any right to receive, or power to direct the receipt of, dividends from or the proceeds from the sale of any of the securities covered by this statement, except as provided herein.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The Reporting Person has no contracts, arrangements, understandings or relationships required to be reported under this Item 6, except the Notes, Warrants and a Registration Rights Agreement. The Registration Rights Agreement obligates the Issuer to file a registration statement with the Securities and Exchange Commission to register the Common Stock underlying the Notes and Warrants.

ITEM 7. MATERIALS TO BE FILED AS EXHIBITS

The following are required to be filed as Exhibits in connection with this Schedule 13D:

- (i) Form of Note;

AETHLON MEDICAL, INC.

10% SERIES A CONVERTIBLE NOTE

No. _____ \$ _____

FOR VALUE RECEIVED, Aethlon Medical, Inc., a Nevada corporation (the "Company"), promises to pay to _____, whose address is _____, or registered assigns (the "Holder"), the sum of _____ Dollars (\$ _____) in lawful money of the United States of America on or before the Maturity Date as defined herein, with all Interest thereon as defined and specified herein. This Note includes various advances (the "Advances") that the Holder has made to the Company since July 2005. This Note replaces promissory notes previously issued by the Company to the Holder prior to the Issue Date respecting certain of those Advances and provides documentation for other Advances for which no notes have yet been issued.

1. INTEREST. This Note shall bear interest ("Interest") equal to ten percent (10%) per annum on the unpaid principal balance, computed on a three hundred sixty (360)-day year, during the term of the Note. Interest will accrue on each Advance commencing on the date of the Advance, as set forth on Exhibit A to this Note. The Company shall pay all Interest on or before the Maturity Date. In no event shall the rate of Interest payable on this Note exceed the maximum rate of Interest permitted to be charged under applicable law.

2. PAYMENTS. All payments under this Note shall first be credited against costs and expenses provided for in this Note, second to the payment of any penalties, third to the payment of accrued and unpaid Interest, if any, and the remainder shall be credited against principal. All payments due hereunder shall be payable in legal tender of the United States of America, and in same day funds delivered to Holder by cashier's check, certified check, bank wire transfer or any other means of guaranteed funds to the mailing address provided below, or at such other place as the Holder shall designate in writing for such purpose from time to time. If a payment under this Note otherwise would become due and payable on a Saturday, Sunday or legal holiday (any other day being a "Business Day"), the due date of the payment shall be extended to the next succeeding Business Day, and Interest, if any, shall be payable thereon during such extension.

3. PRE-PAYMENTS AND MATURITY DATE. This Note shall be due and payable in full, including all accrued Interest thereon, on January 2, 2006 (the "Maturity Date"). At any time on or prior to the Maturity Date, the Company shall have the right to prepay this Note, in whole or in part, on ten (10) days' advance notice to the Holder and subject to the right of the Holder to convert in advance of such prepayment date and provided that on such prepayment date, the Company will pay in respect of the redeemed Note cash equal to the face amount plus accrued Interest on the Note (or portion thereof) redeemed. At any time after the Maturity Date, the Company shall have the right to repay this Note, in whole or in part, on ten (10) days' advance notice to the Holder and subject to the right of the Holder to convert in advance of such repayment date. The Company may prepay this Note at any time after issuance without penalty.

4. EQUAL RANK. This Note represents one of a series of up to One Million Dollars (\$1,000,000) principal amount of 10% Series A Convertible Notes (the "Notes") issued or to be issued by the Company. All Notes rank equally and ratably without priority over one another.

5. Conversion of Note and Issuance of Warrants.

5.1 Conversion of Note/Conversion Price. This Note is convertible, at the option of the Holder, into shares of the Company's Common Stock (the "Common Stock") at any time after the Issue Date prior to the close of business on the Business Day prior to the Maturity Date at the rate of \$.20 per share (the "Conversion Price"), subject to adjustment as hereinafter provided. No fractional shares will be issued. In lieu thereof, the Company will pay cash for fractional share amounts equal to the fair market value of the Common Stock as quoted as the closing bid price of the Common Stock on the date of conversion.

5.2 Issuance of Warrants. Upon the conversion of this Note, the Company will issue to the Holder a Common Stock Purchase Warrant (the "Warrant") exercisable to purchase the same number of shares of Common Stock into which

this Note would be convertible on the Issue Date. The Warrant is exercisable to purchase shares of Common Stock at the price of \$.20 per share and as otherwise specified in the Warrant.

5.3 Limitation on Conversion Rights. Notwithstanding any other provision of Paragraph 5 to the contrary, the Holder shall not be entitled to convert this Note, and any other outstanding Notes of this Series A issued to the Holder that is convertible into Common Stock (the "Related Notes") in excess of that number of shares of Common Stock which, upon giving effect to such conversion, would cause the aggregate number of shares of Common Stock beneficially owned by the Holder and its Affiliates to exceed 9.9% of the outstanding shares of the Common Stock following such conversion. For purposes of the foregoing provision, the aggregate number of shares of Common Stock beneficially owned by the Holder and its Affiliates shall include the number of shares of Common Stock beneficially owned and those shares issuable upon conversion of this Note and all Related Notes with respect to which the determination of such proviso is being made, but shall exclude the number of shares of Common Stock that would be issuable upon (i) conversion of the remaining principal amount of this Note and the Related Notes beneficially owned by the Holder and its Affiliates and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company into Common Stock beneficially owned by the Holder and its Affiliates that are subject to a limitation on conversion or exercise analogous to the limitation contained in this Note. For purposes of this

-2-

Paragraph, in determining the number of outstanding shares of Common Stock the Holder may rely on the number of outstanding shares of Common Stock as reflected in (a) the Company's most recent Form 10-Q or Form 10-K, as the case may be, or (b) more recent public announcement by the Company or (c) any other written communication by the Company or its Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the reasonable written or oral request of the Holder, the Company shall promptly confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any conversions, exercises or purchases by the Holder since the date as of which such number of outstanding shares of Common Stock was reported. Except as otherwise set forth herein, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended. If the foregoing 9.9% limitation is ever reached and the Holder desires to convert this Note or part thereof into equity, the Company will acknowledge the conversion in writing, but not issue the Holder any additional shares of Common Stock at that point. Under such circumstances the Holder will have the right to receive additional shares of Common Stock as a result of the conversion only at such point and to the extent that its beneficial ownership subsequently becomes less than 9.9% and such issuance will not cause the Holder's beneficial ownership to exceed 9.9%. Upon written notice to this effect given by the Holder, the Company will issue such additional shares in accordance with Paragraph 5.8, "Issuance of Certificate."

5.4 Adjustment Based Upon Stock Dividends, Combination of Shares or Recapitalization. The Conversion Price shall be adjusted in the event that the Company shall at any time (i) pay a stock dividend on the Common Stock; (ii) subdivide its outstanding Common Stock into a greater number of shares; (iii) combine its outstanding Common Stock into a smaller number of shares; (iv) issue by reclassification of its Common Stock any other special capital stock of the Company; or (v) distribute to all holders of Common Stock evidences of indebtedness or assets (excluding cash dividends) or rights or warrants to subscribe for Common Stock (other than those mentioned above). No adjustment of the Conversion Price will be required until cumulative adjustments amount to One Dollar (\$1.00) per Note or more. Upon the occurrence of an event requiring adjustment of the Conversion Price, and thereafter, the Holder, upon surrender of this Note for conversion, shall be entitled to receive the number of shares of Common Stock or other capital stock of the Company that the Holder would have owned or have been entitled to receive after the happening of any of the events described above had this Note been converted immediately prior to the happening of such event.

5.5 Adjustment Based Upon Merger or Consolidation. In case of any consolidation or merger to which the Company is a party (other than a merger in which the Company is the surviving entity and which does not result in any reclassification of or change in the outstanding Common Stock of the Company), or in case of any sale or conveyance to another person, firm, or corporation of the property of the Company as an entirety or substantially as an entirety, the Holder shall have the right to convert this Note into the kind and amount of securities and property (including cash) receivable upon such consolidation, merger, sale or conveyance by the Holder of the number of shares of Common Stock into which such Note might have been converted immediately prior thereto.

5.6 Exercise of Conversion Privilege.

5.6.1 The Conversion Privilege provided for in this Note shall be exercisable by the Holder by written notice to the Company or its successor and the surrender of this Note in exchange for the number of shares (or other securities and property, including cash, in the event of an adjustment of the Conversion Price) into which this Note is convertible based upon the Conversion Price.

5.6.2 The Holder's conversion right set forth in this Paragraph 5.5 may be exercised at any time and from time to time but prior to payment in full of the principal amount of the accrued interest on this Note. Conversion rights will expire at the close of business on the Business Day prior to the Maturity Date or redemption date of this Note.

5.6.3 The Holder may exercise the right to convert all or any portion of the principal amount and accrued Interest on this Note by delivery of (i) this Note and (ii) a completed Conversion Notice in the form attached as Exhibit B on a Business Day to the Company's principal executive offices. Such conversion shall be deemed to have been made immediately prior to the close of business on the Business Day of such delivery a conversion notice (the "Conversion Date"), and the Holder shall be treated for all purposes as the record holder of the shares of Common Stock into which this Note is converted as of such date.

5.6.4 Upon conversion of the entire principal amount and accrued Interest of this Note and the delivery of shares of Common Stock upon conversion of this Note, except as otherwise provided in Paragraph 22, "Representations and Warranties to Survive Closing," the Company shall be forever released from all of its obligations and liabilities under this Note.

5.7 Corporate Status of Common Stock to be Issued. All Common Stock (or other securities in the event of an adjustment of the Conversion Price) which may be issued upon the conversion of this Note shall, upon issuance, be fully paid and nonassessable.

5.8 Issuance of Certificate. Upon the conversion of this Note, the Company shall, within five (5) Business Days of such conversion, issue to the Holder a certificate or certificates representing the number of shares of the Common Stock (or other securities in the event of an adjustment of the Conversion Price) to which the conversion relates.

6. STATUS OF HOLDER OF NOTE. This Note shall not entitle the Holder to any voting rights or other rights as a shareholder of the Company or to any rights whatsoever except the rights herein expressed, and no dividends shall be payable or accrue in respect of this Note or the securities issuable upon the conversion hereof unless and until this Note shall be converted. Upon the conversion of this Note, the Holder shall, to the extent permitted by law, be deemed to be the holder of record of the shares of Common Stock and Warrants issuable upon such conversion, notwithstanding that the stock transfer books of the Company shall then be closed or that the certificates representing such shares of Common Stock and Warrants shall not then be actually delivered.

7. RESERVE OF SHARES OF COMMON STOCK. The Company shall reserve out of its authorized shares of Common Stock, and other securities in the event of an adjustment of the Conversion Price, a number of shares sufficient to enable it to comply with its obligation to issue

shares of Common Stock, and other securities in the event of an adjustment of the Conversion Price, upon the conversion of this Note.

8. Transfer Restrictions; Exemption from Registration.

8.1 The Holder agrees that (i) this Note and the shares of Common Stock issuable upon conversion have not been registered under the Act and may not be sold or transferred without registration under the Act or unless an exemption from such registration is available; (ii) the Holder has acquired this Note and will acquire the Common Stock for its own account for investment purposes only and not with a view toward resale or distribution; and (iii) if a registration statement that includes the Common Stock is not effective at the time Common Stock is issued to Holder upon conversion under this Note, and the Common Stock is not exempt from registration under Rule 144, then the Common Stock shall be inscribed with the following legend:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES HAVE BEEN ACQUIRED FOR INVESTMENT AND MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS, OR AN OPINION OF HOLDER'S COUNSEL,

IN A CUSTOMARY FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR APPLICABLE STATE SECURITIES LAWS OR UNLESS SOLD PURSUANT TO RULE 144 UNDER SAID ACT.

8.2 If an opinion of counsel of Holder provides that registration is not required for the proposed conversion or transfer of this Note or the proposed transfer of the shares of Common Stock issuable upon conversion and that the proposed conversion or transfer in the absence of registration would require the Company to take any action including executing and filing forms or other documents with the Securities and Exchange Commission (the "SEC") or any state securities agency, or delivering to the Holder any form or document in order to establish the right of the Holder to effectuate the proposed conversion or transfer, the Company agrees promptly, at its expense, to take any such action; and provided, further, that the Company will reimburse the Holder in full for any expenses (including but not limited to the fees and disbursements of such counsel, but excluding brokers' commissions) incurred by the Holder or owner of shares of Common Stock on his, her or its behalf in connection with such conversion or transfer of the Note or transfer of the shares of Common Stock.

9. Registration Rights.

The Holders of the Notes and Warrants or Common Stock issued to the Holder without an effective Registration Statement under the Act (the "Restricted Shares") shall have the right, under the terms of a Registration Rights Agreement between the Holder and the Company, to cause the Company register the Common Stock underlying the Notes and Warrants (the "Underlying Common Stock") or Restricted Shares in a Registration Statement under the Securities Act 1933, as amended ("Act"), filed by the Company with the SEC.

-5-

10. Rule 144

If the Company (a) has or registers a class of securities under Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or (b) has or commences to file reports under Section 13 or 15(d) of the Exchange Act, then, at the request of any Holder who proposes to sell securities in compliance with Rule 144 of the SEC, the Company will (i) forthwith furnish to such holder a written statement of compliance with the filing requirements of the SEC as set forth in Rule 144, as such rules may be amended from time to time and (ii) make available to the public and such Holder such information and take such other action as is requested by the Holder to enable the Holder to make sales pursuant to Rule 144.

11. DEFAULT. The Company shall perform its obligations and covenants hereunder and in each and every other agreement between the Company and Holder pertaining to the Indebtedness evidenced hereby. The following provisions shall apply upon failure of the Company so to perform.

11.1 Event of Default. Any of the following events shall constitute an "Event of Default" hereunder:

11.1.1 Failure by the Company to pay principal of any of the Notes when due and payable on the Maturity Date;

11.1.2 Failure of the Company to pay Interest when due hereunder, which failure continues for a period of thirty (30) days after the due date of the amount involved; or

11.1.3 Failure of the Company to perform any of the covenants, conditions, provisions or agreements contained herein, or in any other agreement between the Company and Holder, which failure continues for a period of thirty (30) days after notice of default has been given to the Company by the Holders of not less than twenty-five percent (25%) of the principal amount of the Notes then outstanding; provided, however, that if the nature of the Company's obligation is such that more than thirty (30) days are required for performance, then an Event of Default shall not occur if the Company commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion; or

11.1.4 The entry of an order for relief under Federal Bankruptcy Code as to the Company or entry of any order appointing a receiver or trustee for the Company or approving a petition in reorganization or other similar relief under bankruptcy or similar laws in the United States of America or any other competent jurisdiction, and if such order, if involuntary, is not satisfied or withdrawn within sixty (60) days after entry thereof; or the filing of a petition by the Company seeking any of the foregoing, or consenting thereto; or the filing of a petition to take advantage of any debtor's act; or making a general assignment for the benefit of creditors; or admitting in writing inability to pay debts as they mature.

11.2 Acceleration. Upon any Event of Default (in addition to any other

rights or remedies provided for under this Note), at the option of the Holders of not less than twenty-five percent (25%) of the principal amount of the Notes then outstanding, all sums evidenced hereby, including all principal, Interest, fees and all other amounts due hereunder, shall become immediately due and payable. If an Event of Default in the payment of principal or Interest

-6-

should occur and be continuing with respect to the Note, any one or more holders of the Notes then outstanding may declare the principal of the Notes to be immediately due and payable. In the Event of a Default due to a breach of any other covenant or term, Holders representing twenty-five percent (25%) of the principal amount of the Notes may take action to accelerate the Notes.

11.3 Notice by Company. Upon the happening of any Event of Default specified in this paragraph that is not cured within the respective periods prescribed above, the Company will give prompt written notice thereof to the Holder of this Note.

11.4 No Waiver. Failure of the Holder to exercise any option hereunder shall not constitute a waiver of the right to exercise the same in the event of any subsequent Event of Default, or in the event of continuance of any existing Event of Default after demand or performance thereof.

11.5 Default Interest. Default Interest will accrue on an unpaid principal or Interest due hereunder at the rate of fifteen percent (15%) per annum upon the occurrence of any Event of Default until the Event of Default is cured.

11.6 Pursuit of any Remedy. No Holder of a Note may pursue any remedy under the Notes unless (i) the Company shall have received written notice of a continuing Event of Default from the Holder and (ii) the Company shall have received a request from Holders of at least twenty-five percent (25%) of principal amount of the Notes to pursue such remedy. The Holders of fifty-one percent (51%) of principal amount of the Notes then outstanding have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Noteholders under the Notes.

12. Assignment, Transfer or Loss of the Note.

12.1 No Holder of this Note may assign, transfer, hypothecate or sell all or any part of this Note or in any way alienate or encumber the Note without the express written consent of the Company, the granting or denial of which shall be within the absolute discretion of the Company. Any attempt to effect such transfer without the consent of the Company shall be null and void. The Company has not registered this Note under the Act or the applicable securities laws of any state in reliance on exemptions from registration. Such exemptions depend upon the investment intent of the Holder at the time he acquires his Note. The Holder is acquiring this Note for his own account for investment purposes only and not with a view toward distribution or resale of such Note within the meaning of the Act and the applicable securities laws of any state. The Company shall be under no duty to register the Note or to comply with an exemption in connection with the sale, transfer or other disposition under the applicable laws and regulations of the Act or the applicable securities laws of any state. The Company may require the Holder to provide, at his expense, an opinion of counsel satisfactory to the Company to the effect that any proposed transfer or other assignment of the Note will not result in a violation of the applicable federal or state securities laws or any other applicable federal or state laws or regulations.

-7-

12.2 All expenses, including reasonable legal fees incurred by the Company in connection with any permitted transfer, assignment or pledge of this Note will be paid by the Holder requesting such transfer, assignment or pledge.

12.3 Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Note and, in the case of any such loss, theft or destruction of any Note, upon delivery of an indemnity bond in such reasonable amount as the Company may determine (or, in the case of any Note held by the original Noteholder, of an indemnity agreement reasonably satisfactory to the Company), or, in the case of any such mutilation, upon the surrender of such Note to the Company at its principal office for cancellation, the Company at its expense will execute and deliver, in lieu thereof, a new Note of like tenor, dated the date to which interest hereunder shall have been paid on such lost, stolen, destroyed or mutilated Note.

12.4 Subject to Subparagraph 12.1 above, the Holder may, at his option, either in person or by duly authorized attorney, surrender this Note for registration of transfer at the principal office of the Company and, upon payment of any expenses associated with the transfer, receive in exchange

therefor a Note or Notes, dated as of the date to which interest has been paid on the Note so surrendered, each in the principal amount of \$1,000 or any multiple thereof, for the same aggregate unpaid principal amount as the Note so surrendered and registered as payable to such person or persons as may be designated by the Holder. Every Note surrendered for registration of transfer shall be duly endorsed or shall be accompanied by a written instrument of transfer duly executed by the Holder or his attorney duly authorized in writing. Every Note, so made and delivered by the Company in exchange for any Note surrendered, shall in all other respects be in the same form and have the same terms as the Note surrendered. No transfer of any Note shall be valid unless made in such manner at the principal office of the Company.

12.5 The Company may treat the person in whose name this Note is registered as the owner and Holder of this Note for the purpose of receiving payment of all principal of and all Interest on this Note, and for all other purposes whatsoever, whether or not such Note shall be overdue and, except for transfers effected in accordance with this subparagraph, the Company shall not be affected by notice to the contrary.

13. MODIFICATIONS AND AMENDMENTS. After notice given by the Company to the Holders of all Notes at the time outstanding, the Company may from time to time and at any time enter into an agreement or agreements supplemental to the provisions of this Note for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Notes or of modifying in any manner the rights of the Holders of the Notes; provided, however, that no such supplemental agreement, modification or amendment may, without the consent of the holder of each Note then outstanding affected thereby, (i) reduce the percentage of principal amount of Notes whose Holders may consent to an amendment, supplement or waiver; (ii) reduce the rate or change the time for payment of interest, including Default Interest, on any Note; (iii) reduce the principal amount of any Note or change the Maturity Date of the Notes; (iv) make any Note payable in money other than that stated in the Note; (v) impair the right to institute suit for the enforcement of any payment of principal of, or premium, if any, or interest on, any Note; (vi) make any change in the percentage of principal amount of Notes necessary to waive compliance with certain provisions of the Note; or (vii)

-8-

waive a continuing default or Event of Default in the payment of principal of, premium, if any, or Interest on the Notes. The modifications and amendments of the Notes may be made by the Company without the consent of any Holders of Notes in certain limited circumstances, including (a) to cure any ambiguity, omission, defect or inconsistency, (b) to provide for the assumption of the obligations of the Company under the Notes upon the merger, consolidation or sale or other disposition of all or substantially all of the assets of the Company, or (c) to make any change that does not adversely affect the rights of any holder of Notes. The Holders of a majority in aggregate principal amount of the Notes then outstanding may waive any past default under the Notes, except a default in the payment of principal, premium, if any, or Interest. Promptly after execution by the Company and Holders of the Notes of a supplemental agreement pursuant to the provisions of this paragraph, the Company shall deliver a copy of such supplemental agreement to all Holders of the Notes at the time outstanding.

14. NOTICES. All notices provided for herein shall be validly given if in writing and delivered personally or sent by certified mail, postage prepaid, to the office of the Company or such other address as the Company may from time to time designate in writing sent by certified mail, postage prepaid, to the Holder at his address set forth below or such other address as the Holder may from time to time designate in writing to the Company by certified mail, postage prepaid.

15. USURY. All Interest, Default Interest, fees, charges, goods, things in action or any other sums or things of value, or other contractual obligations (collectively, the "Additional Sums") paid by the Company hereunder, whether pursuant to this Note or otherwise, with respect to the Indebtedness evidenced hereby, or any other document or instrument in any way pertaining to the Indebtedness, which, under the laws of the State of California may be deemed to be Interest with respect to such loan or Indebtedness, shall, for the purpose of any laws of the State of California, which may limit the maximum amount of Interest to be charged with respect to such loan or Indebtedness, be payable by the Company as, and shall be deemed to be, Interest and for such purposes only, the agreed upon and contracted rate of Interest shall be deemed to be increased by the Additional Sums. Notwithstanding any provision of this Note to the contrary, the total liability for payments in the nature of Interest under this Note shall not exceed the limits imposed by applicable law. AETHLON MEDICAL, INC.

COMMON STOCK PURCHASE WARRANT

Aethlon Medical, Inc. (the "Company"), a Nevada corporation, hereby certifies that, for value received of \$.001 per Warrant, _____ (the "Holder"), whose address is _____, is entitled, subject to the terms set forth below at any time or from time to time after the date hereof and before the Expiration Date (as defined below), to purchase from the Company _____ shares (the "Shares") of Common Stock, \$.001 par value, at a price of \$.20 per Share (the purchase price per Share, as adjusted from time to time pursuant to the provisions hereunder set forth, is referred to in this Warrant as the "Purchase Price").

This Warrant was issued to the Holder in connection with the Holder's conversion of all or part of a 10% Series A Convertible Note issued by the Company into its Common Stock.

1. TERMS OF THE WARRANT.

1.1 Time of Exercise. Subject to the provisions of Sections 1.5, "Transfer and Assignment," and 3.1, "Registration and Legends," this Warrant may be exercised at any time and from time to time after 9:00 a.m., P.S.T., on _____, 2005 (the "Exercise Commencement Date"), but no later than 5:00 p.m., P.S.T., _____, 2008 (the "Expiration Date"), at which point it shall become void and all rights under this Warrant shall cease.

1.2 Manner of Exercise.

1.2.1 Upon compliance with and subject to the conditions set forth in this Warrant, the Holder may exercise this Warrant, in whole or in part, upon surrender of this Warrant with the form of subscription attached hereto duly executed to the Company at its corporate office at the address indicated in this Warrant, together with the full Purchase Price for each Share to be purchased (i) in lawful money of the United States, or by certified check, bank draft or postal or express money order payable in United States dollars to the order of the Company or (ii) a manner acceptable to the Company.

1.2.2 Upon receipt of this Warrant with the form of subscription duly executed and accompanied by payment of the aggregate Purchase Price for the Shares for which this Warrant is then being exercised, the Company shall cause to be issued certificates or other evidence of ownership, for the total number of whole Shares for which this Warrant is being exercised in such denominations as are required for delivery to the Holder, and the Company shall thereupon deliver such documents to the Holder or its nominee.

1.2.3 If the Holder exercises this Warrant with respect to fewer than all of the Shares that may be purchased under this Warrant, the Company shall execute a new Warrant for the balance of the Shares that may be purchased upon exercise of this Warrant and deliver such new Warrant to the Holder.

1.2.4 The Company covenants and agrees that it will pay when due and payable any and all taxes which may be payable in respect of the issue of this Warrant, or the issue of any Shares upon the exercise of this Warrant. The Company shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance or delivery of this Warrant or of the Shares in a name other than that of the Holder at the time of surrender, and until the payment of such tax, the Company shall not be required to issue such Shares.

1.2.5 The Company shall, at the time of any exercise of all or part of this Warrant, upon the request of the Holder hereof, acknowledge in writing its continuing obligation to afford to such Holder any rights to which such Holders shall continue to be entitled after such exercise in accordance with the provisions of this Warrant, provided that if the Holder of this Warrant shall fail to make any such request, such failure shall not affect the continuing obligations of the Company to afford to such Holder any such rights.

1.3 Exchange of Warrant. This Warrant may be split-up, combined or exchanged for another Warrant or Warrants of like tenor to purchase a like aggregate number of Shares. If the Holder desires to split-up, combine or exchange this Warrant, it shall make such request in writing delivered to the Company at its corporate office and shall surrender this Warrant and any other Warrants to be so split-up, combined or exchanged, the Company shall execute and

deliver to the person entitled thereto a Warrant or Warrants, as the case may be, as so requested. The Company shall not be required to effect any split-up, combination or exchange which will result in the issuance of a Warrant entitling the Holder to purchase upon exercise a fraction of a Share. The Company may require the Holder to pay a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any split-up, combination or exchange of Warrants. The term "Warrant" as used herein includes any Warrants issued in substitution for or replacement of this Warrant, or into which this Warrant may be divided or exchanged.

1.4 Holder as Owner. Prior to due presentment for registration of transfer of this Warrant, the Company may deem and treat the Holder as the absolute owner of this Warrant (notwithstanding any notation of ownership or other writing hereon) for the purpose of any exercise hereof and for all other purposes, and the Company shall not be affected by any notice to the contrary. Irrespective of the date of issue and delivery of certificates for any Shares issuable upon the exercise of the Warrant, each person in whose name any such certificate is issued shall be deemed to have become the holder of record of the Shares represented thereby on the date on which all or a portion of the Warrant surrendered in connection with the subscription therefor was surrendered and payment of the purchase price was tendered. No surrender of all or a portion of the Warrant on any date when the stock transfer books of the Company are closed, however, shall be effective to constitute the person or persons entitled to receive Shares upon such surrender as the record holder of such Shares on such date, but such person or persons shall be constituted the record holder or holders of such Shares at the close of business on the next succeeding date on which the stock transfer books are opened. Each person holding any Shares received upon exercise of Warrant shall be entitled to receive only dividends or distributions

-2-

payable to holders of record on or after the date on which such person shall be deemed to have become the holder of record of such Shares.

1.5 Transfer and Assignment. This Warrant may not be sold, hypothecated, exercised, assigned or transferred except in accordance with and subject to the provisions of the Securities Act of 1933, as amended (the "Act").

1.6 Method for Assignment. Any assignment permitted under this Warrant shall be made by surrender of this Warrant to the Company at its principal office with the form of assignment attached hereto duly executed and funds sufficient to pay any transfer tax. In such event, the Company shall, without charge, execute and deliver a new Warrant in the name of the assignee designated in such instrument of assignment and this Warrant shall promptly be canceled. This Warrant may be divided or combined with other Warrants which carry the same rights upon presentation thereof at the corporate office of the Company together with a written notice signed by the Holder, specifying the names and denominations in which such new Warrants are to be issued.

1.7 Rights of Holder. Nothing contained in this Warrant shall be construed as conferring upon the Holder the right to vote or consent or receive notice as a stockholder in respect of any meetings of stockholders for the election of directors or any other matter, or as having any rights whatsoever as a stockholder of the Company. If, however, at any time prior to the expiration of this Warrant and prior to its exercise, any of the following shall occur:

1.7.1 The Company shall take a record of the holders of its shares of Common Stock for the purpose of entitling them to receive a dividend or distribution payable otherwise than in cash, or a cash dividend or distribution payable otherwise than out of current or retained earnings, as indicated by the accounting treatment of such dividend or distribution on the books of the Company; or

1.7.2 The Company shall offer to the holders of its Common Stock any additional shares of capital stock of the Company or securities convertible into or exchangeable for shares of capital stock of the Company, or any option, right or warrant to subscribe therefor; or

1.7.3 There shall be proposed any capital reorganization or reclassification of the Common Stock, or a sale of all or substantially all of the assets of the Company, or a consolidation or merger of the Company with another entity; or

1.7.4 There shall be proposed a voluntary or involuntary dissolution, liquidation or winding up of the Company; then, in any one or more of said cases, the Company shall cause to be mailed to the Holder, at the earliest practicable time (and, in any event, not less than thirty (30) days before any record date or other date set for definitive action), written notice of the date on which the books of the Company shall close or a record shall be taken to determine the stockholders entitled to such dividend, distribution, convertible or exchangeable securities or subscription rights, or entitled to vote on such reorganization, reclassification, sale, consolidation, merger, dissolution,

liquidation or winding up, as the case may be. Such notice shall also set forth such facts as shall indicate the effect of such action (to the extent such effect

-3-

may be known at the date of such notice) on the Purchase Price and the kind and amount of the Common Stock and other securities and property deliverable upon exercise of this Warrant. Such notice shall also specify the date as of which the holders of the Common Stock of record shall participate in said distribution or subscription rights or shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reorganization, reclassification, sale, consolidation, merger, dissolution, liquidation or winding up, as the case may be (on which date, in the event of voluntary or involuntary dissolution, liquidation or winding up of the Company, the right to exercise this Warrant shall terminate). Without limiting the obligation of the Company to provide notice to the holder of actions hereunder, it is agreed that failure of the Company to give notice shall not invalidate such action of the Company.

1.8 Lost Warrant Certificate(s). Upon receipt by the Company of evidence satisfactory to it of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft or destruction of reasonably satisfactory indemnification, including a surety bond if required by the Company, and upon surrender and cancellation of this Warrant, if mutilated, the Company will cause to be executed and delivered a new Warrant of like tenor and date. Any such new Warrant executed and delivered shall constitute an additional contractual obligation on the part of the Company, whether or not this Warrant so lost, stolen, destroyed, or mutilated shall be at any time enforceable by anyone.

1.9 Covenants of the Company. The Company covenants and agrees as follows:

1.9.1 At all times it shall reserve and keep available for the exercise of this Warrant into Common Stock such number of authorized shares of Common Stock as are sufficient to permit the exercise in full of this Warrant into Common Stock; and

1.9.2 All Shares issued upon exercise of the Warrant shall be duly authorized, validly issued and outstanding, fully-paid and non-assessable.

1.10 Limitation on Exercise Rights. Notwithstanding any other provision of Section 1 to the contrary, the Holder shall not be entitled to exercise this Warrant and any other Warrant (the "Related Warrants") issued by the Company to the Holder or convert any of the 10% Series A Convertible Notes (the "Notes") issued by the Company to the Holder into Common Stock in excess of that number of shares of Common Stock which, upon giving effect to such conversion, would cause the aggregate number of shares of Common Stock beneficially owned by the Holder and its Affiliates to exceed 9.9% of the outstanding shares of the Common Stock following such conversion. For purposes of the foregoing provision, the aggregate number of shares of Common Stock beneficially owned by the Holder and its Affiliates shall include the number of shares of Common Stock beneficially owned and those shares issuable upon conversion of all Notes and Related Warrants with respect to which the determination of such provision is being made, but shall exclude the number of shares of Common Stock that would be issuable upon (i) conversion of the remaining principal amount(s) of all Notes and the Related Warrants beneficially owned by the Holder and its Affiliates and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company into Common Stock beneficially owned by the Holder and its Affiliates that are subject to a limitation on conversion or exercise analogous to the limitation contained in this Note. For purposes of this Section, in determining the number of outstanding shares of Common Stock the Holder may rely on the

-4-

number of outstanding shares of Common Stock as reflected in (a) the Company's most recent Form 10-Q or Form 10-K, as the case may be, or (b) more recent public announcement by the Company or (c) any other written communication by the Company or its Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the reasonable written or oral request of the Holder, the Company shall promptly confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any conversions, exercises or purchases by the Holder since the date as of which such number of outstanding shares of Common Stock was reported. Except as otherwise set forth herein, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). For purposes of this Warrant, an "Affiliate" of any specified Person means any other Person directly or indirectly controlling or controlled by or under common control with such specified Person. A "Person"

means any individual, corporation, partnership, joint venture, trust, estate or unincorporated organization.

2. ADJUSTMENT OF PURCHASE PRICE AND NUMBER OF SHARES PURCHASABLE UPON EXERCISE.

2.1 Recapitalization. The number of Shares purchasable on exercise of this Warrant and the Purchase Price therefor shall be subject to adjustment from time to time in the event that the Company shall: (i) pay a dividend in, or make a distribution of, shares of Common Stock; (ii) subdivide its outstanding shares of Common Stock into a greater number of shares; (iii) combine its outstanding shares of Common Stock into a smaller number of shares; or (iv) spin-off a subsidiary by distributing, as a dividend or otherwise, shares of the subsidiary to its stockholders. In any such case, the total number of shares purchasable on exercise of this Warrant immediately prior thereto shall be adjusted so that the Holder shall be entitled to receive, at the same aggregate purchase price, the number of shares of Common Stock that the Holder would have owned or would have been entitled to receive immediately following the occurrence of any of the events described above had this Warrant been exercised in full immediately prior to the occurrence (or applicable record date) of such event. An adjustment made pursuant to this Paragraph 2 shall, in the case of a stock dividend or distribution, be made as of the record date and, in the case of a subdivision or combination, be made as of the effective date thereof. If, as a result of any adjustment pursuant to this Paragraph 2, the Holder shall become entitled to receive shares of two or more classes of series of securities of the Company, the Board of Directors of the Company shall equitably determine the allocation of the adjusted purchase price between or among shares or other units of such classes or series and shall notify the Holder of such allocation.

2.2 Merger or Consolidation. In the event of any reorganization or recapitalization of the Company or in the event the Company consolidates with or merges into another entity or transfers all or substantially all of its assets to another entity, then and in each such event, the Holder, on exercise of this Warrant as provided herein, at any time after the consummation of such reorganization, recapitalization, consolidation, merger or transfer, shall be entitled, and the documents executed to effectuate such event shall so provide, to receive the stock or other securities or property to which the Holder would have been entitled upon such consummation if the Holder had exercised this Warrant immediately prior thereto. In such case, the terms of this Warrant shall survive the consummation of any such reorganization, recapitalization, consolidation, merger or transfer and shall be applicable to the shares of stock or other securities

-5-

or property receivable on the exercise of this Warrant after such consummation. and as an exchange for a larger or smaller number of shares, as the case may be.

2.3 Notice of Dissolution or Liquidation. Except as otherwise provided in Section 2.2, "Merger or Consolidation," in the case of any sale or conveyance of all or substantially all of the assets of the Company in connection with a plan of complete liquidation of the Company, or in the case of the dissolution, liquidation or winding-up of the Company, all rights under this Warrant shall terminate on a date fixed by the Company, such date so fixed to be not earlier than the date of the commencement of the proceedings for such dissolution, liquidation or winding-up and not later than thirty (30) days after such commencement date. Notice of such termination of purchase rights shall be given to the Holder at least thirty (30) days prior to such termination date.

2.4 Statement of Adjustment. Any adjustment pursuant to the provisions of this Section 2 shall be made on the basis of the number of Shares which the Holder would have been entitled to acquire by exercise of this Warrant immediately prior to the event giving rise to such adjustment and, as to the Purchase Price in effect immediately prior to the rise to such adjustment. Whenever any such adjustment is required to be made, the Company shall forthwith determine the new number of Shares which the Holder hereof shall be entitled to purchase hereunder and/or such new Purchase Price and shall prepare, retain on file and transmit to the Holder within ten (10) days after such preparation a statement describing in reasonable detail the method used in calculating such adjustment.

2.5 No Fractional Shares. The Company shall not issue any fraction of a Share in connection with the exercise of this Warrant, and in any case where the Holder would, except for the provisions of this Section 2.5, be entitled under the terms of this Warrant to receive a fraction of a Share upon such exercise, the Company shall upon the exercise and receipt of the Purchase Price, issue the largest number of whole Shares purchasable upon exercise of this Warrant. The Company shall not be required to make any cash or other adjustment in respect of such fraction of a Share to which the Holder would otherwise be entitled. The Holder, by the acceptance of this Warrant, expressly waives his right to receive a certificate for any fraction of a Share upon exercise hereof.

2.6 No Change in Form Required. The form of Warrant need not be changed because of any change pursuant to this Section 2 in the Purchase Price or in the

number of Shares purchasable upon the exercise of a Warrant, may state the same Purchase Price and the same number of shares of Common Stock as are stated in the Warrants initially issued pursuant to the Agreement.

3. REGISTRATION UNDER THE SECURITIES ACT OF 1933.

3.1 Registration and Legends. The Holder understands that (i) the Company has not registered the Warrant or the Shares under the Act, or the applicable securities laws of any state in reliance on exemptions from registration and (ii) such exemptions depend upon the Holder's investment intent at the time the Holder acquires the Warrant or the Shares. The Holder therefore represents and warrants that it is acquiring the Warrant, and will acquire the Shares, for the Holder's own account for investment and not with a view to distribution, assignment, resale

-6-

or other transfer of the Warrant or the Shares. Because the Warrant and the Shares are not registered, the Holder is aware that the Holder must hold them indefinitely unless they are registered under the Act and any applicable securities laws or the Holder must obtain exemptions from such registration. Upon exercise, in part or in whole, of this Warrant, the Shares shall bear the following legend:

The shares of Common Stock represented by this certificate have not been registered under the Securities Act of 1933, as amended ("Act") or any applicable state securities laws, and they may not be offered for sale, sold, transferred, pledged or hypothecated without an effective registration statement under the Securities Act and under any applicable state securities laws, or an opinion of counsel, satisfactory to the company, that an exemption from such registration is available.

3.2 No-Action Letter. The Company agrees that it will be satisfied that no post-effective amendment or new registration is required for the public sale of the Shares if it shall be presented with a letter from the Staff of the Securities and Exchange Commission (the "Commission"), stating in effect that, based upon stated facts which the Company shall have no reason to believe are not true in any material respect, the Staff will not recommend any action to the Commission if such Shares are offered and sold without delivery of a prospectus, and that, therefore, no Registration Statement under which such shares are to be registered is required to be filed.

3.3 Registration Rights. The Holders of the Notes and Warrants or Common Stock issued to the Holder without an effective Registration Statement under the Act (the "Restricted Shares") shall have the right, under the terms of a Registration Rights Agreement between the Holder and the Company, to cause the Company register the Common Stock underlying the Notes and Warrants (the "Underlying Common Stock") or Restricted Shares in a Registration Statement under the Act filed by the Company with the Commission.

3.4 Rule 144. If the Company (a) has or registers a class of securities under Section 12 of the Exchange Act or (b) has or commences to file reports under Section 13 or 15(d) of the Exchange Act, then, at the request of any Holder who proposes to sell securities in compliance with Rule 144 of the SEC, the Company will (i) forthwith furnish to such holder a written statement of compliance with the filing requirements of the SEC as set forth in Rule 144, as such rules may be amended from time to time and (ii) make available to the public and such Holder such information and take such other action as it requested by the Holder as will enable the Holder to make sales pursuant to Rule 144.

3.5 Agreements. The agreements in this Section shall continue in effect regardless of the exercise and surrender of this Warrant.

4. RESERVATION OF SHARES. The Company shall at all times reserve, for the purpose of issuance on exercise of this Warrant such number of shares of Common Stock or such class or classes of capital stock or other securities as shall from time to time be sufficient to comply with this Warrant and the Company shall take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized and unissued Common Stock or such other class

-7-

or classes of capital stock or other securities to such number as shall be sufficient for that purpose.

5. SURVIVAL. All agreements, covenants, representations and warranties herein shall survive the execution and delivery of this Warrant and any investigation at any time made by or on behalf of any parties hereto and the exercise, sale and purchase of this Warrant (and any other securities or property) issuable on

exercise hereof.

6. REMEDIES. The Company agrees that the remedies at law of the Holder, in the event of any default or threatened default by the Company in the performance or compliance with any of the terms of this Warrant, may not be adequate and such terms may, in addition to and not in lieu of any other remedy, be specifically enforced by a decree of specific performance of any agreement contained herein or by an injunction against a violation of any of the terms hereof or otherwise.

7. OTHER MATTERS.

7.1 Binding Effect. All the covenants and provisions of this Warrant by or for the benefit of the Company shall bind and inure to the benefit of its successors and assigns hereunder.

This REGISTRATION RIGHTS AGREEMENT (the "Agreement") is entered into as of _____, 2005, by and among AETHLON MEDICAL, INC., a Nevada corporation (the "Company"), and the parties who are signatories to this Agreement (collectively referred to as the "Holders").

WHEREAS, the Company has sold or will sell to the Holders up to One Million Dollars (\$1,000,000) principal amount of 10% Series A Convertible Notes (the "Notes"), which are convertible into units (the "Units") comprised of one share of the Company's Common Stock (the "Common Stock") and one Common Stock purchase warrant (the "Warrant") exercisable to purchase Common Stock at a price of \$.20 per share in a private placement (the "Offering");

WHEREAS, in order to induce the Holders to purchase the Notes, the Company has entered into this Agreement to register the Common Stock issuable upon conversion of the Notes (the "Conversion Shares") and upon exercise of the Warrants (the "Warrant Shares") under the Securities Act of 1933, as amended (the "Act") in accordance with the provisions of this Agreement; and

WHEREAS, the Conversion Shares and Warrant Shares are collectively referred to in this Agreement as "Registrable Securities."

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement, the parties hereto agree as follows:

1. DEFINITIONS.

As used in this Agreement, the following terms shall have the following meanings. Other capitalized terms in this Agreement will have the meanings set forth in the Notes and the Warrants, as the case may be.

1.1 "Business Day" means any day except Saturday, Sunday and any day which shall be a legal holiday or a day on which banking institutions in the State of New York or the State of California are authorized or required by law or other government actions to close.

1.8 "Prospectus" means the prospectus included in a Registration Statement (including, without limitation, a prospectus that includes any information previously omitted from a prospectus filed as part of an effective registration statement in reliance upon Rule 430A promulgated under the Securities Act), as amended or supplemented by any prospectus supplement, with respect to the terms of the offering of any portion of the Registrable Securities covered by a Registration Statement, and all other amendments and supplements to the Prospectus, including post-effective amendments, and all material incorporated by reference or deemed to be incorporated by reference in such Prospectus.

1.9 "Registrable Securities" means all of the shares of Common Stock issuable upon conversion in full of the Notes and exercise in full of the Warrants, and the shares of Common Stock issuable in lieu of the payment of liquidated damages, together with any securities issued or issuable upon any stock split, dividend or other distribution recapitalization or similar event with respect to the foregoing.

1.10 "Registration Statement" means the registration statements required to be filed hereunder and any additional registration statements contemplated by Section 3.3, including (in each case) the Prospectus, amendments and supplements to such registration statement or Prospectus, including pre- and post-effective amendments, all exhibits thereto, and all material incorporated by reference or deemed to be incorporated by reference in such registration statement.

1.14 "Warrants" shall mean the Common Stock purchase warrants issued to the Holders upon conversion of the Notes.

2. SHELF REGISTRATION.

2.1 On or prior to each Filing Date, the Company shall prepare and file with the Commission a "Shelf" Registration Statement covering the resale of all Registrable Securities applicable to such Filing Date for an offering to be made on a continuous basis pursuant to Rule 415. The Registration Statement shall be on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, in which case such registration shall be on Form SB-2 or another appropriate form in accordance herewith) and shall contain (except if otherwise directed by the Holders) the "Plan of Distribution" in substantially the form attached hereto as Exhibit A. The Company shall use its best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as possible after the filing thereof, but in any event prior to the applicable Effectiveness Date, and shall use its best efforts to keep such Registration Statement continuously effective under the Securities Act until the date which is two years after the expiration date of the Warrants or such earlier date when all Registrable Securities covered by such Registration Statement have been sold or may be sold without volume restrictions pursuant to Rule 144(k), as determined by the counsel to the Company pursuant to a written opinion letter to such effect, addressed and acceptable to the Company's transfer agent and the affected Holders (the "Effectiveness Period").

2.2 The Registration Statements to be filed hereunder shall include a number of shares of Common Stock equal to no less than the sum of (i) 150% of the number of shares of Common Stock issuable upon conversion in full of the Notes subject to such Registration Statement, assuming for such purposes that Notes are outstanding for their full term and the lowest possible Conversion Price, as defined in the Notes, applies and (ii) 150% of the number of shares of Common Stock issuable upon exercise in full of the Warrants subject to such Registration Statement.

2.3 The Company shall be subject to the provisions of Sections 2.4 if

2.3.1 a Registration Statement is not filed on or prior to its respective Filing Date (if the Company files such Registration Statement without affording

3

the Holder the opportunity to review and comment on the same as required by Section 3.1 hereof, the Company shall not be deemed to have satisfied this Subsection 2.3.1); or

2.3.2 a Registration Statement filed hereunder is not declared effective by the Commission on or prior to its Effectiveness Date; or

2.3.3 after a Registration Statement is filed with and declared effective by the Commission, such Registration Statement ceases to be effective as to all Registrable Securities to which it is required to relate at any time prior to the expiration of the Effectiveness Period without being succeeded within ten (10) Business Days by an amendment to such Registration Statement or by a subsequent Registration Statement filed with and declared effective by the Commission; or

2.3.4 the Common Stock shall be delisted or suspended from trading on the New York Stock Exchange, American Stock Exchange, the Nasdaq Stock Market or the Nasdaq OTC Bulletin Board (each, a "Subsequent Market") for more than twenty (20) Business Days (which need not be consecutive Business Days); or

Any failure or breach set forth in this Section 2.3 is referred to as an "Event." The following are referred to as "Event Date": for purposes of Subsections 2.3.1 and 2.3.2, the date on which such Event occurs, or for purposes of Subsections 2.3.3 and 2.3.4, the date on which such ten (10) and twenty (20) Business Day periods are exceeded.

2.4 On an Event Date, the Company shall pay to each Holder, as liquidated damages and not as a penalty, an amount in cash equal to one percent (1.0%) of the original principal amount of the Notes of such Holder. On every month after the Event Date until the applicable Event is cured, the Company shall pay to each Holder, as liquidated damages and not as a penalty, an amount in cash equal to one and one-half percent (1.5%) of the original principal amount of the Notes. If the Warrants have been issued and are "in the money," the penalties shall be computed based on the value of any outstanding Warrants on an Event Date and on each month

following an Event Date until the Event is cured. The value of the Warrants for such purposes shall be the difference between the closing price of the Common Stock on the Event Date (and after the Event Date, the average of the closing sales prices during the applicable month) and the exercise price multiplied by the number of shares of Common Stock issuable upon exercise of the Warrants. If the Company fails to pay any liquidated damages pursuant to this Section in full within seven (7) days after the date payable, the Company will pay interest thereon at a rate of twelve (12%) per annum (or such lesser maximum amount that is permitted to be paid by applicable law) to the Holder, accruing daily from the date such liquidated damages are due until such amounts, plus all such interest thereon, are paid in full. At the option of the Company, shares of

4

Common Stock may be issued to the Holder in lieu of a cash payment for such liquidated damages based upon the Conversion Price then in effect, provided that such shares have been registered for resale by such Holder and the Company provides the Holder with at least five (5) Business Days' irrevocable notice prior to the date such payment is due. The liquidated damages pursuant to the terms hereof shall apply on a pro-rata basis for any portion of a month prior to the cure of an Event.

3. REGISTRATION PROCEDURES. In connection with the Company's registration obligations hereunder, the Company shall:

3.1 Not less than five (5) Business Days prior to the filing of each Registration Statement or any related Prospectus or any amendment or supplement thereto (including any document that would be incorporated or deemed to be incorporated therein by reference), the Company shall (i) furnish to the Holders and their Special Counsel copies of all such documents proposed to be filed, which documents (other than those incorporated or deemed to be incorporated by reference) will be subject to the review of such Holders and their Special Counsel, and (ii) cause its officers and directors, counsel and independent certified public accountants to respond to such inquiries as shall be necessary, in the reasonable opinion of respective counsel to conduct a reasonable investigation within the meaning of the Securities Act. The Company shall not file the Registration Statement or any such Prospectus or any amendments or supplements thereto to which the Holders of a majority of the Registrable Securities and their Special Counsel shall reasonably object, provided the Company is notified of such objection no later than five (5) Business Days after the Holders have been so furnished copies of such documents and provided, further, that such objections relate to the selling shareholder information, the plan of distribution, any information relating to the Holders, either directly or indirectly, or the compliance under the Securities Act of such Registration Statement or Prospectus as to form.

3.2 (i) Prepare and file with the Commission such amendments, including post-effective amendments, to a Registration Statement and the Prospectus used in connection therewith as may be necessary to keep a Registration Statement continuously effective as to the applicable Registrable Securities for the Effectiveness Period and prepare and file with the Commission such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities; (ii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement, and as so supplemented or amended to be filed pursuant to Rule 424; (iii) respond as promptly as reasonably possible, and in any event within ten (10) days, to any comments received from the Commission with respect to a Registration Statement or any amendment thereto and as promptly as reasonably possible provide the Holders true and complete copies of all correspondence from and to the Commission relating to a Registration Statement; and (iv) comply in all material respects with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by a Registration Statement during the applicable period in accordance

5

with the intended methods of disposition by the Holders thereof set forth in such Registration Statement as so amended or in such Prospectus as so supplemented.

3.3 File additional Registration Statements if the number of Registrable Securities at any time exceeds seventy-five percent (75%) of the number of shares of Common Stock then registered for the account of the Holders in all existing Registration Statements hereunder.

3.4 Notify the Holders of Registrable Securities to be sold and their Special Counsel as promptly as reasonably possible (and, in the case of

(i) (A) below, not less than five (5) Business Days prior to such filing) and (if requested by any such Person) confirm such notice in writing no later than one Business Day following the day (i) (A) when a Prospectus or any Prospectus supplement or post-effective amendment to a Registration Statement is proposed to be filed; and (B) with respect to a Registration Statement or any post-effective amendment, when the same has become effective; (ii) of the issuance by the Commission of any stop order suspending the effectiveness of a Registration Statement covering any or all of the Registrable Securities or the initiation of any Proceedings for that purpose; (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose; and (iv) of the occurrence of any event or passage of time that makes the financial statements included in a Registration Statement ineligible for inclusion therein or any statement made in a Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to a Registration Statement, Prospectus or other documents so that, in the case of a Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

3.5 Promptly deliver to each Holder and their Special Counsel, without charge, as many copies of the Prospectus or Prospectuses, including each form of Prospectus, and each amendment or supplement thereto as such Persons may reasonably request. The Company hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto.

3.6 Prior to any public offering of Registrable Securities, use its best efforts to register or qualify or cooperate with the selling Holders and their Special Counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any Holder requests in writing, to keep each such registration or qualification (or exemption therefrom) effective during the Effectiveness Period and to do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Registrable Securities covered by a

6

Registration Statement; provided, that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or subject the Company to any material tax in any such jurisdiction where it is not then so subject.

3.7 Cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be delivered to a transferee pursuant to a Registration Statement, which certificates shall be free, to the extent permitted by law, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holders may request.

3.8 Upon the occurrence of any event contemplated this Section 3, as promptly as reasonably possible, prepare a supplement or amendment, including a post-effective amendment, to a Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, neither a Registration Statement nor such Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

3.9 Comply with all applicable rules and regulations of the Commission.

3.10 Use its best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any order suspending the effectiveness of a Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.

3.11 Furnish to each Holder and their Special Counsel, without charge, at least one conformed copy of each Registration Statement and each

amendment thereto, including financial statements and schedules, all documents incorporated or deemed to be incorporated therein by reference, and all exhibits to the extent requested by such Person (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the Commission.

3.12 Notwithstanding anything herein to the contrary, if at any time or from time to time during the Effectiveness Period, the Company notifies the Holders in writing of the existence of a Potential Material Event (as defined below), the Holders shall not offer or sell any Securities from the time of the giving of notice with respect to a Potential Material Event until the Holders receive written notice from the Company that such Potential Material Event either has been disclosed to the public or no longer constitutes a Potential Material Event; provided, however, that, subject to Subsections 3.12.1 and 3.12.2, the Company may not so suspend the right to such holders of Securities for more than sixty (60) calendar days in the aggregate during any twelve-month period, and if such period is exceeded, such period shall be deemed an "Event" and the Company shall be liable to the Holder for liquidated damages pursuant to Section 2(c); provided, further, subject to Subsections 3.12.1 and 3.12.2, the failure to maintain a

7

Registration Statement for not more than sixty (60) calendar days in the aggregate during any twelve (12) month period as a result of a Potential Material Event shall not be deemed a breach of this Agreement, provided the Company timely pays the Holder such liquidated damages. The Company must give the Holders at least thirty (30) calendar days' prior written notice that such a blackout period (without indicating the nature of such blackout period) will occur and such notice must be acknowledged in writing by the Holders. Failure to provide the Holders with such notice shall constitute an Event during the entire applicable period that the Registration Statement is suspended. "Potential Material Event" means any of the following:

3.12.1 The Board of Directors of the Company determines, in its good faith judgment, that the use of any Prospectus would require the disclosure of important information which the Company has a bona fide business purpose for preserving as confidential or the disclosure of which would impede the Company's ability to consummate a significant transaction, in which event such period may be extended for up to thirty (30) additional days in any twelve (12) month period;

3.12.2 Company consummates any business combination for purposes of Rule 3-05 or Article 11 of Regulation S-X under the Securities Act, in which event such restricted period may be extended until the date on which the Company has filed such reports or obtained the financial information required by Rule 3-05 or Article 11 of Regulation S-X to be included in the Registration Statement, but in no event more sixty (60) additional days in any twelve (12) month period;

3.12.3 After one year from the Closing Date, the Company files or proposes to file a registration statement in an underwritten primary equity offering initiated by the Company (other than any registration by the Company on Form S-8), which underwriters are reasonably acceptable to a majority in interest of the Holders, or a successor or substantially similar form, of (i) an employee stock option, stock purchase or compensation plan or of securities issued or issuable pursuant to any such plan, or (ii) a dividend reinvestment plan), in which event such restricted period may be extended for thirty (30) days prior to the effective date of the registration statement covering such underwritten primary equity offering and ending on the date specified by such managing underwriter in such written request to each Holder, which date shall be no more than thirty (30) days after such effective date, during which the Holder agrees, if requested in writing by the managing underwriter or underwriters administering such offering, not to effect any offer, sale or distribution of Company securities (or any option or right to acquire Company securities;

4. REGISTRATION EXPENSES. All fees and expenses incident to the performance of or compliance with this Agreement by the Company shall be borne by the Company whether or not any Registrable Securities are sold pursuant to the Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and

8

filing fees (including, without limitation, fees and expenses (A) with respect to filings required to be made with the Nasdaq OTC Bulletin Board and any Subsequent Market on which the Common Stock is then listed for trading, and (B)

in compliance with applicable state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel for the Company in connection with Blue Sky qualifications or exemptions of the Registrable Securities and determination of the eligibility of the Registrable Securities for investment under the laws of such jurisdictions as requested by the Holders)); (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities and of printing prospectuses requested by the Holders); (iii) messenger, telephone and delivery expenses; (iv) fees and disbursements of counsel for the Company; and (v) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement; and (vi) and fees and expenses of the Special Counsel up to \$20,000. In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit and the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange as required hereunder.

5. INDEMNIFICATION.

5.1 Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless each Holder, the officers, directors, agents, brokers (including brokers who offer and sell Registrable Securities as principal as a result of a pledge or any failure to perform under a margin call of Common Stock), investment advisors and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, costs of preparation and attorneys' fees) and expenses (collectively, "Losses"), as incurred, arising out of or relating to any untrue or alleged untrue statement of a material fact contained in a Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (i) such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in a Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto or (ii) in the case of an occurrence of an event of the type specified in Section 3.4(ii)-(vi), the use by such Holder of an outdated or defective Prospectus after

9

the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 6.5. The Company shall notify the Holders promptly of the institution, threat or assertion of any Proceeding of which the Company is aware in connection with the transactions contemplated by this Agreement.

5.2 Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses (as determined by a court of competent jurisdiction in a final judgment not subject to appeal or review) arising out of or based upon any untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus, or in any amendment or supplement thereto, or arising solely out of or based solely upon any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading to the extent, but only to the extent, that such untrue statement or omission is contained in any information so furnished in writing by such Holder to the Company specifically for inclusion in such Registration Statement or such Prospectus or to the extent that (i) such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and expressly approved in writing by such Holder expressly for use in the

Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto or (ii) in the case of an occurrence of an event of the type specified in Section 3(d)(ii)-(vi), the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 6(e). In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

5.3 Conduct of Indemnification Proceedings.

5.3.1 If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "Indemnified Party"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "Indemnifying Party") in writing, and the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses incurred in connection with defense thereof; provided, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction

10

(which determination is not subject to appeal or further review) that such failure shall have proximately and materially adversely prejudiced the Indemnifying Party.

5.3.2 An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (i) the Indemnifying Party has agreed in writing to pay such fees and expenses; or (ii) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (iii) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that a conflict of interest is likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Indemnifying Party). The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

5.3.3 All fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section) shall be paid to the Indemnified Party, as incurred, within ten (10) Business Days of written notice thereof to the Indemnifying Party (regardless of whether it is ultimately determined that an Indemnified Party is not entitled to indemnification hereunder; provided, that the Indemnifying Party may require such Indemnified Party to undertake to reimburse all such fees and expenses to the extent it is finally judicially determined that such Indemnified Party is not entitled to indemnification hereunder).

5.4 Contribution.

5.4.1 If a claim for indemnification under Section 5.1 or 5.2 is unavailable to an Indemnified Party (by reason of public policy or otherwise), then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the

actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in Section 5.3, any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section was available to such party in accordance with its terms.

5.4.2 The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5.4 were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 5.4, no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

5.4.3 The indemnity and contribution agreements contained in this Section are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties.

6. MISCELLANEOUS.

6.1 Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the same shall be in writing and signed by the Company and the Holders of at least two-thirds of the then outstanding Registrable Securities. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.

6.6 Piggy-Back Registrations. If at any time during the Effectiveness Period there is not an effective Registration Statement covering all of the Registrable Securities and the Company shall determine to prepare and file with the Commission a registration statement relating to an offering for its own account or the account of others under the Securities Act of any of its equity securities, other than on Form S-4 or Form S-8 (each as promulgated under the Securities Act) or their then equivalents relating to equity securities to be issued solely in connection with any acquisition of any entity or business or equity securities issuable in connection with stock option or other employee benefit plans, then the Company shall send to each Holder written notice of such determination and, if within fifteen (15) days after receipt of such notice, any such Holder shall so request in writing, the Company shall include in such registration statement all or any part of such Registrable Securities such holder requests to be registered, subject to customary underwriter cutbacks applicable to all Holders of registration rights; provided, that, the Company shall not be required to register any Registrable Securities pursuant to this Section 6.6 that are eligible for resale pursuant to Rule 144(k) promulgated under the Securities Act.

6.9 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and, all of which taken together shall constitute one and the same Agreement. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid binding obligation of the party executing (or on whose behalf such signature is executed) the same with the same force and effect as if such facsimile signature were the original thereof.

6.10 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of California, without regard to the principles of conflicts of law thereof. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of San Diego, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. PLAN OF DISTRIBUTION

The Selling Stockholders and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of Common Stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The Selling Stockholders may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales;
- broker-dealers may agree with the Selling Stockholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The Selling Stockholders may also sell shares under Rule 144 under the Securities Act of 1933, if available, rather than under this prospectus. Broker-dealers engaged by the Selling Stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the Selling Stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The Selling Stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

The Selling Stockholders may from time to time pledge or grant a security interest in some or all of the Shares or Common Stock or Warrant owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of Selling Stockholders to include the pledgee, transferee or other successors in interest as Selling Stockholders under this prospectus.

17

The Selling Stockholders also may transfer the shares of Common Stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The Selling Stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. The Selling Stockholders have informed the Company that it does not have any agreement or understanding, directly or indirectly, with any person to distribute the Common Stock.

The Company is required to pay all fees and expenses incident to the registration of the shares. The Company has agreed to indemnify the Selling Stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.
