In the event of any conflict between the provisions of the Basic Lease Provisions and the provisions of the Standard Lease Provisions, the Standard Lease Provisions shall control.

STANDARD LEASE PROVISIONS

1. TERM

(a) The Initial Term of this Lease and the Rent (defined below) shall commence on the later to occur of (i) the earlier to occur of (A) the date that the Tenant Improvements are Substantially Completed, or (B) the date the Tenant Improvements would have been Substantially Completed except for Tenant Delays, or (C) the date that Tenant, or any person occupying any of the Premises with Tenant's permission, commences business operations from the Premises, or (ii) December 1, 2014 (the "Commencement Date"). Unless earlier terminated in accordance with the provisions hereof, the Initial Term of this Lease shall be the period shown in *Item 9* of the Basic Lease Provisions. As used herein, "Lease Term" shall mean the Initial Term referred to in *Item 9* of the Basic Lease Provisions, subject to any extension of the Initial Term hereof exercised in accordance with the terms and conditions expressly set forth herein (the "Expiration Date"). Unless Landlord is terminating this Lease prior to the Expiration Date in accordance with the provisions hereof, Landlord shall not be required to provide notice to Tenant of the Expiration Date. This Lease shall be a binding contractual obligation effective upon execution hereof by Landlord and Tenant, notwithstanding the later commencement of the Initial Term of this Lease. The terms "Tenant Improvements" and "Substantial Completion" or "Substantially Completed" are defined in the attached Exhibit B Work Letter. "Tenant Delays" consist of those delays defined in Exhibit B.

(b) The Premises will be delivered to Tenant when the Tenant Improvements have been Substantially Completed. If the Commencement Date is delayed or otherwise does not occur on the Estimated Commencement Date, set forth in *Item 10* of the Basic Lease Provisions, this Lease shall not be void or voidable, nor shall Landlord be liable to Tenant for any loss or damage resulting therefrom. Commencing on a date no earlier than fifteen (15) days prior to the date on which the Landlord estimates the Commencement Date will occur (such date being the "Pre-Term Access Commencement Date") and ending on the day immediately preceding the Commencement Date (such period being referred to as the "Pre-Term Access Period"), Tenant, and Tenant's contractors reasonably approved by Landlord, may access the Premises (the "Pre-Term Access") for the sole purpose of installing Tenant's furniture, fixtures, equipment, and leasehold improvements in the Premises; provided, however, Tenant and/or Tenant's contractors, must coordinate all access to the Premises during such Pre-Term Access Period with the Property Manager of the Building prior to such access. Except for the payment of Base Rent and Additional Rent under this Lease, all other terms, conditions, rules, regulations and obligations of Tenant, as set forth in this Lease, shall apply during the Pre-Term Access Period. Tenant, and its approved contractors, shall not interfere with the completion of construction of the Tenant Improvements or cause any labor dispute as a result of such Pre-Term Access, and Tenant hereby agrees to indemnify, defend, and hold Landlord harmless from any loss or damage to such property, and all liability, loss, or damage arising from any injury to the Building or the property of Landlord, its contractors, subcontractors, or materialmen, and any death or personal injury to any person or persons arising out of such Pre-Term Access, EVEN IF SUCH LOSS, DAMAGE, LIABILITY, DEATH, OR PERSONAL INJURY WAS CAUSED SOLELY OR IN PART BY LANDLORD'S NEGLIGENCE, BUT NOT TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF LANDLORD. Any such Pre-Term Access shall be subject to Tenant providing to Landlord satisfactory evidence of insurance for personal injury and property damage related to such Pre-Term Access Period prior to the commencement of the Pre-Term Access Period, including such insurance from Tenant's contractors, as required by Landlord for third party contractors working in the Building. Any delay in putting Tenant in possession of the Premises due to such Pre-Term Access Period shall not serve to extend the term of this Lease or to make Landlord liable for any damages arising therefrom.

(c) Upon Substantial Completion of the Tenant Improvements, Landlord shall prepare and deliver to Tenant, Tenant's Commencement Letter in the form of Exhibit E attached hereto (the "Commencement Letter") which Tenant shall acknowledge by executing a copy and returning it to Landlord. If Tenant fails to sign and return the Commencement Letter to Landlord within ten (10) days of its receipt from Landlord, the Commencement Letter as sent by Landlord shall be deemed to have correctly set forth the Commencement Date and the other matters addressed in the Commencement Letter. Failure of Landlord to send the Commencement Letter shall have no effect on the Commencement Date.

2. **BASE RENT AND SECURITY DEPOSIT**

(a) Tenant agrees to pay during each month of the Lease Term as Base Rent ("Base Rent") for the Premises the sums shown for such periods in *Item 5* of the Basic Lease Provisions.

(b) Except as expressly provided to the contrary herein, Base Rent shall be payable in consecutive monthly installments, in advance, without demand, deduction or offset, commencing on the Commencement Date and continuing on the first day of each calendar month thereafter until the expiration of the Lease Term. The first full monthly installment of Base Rent shall be payable upon Tenant's execution of this Lease. The obligation of Tenant to pay Rent and other sums to Landlord and the obligations of Landlord under this Lease are independent obligations. If the Commencement Date is a day other than the first day of a calendar month, or the Lease Term expires on a day other than the last day of a calendar month, then the Rent for such partial month shall be calculated on a per diem basis. In the event Landlord delivers possession of the Premises to Tenant prior to the Commencement Date, Tenant agrees it shall be bound by and subject to all terms, covenants, conditions and obligations of this Lease during the period between the date possession is delivered and the Commencement Date, other than the payment of Base Rent, in the same manner as if delivery had occurred on the Commencement Date.

(c) Simultaneously with the execution of this Lease, Tenant has paid or will pay Landlord the security deposit (the "Security Deposit") in *Item 7* of the Basic Lease Provisions as security for the performance of the provisions hereof by Tenant, if applicable. Landlord shall not be required to keep the Security Deposit separate from its general funds and Tenant shall not be entitled to interest thereon.

If Tenant defaults with respect to any provision of this Lease, including, without limitation, the provisions relating to the payment of Rent or the cleaning of the Premises upon the termination of this Lease, or amounts which Landlord may be entitled to recover pursuant to the provisions of Section 1951.2 of the California Civil Code, Landlord may, but shall not be required to, use, apply or retain all or any part of the Security Deposit (i) for the payment of any Rent or any other sum in default, (ii) for the payment of any other amount which Landlord may spend or become obligated to spend by reason of Tenant's default hereunder, or (iii) to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's default hereunder, including, without limitation, costs and reasonable attorneys' fees incurred by Landlord to recover possession of the Premises following a default by Tenant hereunder. The use or application of the Security Deposit or any portion thereof shall not prevent Landlord from exercising any other right or remedy provided hereunder or under any Law and shall not be construed as liquidated damages.

If any portion of the Security Deposit is so used or applied, Tenant shall, upon demand therefor, deposit cash with Landlord in an amount sufficient to restore the Security Deposit within five (5) business days to the appropriate amount, as determined hereunder. If Tenant shall fully perform every provision of this Lease to be performed by it, the Security Deposit or any balance thereof shall be returned to Tenant (or, at Landlord's option, to the last assignee of Tenant's interest hereunder) within thirty (30) days following the expiration of the Lease Term; provided, however, that Landlord may retain the Security Deposit until such time as any amount due from Tenant in accordance with Paragraph 3 below has been determined and paid to Landlord in full. Tenant hereby waives the provisions of Section 1950.7 of the California Civil Code. Tenant also waives all provisions of law, now or hereafter in force, which provide that Landlord may claim from a security deposit only those sums reasonably necessary to remedy defaults in the payment of rent, to repair damage caused by Tenant or to clean the Premises, it being agreed that Landlord may, in addition, claim those sums reasonably necessary to compensate Landlord for any other loss or damage, foreseeable or unforeseeable, caused by the act or omission of Tenant or any Tenant Affiliates (as defined in Paragraph 6(g)(i) below).

Notwithstanding anything herein to the contrary, provided that Tenant is not then in default under the terms of this Lease after applicable notice and cure periods, as of the first day of the fourth month of the Lease Term, the Security Deposit shall be reduced by an amount equal to \$6,053.60 (and such amount shall be applied towards the next installment of Base Rent due hereunder) so that thereafter the Security Deposit under this Lease shall be in an amount equal to \$30,834.72. Notwithstanding anything herein to the contrary, provided that Tenant is not then in default under the terms of this Lease after applicable notice and cure periods, as of the first day of the fifth month of the Lease Term, the Security Deposit shall be reduced by an amount equal to \$6,053.60 (and such amount shall be applied towards the next installment of Base Rent due hereunder) so that thereafter the Security Deposit under this Lease shall be in an amount equal to \$24,781.12. Notwithstanding anything herein to the contrary, provided that Tenant is not then in default under the terms of this Lease after applicable notice and cure periods, as of the first day of the tenth month of the Lease Term, the Security Deposit shall be reduced by an amount equal to \$6,053.60 (and such amount shall be applied towards the next installment of Base Rent due hereunder) so that thereafter the Security Deposit under this Lease shall be in an amount equal to \$18,727.52. Notwithstanding anything herein to the contrary, provided that Tenant is not then in default under the terms of this Lease after applicable notice and cure periods, as of the first day of the eleventh month of the Lease Term, the Security Deposit shall be reduced by an amount equal to \$6,053.60 (and such amount shall be applied towards the next installment of Base Rent due hereunder) so that thereafter the Security Deposit under this Lease shall be in an amount equal to \$12,673.92. Notwithstanding anything herein to the contrary, provided that Tenant is not then in default under the terms of this Lease after applicable notice and cure periods, as of the first day of the twelfth month of the Lease Term, the Security Deposit shall be reduced by an amount equal to \$6,053.60 (and such amount shall be applied towards the next installment of Base Rent due hereunder) so that thereafter the Security Deposit under this Lease shall be in an amount equal to \$6,620.32.

(d) The parties agree that for all purposes hereunder the Premises shall be stipulated to contain the number of square feet of Rentable Area described in *Item 3* of the Basic Lease Provisions. Upon the request of Landlord during any extension or renewal of the Initial Term, Landlord's space planner shall verify the exact number of square feet of Rentable Area in the Premises. If during any extension or renewal of the Initial Term there is a variation from the number of square feet specified in *Item 3* of the Basic Lease Provisions, Landlord and Tenant shall execute an amendment to this Lease for the purpose of making appropriate adjustments to the Base Rent, the Security Deposit, Tenant's Proportionate Share and such other provisions hereof as shall be appropriate under the circumstances.

3. ADDITIONAL RENT

(a) If Operating Expenses (defined below) for the Project for any calendar year during the Lease Term exceed Base Operating Expenses (defined below), Tenant shall pay to Landlord as additional rent ("Additional Rent") an amount equal to Tenant's Proportionate Share (defined below) of such excess. Notwithstanding anything herein to the contrary, the Additional Rent due hereunder shall be abated for the time period commencing on the Commencement Date and continuing through the day that is immediately preceding the one (1) year anniversary of the Commencement Date.

(b) "Tenant's Proportionate Share" is, subject to the provisions of Paragraph 18, the percentage number described in *Item 4* of the Basic Lease Provisions. Tenant's Proportionate Share represents, subject to the provisions of Paragraph 18, a fraction, the numerator of which is the number of square feet of Rentable Area in the Premises and the denominator of which is the number of square feet of Rentable Area for lease to third parties in the Project, as determined by Landlord pursuant to Paragraph 18.

(c) "Base Operating Expenses" means all Operating Expenses incurred or payable by Landlord during the calendar year specified as Tenant's Base Year in *Item 8* of the Basic Lease Provisions.

(d) "Operating Expenses" means all costs, expenses and obligations incurred or payable by Landlord in connection with the operation, ownership, management, repair or maintenance of the Building and the Project during or allocable to the Lease Term, including without limitation, the following:

Taxes shall also include, without limitation:

(A) any tax on Landlord's "right" to rent or "right" to other income from the Premises or as against Landlord's business of leasing the Premises;

(B) any assessment, tax, fee, levy or charge in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged by Tenant and Landlord that Proposition 13 was adopted by the voters of the State of California in the June, 1978 election and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants. It is the intention of Tenant and Landlord that all such new and increased assessments, taxes, fees, levies and charges be included within the definition of "Taxes" for the purposes of this Lease;

(C) any assessment, tax, fee, levy or charge allocable to or measured by the area of the Premises or other premises in the Building or the rent payable by Tenant hereunder or other tenants of the Project, including, without limitation, any gross receipts tax or excise tax levied by state, city or federal government, or any political subdivision thereof, with respect to the receipt of such rent, or upon or with respect to the possession, leasing, operation, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof but not on Landlord's other operations;

(D) any assessment, tax, fee, levy or charge upon this transaction or any document to which Tenant is a party, creating or transferring an interest or an estate in the Premises;

(E) any assessment, tax, fee, levy or charge by any governmental agency related to any transportation plan, fund or system (including assessment districts) instituted within the geographic area of which the Project is a part; and/or

- (B) costs (including permit, license and inspection fees) incurred in renovating or otherwise improving or decorating, painting or redecorating space for tenants or vacant space;

- (I) legal expenses incurred for (i) negotiating lease terms for prospective tenants, (ii) negotiating termination or extension of leases with existing tenants, (iii) proceedings against any other specific tenant relating solely to the collection of rent or other sums due to Landlord from such tenant, or (iv) the development and/or construction of the Project; and
- (J) repairs resulting from any defect in the original design or construction of the Project.

(c) Operating Expenses for any calendar year during which actual occupancy of the Project is less than one hundred percent (100%) of the Rentable Area of the Project shall be appropriately adjusted to reflect one hundred percent (100%) occupancy of the existing Rentable Area of the Project during such period. In determining Operating Expenses, if any services or utilities are separately charged to tenants of the Project or others, Operating Expenses shall be adjusted by Landlord to reflect the amount of expense which would have been incurred for such services or utilities on a full time basis for normal Project operating hours. Operating Expenses for the Tenant's Base Year for Operating Expenses (as defined in *Item 8* of the Basic Lease Provisions) shall not include Operating Expenses attributable to temporary market-wide labor-rate increases and/or utility rate increases due to extraordinary circumstances, including, but not limited to Force Majeure, conservation surcharges, boycotts, embargoes, or other shortages. In addition, Landlord shall have the right, from time to time, to equitably allocate and prorate some or all of the Operating Expenses among different tenants and/or different buildings of the Project and/or on a building-by-building basis (the "Cost Pools"), adjusting Tenant's Proportionate Share as to each of the separately allocated costs based on the ratio of the Rentable Area of the Premises to the Rentable Area of all of the premises to which such costs are allocated. Such Cost Pools may include, without limitation, the office space tenants and retail space tenants of the buildings in the Project.

(f) Prior to the commencement of each calendar year of the Lease Term following the Commencement Date, Landlord shall have the right to give to Tenant a written estimate of Tenant's Proportionate Share of excess Operating Expenses, if any, for the Project for the ensuing year. Tenant shall pay such estimated amount to Landlord in equal monthly installments, in advance on the first day of each month. Within a reasonable period after the end of each calendar year, Landlord shall furnish Tenant a statement indicating in reasonable detail the excess of Operating Expenses over Base Operating Expenses for such period and the parties shall, within thirty (30) days thereafter, make any payment or allowance necessary to adjust Tenant's estimated payments to Tenant's actual share of such excess as indicated by such annual statement. Any payment due Landlord shall be payable by Tenant on demand from Landlord. Any amount due Tenant shall be credited against installments next becoming due under this Paragraph 3(f) or refunded to Tenant, if requested by Tenant.

(g) All capital levies or other taxes assessed or imposed on Landlord upon the rents payable to Landlord under this Lease and any excise, transaction, sales or privilege tax, assessment, levy or charge measured by or based, in whole or in part, upon such rents from the Premises and/or the Project or any portion thereof shall be paid by Tenant to Landlord monthly in estimated installments or upon demand, at the option of Landlord, as additional rent to be allocated to monthly Operating Expenses.

(h) Tenant shall pay ten (10) days before delinquency, all taxes and assessments (i) levied against any personal property, Alterations, tenant improvements or trade fixtures of Tenant in or about the Premises, (ii) based upon this Lease or any document to which Tenant is a party creating or transferring an interest in this Lease or an estate in all or any portion of the Premises, and (iii) levied for any business, professional, or occupational license fees. If any such taxes or assessments are levied against Landlord or Landlord's property or if the assessed value of the Project is increased by the inclusion therein of a value placed upon such personal property or trade fixtures, Tenant shall upon demand reimburse Landlord for the taxes and assessments so levied against Landlord, or such taxes, levies and assessments resulting from such increase in assessed value. To the extent that any such taxes are not separately assessed or billed to Tenant, Tenant shall pay the amount thereof as invoiced to Tenant by Landlord. In the event that the Project is owned by an entity the property of which is exempt from taxation pursuant to the California Revenue and Taxation Code, Tenant's possessory interest may be subject to property taxation pursuant to Section 107.6 of the California Revenue and Taxation Code and to the payment of property taxes levied on that interest. The full cash value, as defined in Sections 110 and 110.1 of the California Revenue and Taxation Code, of the possessory interest, upon which property taxes will be based, shall equal the greater of (A) the full cash value of the possessory interest or (B) if Tenant has leased less than all of the Project, Tenant's allocable share of the full cash value of the Project that would have been enrolled if the Project had been subject to property tax upon acquisition by Landlord. The full cash value as provided for pursuant to either (A) or (B) of the preceding sentence shall reflect the anticipated term of possession if, on the lien date described in Section 2192 of the California Revenue and Taxation Code, that term is expected to terminate prior to the end of the next succeeding fiscal year. Tenant's allocable share shall, subject to the preceding sentence, be the Rentable Area of the Premises divided by the Rentable Area of the Project.

(i) Any delay or failure of Landlord in (i) delivering any estimate or statement described in this Paragraph 3, or (ii) computing or billing Tenant's Proportionate Share of excess Operating Expenses shall not constitute a waiver of its right to require an increase in Rent, or in any way impair the continuing obligations of Tenant under this Paragraph 3. In the event of any dispute as to any Additional Rent due under this Paragraph 3, Tenant, an officer of Tenant or Tenant's certified public accountant (but (a) in no event shall Tenant hire or employ an accounting firm or any other person to audit Landlord as set forth under this Paragraph who is compensated or paid for such audit on a contingency basis and (b) in the event Tenant hires or employs an independent party to perform such audit, Tenant shall provide Landlord with a copy of the engagement letter) shall have the right after reasonable notice and at reasonable times to inspect Landlord's accounting records at Landlord's accounting office. If, after such inspection, Tenant still disputes such Additional Rent, upon Tenant's written request therefor, a certification as to the proper amount of Operating Expenses and the amount due to or payable by Tenant shall be made by an independent certified public accountant mutually agreed to by Landlord and Tenant. If Landlord and Tenant cannot mutually agree to an independent certified public accountant, then the parties agree that Landlord shall choose an independent certified public accountant to conduct the certification as to the proper amount of Tenant's Proportionate Share of Operating Expenses due by Tenant for the period in question; provided, however, such certified public accountant shall not be the accountant who conducted Landlord's initial calculation of Operating Expenses to which Tenant is now objecting. Such certification shall be final and conclusive as to all parties. If the certification reflects that Tenant has overpaid Tenant's Proportionate Share of Operating Expenses for the period in question, then Landlord shall credit such excess to Tenant's next payment of Operating Expenses or, at the request of Tenant, promptly refund such excess to Tenant and conversely, if Tenant has underpaid Tenant's Proportionate Share of Operating Expenses, Tenant shall promptly pay such additional Operating Expenses to Landlord. Tenant agrees to pay the cost of such certification and the investigation with respect thereto and no adjustments in Tenant's favor shall be made unless it is determined that Landlord's original statement was in error in Landlord's favor by more than five percent (5%). Tenant waives the right to dispute any matter relating to the calculation of Operating Expenses or Additional Rent under this Paragraph 3 if any claim or dispute is not asserted in writing to Landlord within one hundred eighty (180) days after delivery to Tenant of the original billing statement with respect thereto. Notwithstanding the foregoing, Tenant shall maintain strict confidentiality of all of Landlord's accounting records and shall not disclose the same to any other person or entity except for Tenant's professional advisory representatives (such as Tenant's employees, accountants, advisors, attorneys and consultants) with a need to know such accounting information, who agree to similarly maintain the confidentiality of such financial information.

(j) Even though the Lease Term has expired and Tenant has vacated the Premises, when the final determination is made of Tenant's Proportionate Share of excess Operating Expenses for the year in which this Lease terminates, Tenant shall immediately pay any increase due over the estimated Operating Expenses paid, and conversely, any overpayment made by Tenant shall be promptly refunded to Tenant by Landlord.

(k) The Base Rent, Additional Rent, late fees, and other amounts required to be paid by Tenant to Landlord hereunder (including the excess Operating Expenses) are sometimes collectively referred to as, and shall constitute, "Rent".

4. IMPROVEMENTS AND ALTERATIONS

(a) Landlord shall deliver the Premises to Tenant, and Tenant agrees to accept the Premises from Landlord in its existing "AS-IS", "WHERE-IS" and "WITH ALL FAULTS" condition, and Landlord shall have no obligation to refurbish or otherwise improve the Premises throughout the Lease Term; provided, however, and notwithstanding the foregoing to the contrary, (i) Landlord, at Landlord's sole cost and expense and separate from the Tenant Improvement Allowance, shall install new building standard paint and carpet within the Premises prior to the Commencement Date, and (ii) Landlord's sole construction obligation under this Lease is set forth in the Work Letter attached hereto as Exhibit B.

(b) Any alterations, additions, or improvements made by or on behalf of Tenant to the Premises ("Alterations") shall be subject to Landlord's prior written consent. Landlord's consent shall not be unreasonably withheld with respect to proposed Alterations that (i) comply with all applicable laws, ordinances, rules and regulations; (ii) are compatible with the Building and its mechanical, electrical, HVAC and life safety systems; (iii) will not interfere with the use and occupancy of any other portion of the Building by any other tenant or their invitees; (iv) do not affect the structural portions of the Building; and, (v) do not and will not, whether alone or taken together with other improvements, require the construction of any other improvements or alterations within the Building. Tenant shall cause, at its sole cost and expense, all Alterations to comply with insurance requirements and with Laws and shall construct, at its sole cost and expense, any alteration or modification required by Laws as a result of any Alterations. All Alterations shall be constructed at Tenant's sole cost and expense, in a first class and good and workmanlike manner by contractors reasonably acceptable to Landlord and only good grades of materials shall be used. All plans and specifications for any Alterations shall be submitted to Landlord for its approval. Landlord may monitor construction of the Alterations and Tenant shall reimburse Landlord for any costs incurred by Landlord in monitoring such construction. Landlord's right to review plans and specifications and to monitor construction shall be solely for its own benefit, and Landlord shall have no duty to see that such plans and specifications or construction comply with applicable laws, codes, rules and regulations. Without limiting the other grounds upon which Landlord may refuse to approve any contractor or subcontractor, Landlord may take into account the desirability of maintaining harmonious labor relations at the Project. Landlord may also require that all life safety related work and all mechanical, electrical, plumbing and roof related work be performed by contractors designated by Landlord. Landlord shall have the right, in its sole discretion, to instruct Tenant to remove those improvements or Alterations from the Premises which (i) were not approved in advance by Landlord, (ii) were not built in conformance with the plans and specifications approved by Landlord, or (iii) Landlord specified during its review of plans and specifications for Alterations would need to be removed by Tenant upon the expiration of this Lease. Except as set forth in the proceeding sentence, Tenant shall not be obligated to remove such Alterations at the expiration of this Lease. Landlord shall not unreasonably withhold or delay its approval with respect to what improvements or Alterations Landlord may require Tenant to remove at the expiration of the Lease. If upon the termination of this Lease Landlord requires Tenant to remove any or all of such Alterations from the Premises, then Tenant, at Tenant's sole cost and expense, shall promptly remove such Alterations and improvements and Tenant shall repair and restore the Premises to its original condition as of the Commencement Date, reasonable wear and tear excepted. Any Alterations remaining in the Premises following the expiration of the Lease Term or following the surrender of the Premises from Tenant to Landlord, shall become the property of Landlord unless Landlord notifies Tenant otherwise. Tenant shall provide Landlord with the identities and mailing addresses of all persons performing work or supplying materials, prior to beginning such construction, and Landlord may post on and about the Premises notices of non-responsibility pursuant to applicable law. Tenant shall assure payment for the completion of all work free and clear of liens and shall provide certificates of insurance for worker's compensation and other coverage in amounts and from an insurance company reasonably satisfactory to Landlord protecting Landlord against liability for bodily injury or property damage during construction. Upon completion of any Alterations and upon Landlord's reasonable request, Tenant shall deliver to Landlord sworn statements setting forth the names of all contractors and subcontractors who did work on the Alterations and final lien waivers from all such contractors and subcontractors. Additionally, upon completion of any Alteration, Tenant shall provide Landlord, at Tenant's expense, with a complete set of plans in reproducible form and specifications reflecting the actual conditions of the Alterations, together with a copy of such plans on diskette in the AutoCAD format or such other format as may then be in common use for computer assisted design purposes. Tenant shall pay to Landlord, as additional rent, the reasonable costs of Landlord's engineers and other consultants (but not Landlord's on-site management personnel) for review of all plans, specifications and working drawings for the Alterations and for the incorporation of such Alterations in the Landlord's master Building drawings, within ten (10) business days after Tenant's receipt of invoices either from Landlord or such consultants together with (in any event) an administrative charge of two percent (2%) of the actual costs of such work. In addition to such costs, Tenant shall pay to Landlord, within ten (10) business days after completion of any Alterations, the actual, reasonable costs incurred by Landlord for services rendered by Landlord's management personnel and engineers to coordinate and/or supervise any of the Alterations to the extent such services are provided in excess of or after the normal on-site hours of such engineers and management personnel.

(c) Tenant shall keep the Premises, the Building and the Project free from any and all liens arising out of any Alterations, work performed, materials furnished, or obligations incurred by or for Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien, cause the same to be released of record by payment or posting of a bond in a form and issued by a surety acceptable to Landlord, Landlord shall have the right, but not the obligation, to cause such lien to be released by such means as it shall deem proper (including payment of or defense against the claim giving rise to such lien); in such case, Tenant shall reimburse Landlord for all amounts so paid by Landlord in connection therewith, together with all of Landlord's costs and expenses, with interest thereon at the Default Rate (defined below) and Tenant shall indemnify and defend each and all of the Landlord Indemnitees (defined below) against any damages, losses or costs arising out of any such claim. Tenant's indemnification of Landlord contained in this Paragraph shall survive the expiration or earlier termination of this Lease. Such rights of Landlord shall be in addition to all other remedies provided herein or by law.

(d) NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO TENANT, OR TO ANYONE HOLDING THE PREMISES THROUGH OR UNDER TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF LANDLORD IN THE PREMISES.

5. REPAIRS

(a) Landlord's obligation with respect to repair as part of Basic Services shall be limited to (i) the structural portions of the Building, (ii) the exterior walls of the Building, including, without limitation, glass and glazing, (iii) the roof, (iv) mechanical, electrical, plumbing and life safety systems [except for any lavatory, shower, toilet, wash basin and kitchen facilities that serve Tenant exclusively and any supplemental heating and air conditioning systems (including all plumbing connected to said facilities or systems)], and (v) Common Areas. Landlord shall not be deemed to have breached any obligation with respect to the condition of any part of the Project unless Tenant has given to Landlord written notice of any required repair and Landlord has not made such repair within a reasonable time following the receipt by Landlord of such notice. The foregoing notwithstanding: (i) Landlord shall not be required to repair damage to any of the foregoing to the extent caused by the acts or omissions of Tenant or its agents, employees or contractors, except to the extent covered by insurance carried by Landlord; and (ii) the obligations of Landlord pertaining to damage or destruction by casualty shall be governed by the provisions of Paragraph 9. Landlord shall have the right but not the obligation to undertake work of repair that Tenant is required to perform under this Lease and that Tenant fails or refuses to perform in a timely and efficient manner. All costs incurred by Landlord in performing any such repair for the account of Tenant shall be repaid by Tenant to Landlord upon demand, together with an administration fee equal to five percent (5%) of such costs. Except as expressly provided in Paragraph 9 of this Lease, there shall be no abatement of Rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any repairs, alterations or improvements in or to any portion of the Premises, the Building or the Project. Tenant waives the right to make repairs at Landlord's expense under any law, statute or ordinance now or hereafter in effect (including the provisions of California Civil Code Section 1942 and any successive sections or statutes of a similar nature).

(b) Tenant, at its expense, (i) shall keep the Premises and all fixtures contained therein in a safe, clean and neat condition, and (ii) shall bear the cost of maintenance and repair, by contractors selected by Landlord, of all facilities which are not expressly required to be maintained or repaired by Landlord and which are located in the Premises, including, without limitation, lavatory, shower, toilet, wash basin and kitchen facilities, and supplemental heating and air conditioning systems (including all plumbing connected to said facilities or systems installed by or on behalf of Tenant or existing in the Premises at the time of Landlord's delivery of the Premises to Tenant). Tenant shall make all repairs to the Premises not required to be made by Landlord under subparagraph (a) above with replacements of any materials to be made by use of materials of equal or better quality. Tenant shall do all decorating, remodeling, alteration and painting required by Tenant during the Lease Term. Tenant shall pay for the cost of any repairs to the Premises, the Building or the Project made necessary by any negligence or willful misconduct of Tenant or any of its assignees, subtenants, employees or their respective agents, representatives, contractors, or other persons permitted in or invited to the Premises or the Project by Tenant. If Tenant fails to make such repairs or replacements within fifteen (15) days after written notice from Landlord, Landlord may at its option make such repairs or replacements, and Tenant shall upon demand pay Landlord for the cost thereof, together with an administration fee equal to five percent (5%) of such costs.

(c) Upon the expiration or earlier termination of this Lease, Tenant shall surrender the Premises in a safe, clean and neat condition, normal wear and tear excepted. Except as otherwise set forth in Paragraph 4(b) of this Lease, Tenant shall remove from the Premises all trade fixtures, furnishings and other personal property of Tenant and all computer and phone cabling and wiring installed by or on behalf of Tenant, shall repair all damage caused by such removal, and shall restore the Premises to its original condition, reasonable wear and tear excepted. In addition to all other rights Landlord may have, in the event Tenant does not so remove any such fixtures, furnishings or personal property, Tenant shall be deemed to have abandoned the same, in which case Landlord may store or dispose of the same at Tenant's expense, appropriate the same for itself, and/or sell the same in its discretion.

6. USE OF PREMISES

(a) Tenant shall use the Premises only for general office uses and shall not use the Premises or permit the Premises to be used for any other purpose. Landlord shall have the right to deny its consent to any change in the permitted use of the Premises in its sole and absolute discretion.

(b) Tenant shall not at any time use or occupy the Premises, or permit any act or omission in or about the Premises in violation of any law, statute, ordinance or any governmental rule, regulation or order (collectively, "Law" or "Laws") and Tenant shall, upon written notice from Landlord, discontinue any use of the Premises which is declared by any governmental authority to be a violation of Law. If any Law shall, by reason of the nature of Tenant's use or occupancy of the Premises, impose any duty upon Tenant or Landlord with respect to (i) modification or other maintenance of the Premises, the Building or the Project, or (ii) the use, Alteration or occupancy thereof, Tenant shall comply with such Law at Tenant's sole cost and expense. This Lease shall be subject to and Tenant shall comply with all financing documents encumbering the Building or the Project and all covenants, conditions and restrictions affecting the Premises, the Building or the Project, including, but not limited to, Tenant's execution of any subordination agreements requested by a mortgagee (which for purposes of this Lease includes any lender or grantee under a deed of trust) of the Premises, the Building or the Project.

(c) Tenant shall not at any time use or occupy the Premises in violation of the certificates of occupancy issued for or restrictive covenants pertaining to the Building or the Premises, and in the event that any architectural control committee or department of the state or the city or county in which the Project is located shall at any time contend or declare that the Premises are used or occupied in violation of such certificate or certificates of occupancy or restrictive covenants, Tenant shall, upon five (5) days' notice from Landlord or any such governmental agency, immediately discontinue such use of the Premises (and otherwise remedy such violation). The failure by Tenant to discontinue such use shall be considered a default under this Lease and Landlord shall have the right to exercise any and all rights and remedies provided herein or by Law. Any statement in this Lease of the nature of the business to be conducted by Tenant in the Premises shall not be deemed or construed to constitute a representation or guaranty by Landlord that such business is or will continue to be lawful or permissible under any certificate of occupancy issued for the Building or the Premises, or otherwise permitted by Law.

(d) Tenant shall not do or permit to be done anything which may invalidate or increase the cost of any fire, All Risk, Causes of Loss - Special Form or other insurance policy covering the Building, the Project and/or property located therein and shall comply with all rules, orders, regulations and requirements of the appropriate fire codes and ordinances or any other organization performing a similar function. In addition to all other remedies of Landlord, Landlord may require Tenant, promptly upon demand, to reimburse Landlord for the full amount of any additional premiums charged for such policy or policies by reason of Tenant's failure to comply with the provisions of this Paragraph 6.

(e) Tenant shall not in any way interfere with the rights or quiet enjoyment of other tenants or occupants of the Premises, the Building or the Project. Tenant shall not use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose, nor shall Tenant cause, maintain, or permit any nuisance in, on or about the Premises, the Building or the Project. Tenant shall not place weight upon any portion of the Premises exceeding the structural floor load (per square foot of area) which such area was designated (and is permitted by Law) to carry or otherwise use any Building system in excess of its capacity or in any other manner which may damage such system or the Building. Tenant shall not create within the Premises a working environment with a density of greater than the lesser of (i) five (5) persons per 1,000 square feet of Rentable Area, or (ii) the maximum density permitted by Law. Business machines and mechanical equipment shall be placed and maintained by Tenant, at Tenant's expense, in locations and in settings sufficient in Landlord's reasonable judgment to absorb and prevent vibration, noise and annoyance. Tenant shall not commit or suffer to be committed any waste in, on, upon or about the Premises, the Building or the Project.

(f) Tenant shall take all reasonable steps necessary to adequately secure the Premises from unlawful intrusion, theft, fire and other hazards, and shall keep and maintain any and all security devices in or on the Premises in good working order, including, but not limited to, exterior door locks for the Premises and smoke detectors and burglar alarms located within the Premises and shall cooperate with Landlord and other tenants in the Project with respect to access control and other safety matters.

(g) As used herein, the term "Hazardous Material" means any (a) oil or any other petroleum-based substance, flammable substances, explosives, radioactive materials, hazardous wastes or substances, toxic wastes or substances or any other wastes, materials or pollutants which (i) pose a hazard to the Project or to persons on or about the Project or (ii) cause the Project to be in violation of any Laws; (b) asbestos in any form, urea formaldehyde foam insulation, transformers or other equipment that contain dielectric fluid containing levels of polychlorinated biphenyls, or radon gas; (c) chemical, material or substance defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials", "extremely hazardous waste", "restricted hazardous waste", or "toxic substances" or words of similar import under any applicable local, state or federal law or under the regulations adopted or publications promulgated pursuant thereto, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601, et seq.; the Hazardous Materials Transportation Act, as amended, 49 U.S.C. §1801, et seq.; the Federal Water Pollution Control Act, as amended, 33 U.S.C. §1251, et seq.; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §6901, et seq.; the Safe Drinking Water Act, as amended, 42 U.S.C. §300, et seq.; the Toxic Substances Control Act, as amended, 15 U.S.C. §2601, et seq.; the Federal Hazardous Substances Control Act, as amended, 15 U.S.C. §1261, et seq.; and the Occupational Safety and Health Act, as amended, 29 U.S.C. §651, et seq.; Sections 25115, 25117, 25122.7, 25140, 25249.8, 25281, 25316, 25501, and 25316 of the California Health and Safety Code; (d) other chemical, material or substance, exposure to which is prohibited, limited or regulated by any governmental authority or may or could pose a hazard to the health and safety of the occupants of the Project or the owners and/or occupants of property adjacent to or surrounding the Project, or any other Person coming upon the Project or adjacent property; and (e) other chemicals, materials or substances which may or could pose a hazard to the environment. The term "Permitted Hazardous Materials" shall mean Hazardous Materials which are contained in ordinary office supplies of a type and in quantities typically used in the ordinary course of business within executive offices of similar size in the comparable office buildings, but only if and to the extent that such supplies are transported, stored and used in full compliance with all applicable laws, ordinances, orders, rules and regulations and otherwise in a safe and prudent manner. Hazardous Materials which are contained in ordinary office supplies but which are transported, stored and used in a manner which is not in full compliance with all applicable laws, ordinances, orders, rules and regulations or which is not in any respect safe and prudent shall not be deemed to be "Permitted Hazardous Materials" for the purposes of this Lease.

(i) Tenant, its assignees, subtenants, and their respective agents, servants, employees, representatives and contractors (collectively referred to herein as "Tenant Affiliates") shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises by Tenant or by Tenant Affiliates without the prior written consent of Landlord (which may be granted, conditioned or withheld in the sole discretion of Landlord), save and except only for Permitted Hazardous Materials, which Tenant or Tenant Affiliates may bring, store and use in reasonable quantities for their intended use in the Premises, but only in full compliance with all applicable laws, ordinances, orders, rules and regulations. On or before the expiration or earlier termination of this Lease, Tenant shall remove from the Premises all Hazardous Materials (including, without limitation, Permitted Hazardous Materials), regardless of whether such Hazardous Materials are present in concentrations which require removal under applicable laws, except to the extent that such Hazardous Materials were present in the Premises as of the Commencement Date and were not brought onto the Premises by Tenant or Tenant Affiliates.

(ii) Tenant agrees to indemnify, defend and hold Landlord and its Affiliates (defined below) harmless for, from and against any and all claims, actions, administrative proceedings (including informal proceedings), judgments, damages, punitive damages, penalties, fines, costs, liabilities, interest or losses, including reasonable attorneys' fees and expenses, court costs, consultant fees, and expert fees, together with all other costs and expenses of any kind or nature that arise during or after the Lease Term directly or indirectly from or in connection with the presence, suspected presence, or release of any Hazardous Material in or into the air, soil, surface water or groundwater at, on, about, under or within the Premises, or any portion thereof caused by Tenant or Tenant Affiliates.

(iii) In the event any investigation or monitoring of site conditions or any clean-up, containment, restoration, removal or other remedial work (collectively, the "Remedial Work") is required under any applicable federal, state or local Law, by any judicial order, or by any governmental entity as the result of operations or activities upon, or any use or occupancy of any portion of the Premises by Tenant or Tenant Affiliates, Landlord shall perform or cause to be performed the Remedial Work in compliance with such Law or order at Tenant's sole cost and expense. All Remedial Work shall be performed by one or more contractors, selected and approved by Landlord, and under the supervision of a consulting engineer, selected by Tenant and approved in advance in writing by Landlord. All costs and expenses of such Remedial Work shall be paid by Tenant, including, without limitation, the charges of such contractor(s), the consulting engineer, and Landlord's reasonable attorneys' fees and costs incurred in connection with monitoring or review of such Remedial Work.

(iv) Each of the covenants and agreements of Tenant set forth in this Paragraph 6(g) shall survive the expiration or earlier termination of this Lease.

7. UTILITIES AND SERVICES

(a) Landlord shall furnish, or cause to be furnished to the Premises, the utilities and services described in this Paragraph 7(a) (collectively the “Basic Services”):

(i) Tepid water at those points of supply provided for general use of other tenants in the Project;

(ii) At such times as Landlord normally furnishes these services to other tenants in the Project and if provided in the region, central heat and air conditioning in season, at such temperatures and in such amounts as are considered by Landlord to be standard or as may be permitted or controlled by applicable laws, ordinances, rules and regulations;

(iii) Routine maintenance, repairs, structural and exterior maintenance (including, without limitation, exterior glass and glazing), painting and electric lighting service for all Common Areas of the Project in the manner and to the extent deemed by Landlord to be standard, subject to the limitation contained in Paragraph 5(a) above;

(iv) Janitorial service on a five (5) day week basis, excluding holidays;

(v) An electrical system to convey power delivered by public utility providers selected by Landlord in amounts sufficient for normal office operations as provided in similar office buildings, but not to exceed a total allowance of four (4) watts per square foot of Rentable Area during normal office hours (which includes an allowance for lighting of the Premises at the maximum wattage per square foot of Rentable Area permitted under applicable laws, ordinances, orders, rules and regulations), provided that no single item of electrical equipment consumes more than 0.5 kilowatts at rated capacity or requires a voltage other than 120 volts, single phase; and

(vi) Public elevator service and a freight elevator serving the floors on which the Premises are situated, during hours designated by Landlord.

(b) Landlord shall provide to Tenant at Tenant’s sole cost and expense (and subject to the limitations hereinafter set forth) the following extra services (collectively the “Extra Services”):

(i) Such extra cleaning and janitorial services requested by Tenant, and agreed to by Landlord, for special improvements or Alterations;

(ii) Subject to Paragraph 7(d) below, additional air conditioning and ventilating capacity required by reason of any electrical, data processing or other equipment or facilities or services required to support the same, in excess of that typically provided by the Building;

(iii) Maintaining and replacing lamps, bulbs, and ballasts;

(iv) Heating, ventilation, air conditioning or extra electrical service provided by Landlord to Tenant (i) during hours other than Business Hours, (ii) on Saturdays (after Business Hours), Sundays, or Holidays, said heating, ventilation and air conditioning or extra service to be furnished solely upon the prior written request of Tenant given with such advance notice as Landlord may reasonably require and Tenant shall pay to Landlord Landlord’s standard charge for overtime HVAC on an hourly basis (four hour minimum), which such standard charge as of the Effective Date of this Lease is \$25.00 per hour per unit; and

(v) Any Basic Service in amounts determined by Landlord to exceed the amounts required to be provided above, but only if Landlord elects to provide such additional or excess service. Tenant shall pay Landlord the cost of providing such additional services (or an amount equal to Landlord's reasonable estimate of such cost, if the actual cost is not readily ascertainable) together with an administration fee equal to five percent (5%) of such cost, within ten (10) days following presentation of an invoice therefore by Landlord to Tenant. The cost chargeable to Tenant for all extra services shall constitute Additional Rent.

(c) Tenant agrees to cooperate fully at all times with Landlord and to comply with all regulations and requirements which Landlord may from time to time prescribe for the use of the utilities and Basic Services described herein. Landlord shall not be liable to Tenant for the failure of any other tenant, or its assignees, subtenants, employees, or their respective invitees, licensees, agents or other representatives to comply with such regulations and requirements. The term "Business Hours" shall be deemed to be Monday through Friday from 6:00 A.M. to 6:00 P.M. and Saturday from 8:00 A.M. to 12:00 P.M., excepting Holidays. The term "Holidays" shall be deemed to mean and include New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

(d) If Tenant requires utilities or services in quantities greater than or at times other than that generally furnished by Landlord as set forth above, Tenant shall pay to Landlord, upon receipt of a written statement therefor, Landlord's charge for such use. In the event that Tenant shall require additional electric current, water or gas for use in the Premises and if, in Landlord's judgment, such excess requirements cannot be furnished unless additional risers, conduits, feeders, switchboards and/or appurtenances are installed in the Building, subject to the conditions stated below, Landlord shall proceed to install the same at the sole cost of Tenant, payable upon demand in advance. The installation of such facilities shall be conditioned upon Landlord's consent, and a determination that the installation and use thereof (i) shall be permitted by applicable Law and insurance regulations, (ii) shall not cause permanent damage or injury to the Building or adversely affect the value of the Building or the Project, and (iii) shall not cause or create a dangerous or hazardous condition or interfere with or disturb other tenants in the Building. Subject to the foregoing, Landlord shall, upon reasonable prior notice by Tenant, furnish to the Premises additional elevator, heating, air conditioning and/or cleaning services upon such reasonable terms and conditions as shall be determined by Landlord, including payment of Landlord's charge therefor. In the case of any additional utilities or services to be provided hereunder, Landlord may require a switch and metering system to be installed so as to measure the amount of such additional utilities or services. The cost of installation, maintenance and repair thereof shall be paid by Tenant upon demand. Notwithstanding the foregoing, Landlord shall have the right to contract with any utility provider it deems appropriate to provide utilities to the Project. Notwithstanding anything herein to the contrary, Tenant shall pay when due all bills for electricity used on the Premises on and after the Commencement Date. If a separate electric meter is not already present serving the Premises, Landlord, at Tenant's cost and expense, shall install a separate meter for the electricity used in the Premises. Tenant shall pay for the cost, repair, maintenance and replacement of such meter.

(e) Landlord shall not be liable for, and Tenant shall not be entitled to, any damages, abatement or reduction of Rent, or other liability by reason of any failure to furnish any services or utilities described herein for any reason (other than Landlord's sole negligence or willful misconduct), including, without limitation, when caused by accident, breakage, water leakage, flooding, repairs, Alterations or other improvements to the Project, strikes, lockouts or other labor disturbances or labor disputes of any character, governmental regulation, moratorium or other governmental action, inability to obtain electricity, water or fuel, or any other cause beyond Landlord's control. Landlord shall be entitled to cooperate with the energy conservation efforts of governmental agencies or utility suppliers. No such failure, stoppage or interruption of any such utility or service shall be construed as an eviction of Tenant, nor shall the same relieve Tenant from any obligation to perform any covenant or agreement under this Lease. In the event of any failure, stoppage or interruption thereof, Landlord shall use reasonable efforts to attempt to restore all services promptly. No representation is made by Landlord with respect to the adequacy or fitness of the Building's ventilating, air conditioning or other systems to maintain temperatures as may be required for the operation of any computer, data processing or other special equipment of Tenant. Tenant hereby waives the provisions of California Civil Code Section 1932(1) or any other applicable existing or future law, ordinance or governmental regulation permitting the termination of this Lease due to an interruption, failure or inability to provide any services.

(f) Landlord reserves the right from time to time to make reasonable and nondiscriminatory modifications to the above standards for Basic Services and Extra Services.

8. NON-LIABILITY AND INDEMNIFICATION OF LANDLORD: INSURANCE

(a) To the greatest extent permitted by Law, and except to the extent caused by Landlord's negligence or willful misconduct, Landlord shall not be liable for any injury, loss or damage suffered by Tenant or to any person or property occurring or incurred in or about the Premises, the Building or the Project from any cause. Without limiting the foregoing, neither Landlord nor any of its partners, officers, trustees, affiliates, directors, employees, contractors, agents or representatives (collectively, "Affiliates") shall be liable for and there shall be no abatement of Rent (except in the event of a casualty loss or a condemnation as set forth in Paragraph 9 and Paragraph 10 of this Lease) for (i) any damage to Tenant's property stored with or entrusted to Affiliates of Landlord, (ii) loss of or damage to any property by theft or any other wrongful or illegal act, or (iii) any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Building or the Project or from the pipes, appliances, appurtenances or plumbing works therein or from the roof, street or sub-surface or from any other place or resulting from dampness or any other cause whatsoever or from the acts or omissions of other tenants, occupants or other visitors to the Building or the Project or from any other cause whatsoever, (iv) any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Building, whether within or outside of the Project, or (v) any latent or other defect in the Premises, the Building or the Project. Tenant shall give prompt notice to Landlord in the event of (i) the occurrence of a fire or accident in the Premises or in the Building, or (ii) the discovery of a defect therein or in the fixtures or equipment thereof. This Paragraph 8(a) shall survive the expiration or earlier termination of this Lease.

(b) To the greatest extent permitted by Law, and except to the extent caused by Landlord's negligence or willful misconduct, Tenant hereby agrees to indemnify, protect, defend and hold harmless Landlord and its designated property management company, and their respective partners, members, affiliates and subsidiaries, and all of their respective officers, trustees, directors, shareholders, employees, servants, partners, representatives, insurers and agents (collectively, "Landlord Indemnitees") for, from and against all liabilities, claims, fines, penalties, costs, damages or injuries to persons, damages to property, losses, liens, causes of action, suits, judgments and expenses (including court costs, attorneys' fees, expert witness fees and costs of investigation), of any nature, kind or description of any person or entity, directly or indirectly arising out of, caused by, or resulting from (in whole or part) (1) Tenant's construction of, or use, occupancy or enjoyment of, the Premises, (2) any activity, work or other things done, permitted or suffered by Tenant and its agents and employees in or about the Premises, (3) any breach or default in the performance of any of Tenant's obligations under this Lease, (4) any act, omission, negligence or willful misconduct of Tenant or any of its agents, contractors, employees, business invitees or licensees, or (5) any damage to Tenant's property, or the property of Tenant's agents, employees, contractors, business invitees or licensees, located in or about the Premises (collectively, "Liabilities"). This Paragraph 8(b) shall survive the expiration or earlier termination of this Lease.

(c) Tenant shall promptly advise Landlord in writing of any action, administrative or legal proceeding or investigation as to which this indemnification may apply, and Tenant, at Tenant's expense, shall assume on behalf of each and every Landlord Indemnitee and conduct with due diligence and in good faith the defense thereof with counsel reasonably satisfactory to Landlord; provided, however, that any Landlord Indemnitee shall have the right, at its option, to be represented therein by advisory counsel of its own selection and at its own expense. In the event of failure by Tenant to fully perform in accordance with this Paragraph, Landlord, at its option, and without relieving Tenant of its obligations hereunder, may so perform, but all costs and expenses so incurred by Landlord in that event shall be reimbursed by Tenant to Landlord, together with interest on the same from the date any such expense was paid by Landlord until reimbursed by Tenant, at the rate of interest provided to be paid on judgments, by the law of the jurisdiction to which the interpretation of this Lease is subject. The indemnification provided in Paragraph 8(b) shall not be limited to damages, compensation or benefits payable under insurance policies, workers' compensation acts, disability benefit acts or other employees' benefit acts.

(d) Insurance.

(i) Tenant at all times during the Lease Term shall, at its own expense, keep in full force and effect (A) commercial general liability insurance providing coverage against bodily injury and disease, including death resulting therefrom and property damage to a combined single limit of \$1,000,000 to one or more than one person as the result of any one accident or occurrence, which shall include provision for contractual liability coverage insuring Tenant for the performance of its indemnity obligations set forth in this Paragraph 8 and in Paragraph 6(g)(ii) of this Lease, with an Excess Limits (Umbrella) Policy in the amount of \$1,000,000, (B) worker's compensation insurance to the statutory limit, if any, and employer's liability insurance to the limit of \$500,000 per occurrence, and (C) All Risk or Causes of Loss - Special Form property insurance, including fire and extended coverage, sprinkler leakage (including earthquake, sprinkler leakage), vandalism, malicious mischief, and wind and/or hurricane coverage, and flood coverage, covering full replacement value of all of Tenant's personal property, trade fixtures and improvements in the Premises. Landlord and its designated property management firm shall be named an additional insured on each of said policies (excluding the worker's compensation policy) and said policies shall be issued by an insurance company or companies authorized to do business in the State and which have policyholder ratings not lower than "A-" and financial ratings not lower than "VII" in Best's Insurance Guide (latest edition in effect as of the Effective Date and subsequently in effect as of the date of renewal of the required policies). EACH OF SAID POLICIES SHALL ALSO INCLUDE A WAIVER OF SUBROGATION PROVISION OR ENDORSEMENT IN FAVOR OF LANDLORD, AND AN ENDORSEMENT PROVIDING THAT LANDLORD SHALL RECEIVE THIRTY (30) DAYS PRIOR WRITTEN NOTICE OF ANY CANCELLATION OF, NONRENEWAL OF, REDUCTION OF COVERAGE OR MATERIAL CHANGE IN COVERAGE ON SAID POLICIES. Tenant hereby waives its right of recovery against any Landlord Indemnitee of any amounts paid by Tenant or on Tenant's behalf to satisfy applicable worker's compensation laws. The policies or duly executed certificates showing the material terms for the same, together with satisfactory evidence of the payment of the premiums therefor, shall be deposited with Landlord on the date Tenant first occupies the Premises and upon renewals of such policies not less than fifteen (15) days prior to the expiration of the term of such coverage. If certificates are supplied rather than the policies themselves, Tenant shall allow Landlord, at all reasonable times, to inspect the policies of insurance required herein.

(ii) It is expressly understood and agreed that the coverages required represent Landlord's minimum requirements and such are not to be construed to void or limit Tenant's obligations contained in this Lease, including without limitation Tenant's indemnity obligations hereunder. Neither shall (A) the insolvency, bankruptcy or failure of any insurance company carrying Tenant, (B) the failure of any insurance company to pay claims occurring nor (C) any exclusion from or insufficiency of coverage be held to affect, negate or waive any of Tenant's indemnity obligations under this Paragraph 8 and Paragraph 6(g)(ii), or any other provision of this Lease. With respect to insurance coverages, except worker's compensation, maintained hereunder by Tenant and insurance coverages separately obtained by Landlord, all insurance coverages afforded by policies of insurance maintained by Tenant shall be primary insurance as such coverages apply to Landlord, and such insurance coverages separately maintained by Landlord shall be excess, and Tenant shall have its insurance policies so endorsed. The amount of liability insurance under insurance policies maintained by Tenant shall not be reduced by the existence of insurance coverage under policies separately maintained by Landlord. Tenant shall be solely responsible for any premiums, assessments, penalties, deductible assumptions, retentions, audits, retrospective adjustments or any other kind of payment due under its policies. Tenant shall increase the amounts of insurance or the insurance coverages as Landlord may reasonably request from time to time, but not in excess of the requirements of prudent landlords or lenders for similar tenants occupying similar premises in the San Diego metropolitan area.

(iii) Tenant's occupancy of the Premises without delivering the certificates of insurance shall not constitute a waiver of Tenant's obligations to provide the required coverages. If Tenant provides to Landlord a certificate that does not evidence the coverages required herein, or that is faulty in any respect, such shall not constitute a waiver of Tenant's obligations to provide the proper insurance.

(iv) Throughout the Lease Term, Landlord agrees to maintain (i) fire and extended coverage insurance, and, at Landlord's option, earthquake damage coverage, terrorism coverage, wind and hurricane coverage, and such additional property insurance coverage as Landlord deems appropriate, on the insurable portions of Building and the remainder of the Project in an amount not less than the fair replacement value thereof, subject to reasonable deductibles (ii) boiler and machinery insurance amounts and with deductibles that would be considered standard for similar class office building in the metropolitan area in which the Premises is located, and (iii) commercial general liability insurance with a combined single limit coverage of at least \$1,000,000.00 per occurrence. All such insurance shall be obtained from insurers Landlord reasonably believes to be financially responsible in light of the risks being insured. The premiums for any such insurance shall be a part of Operating Expenses.

(e) Mutual Waivers of Recovery. Landlord, Tenant, and all parties claiming under them, each mutually release and discharge each other from responsibility for that portion of any loss or damage paid or reimbursed by an insurer of Landlord or Tenant under any fire, extended coverage or other property insurance policy maintained by Tenant with respect to its Premises or by Landlord with respect to the Building or the Project (or which would have been paid had the insurance required to be maintained hereunder been in full force and effect), no matter how caused, including negligence, and each waives any right of recovery from the other including, but not limited to, claims for contribution or indemnity, which might otherwise exist on account thereof. Any fire, extended coverage or property insurance policy maintained by Tenant with respect to the Premises, or Landlord with respect to the Building or the Project, shall contain, in the case of Tenant's policies, a waiver of subrogation provision or endorsement in favor of Landlord, and in the case of Landlord's policies, a waiver of subrogation provision or endorsement in favor of Tenant, or, in the event that such insurers cannot or shall not include or attach such waiver of subrogation provision or endorsement, Tenant and Landlord shall obtain the approval and consent of their respective insurers, in writing, to the terms of this Lease. Tenant agrees to indemnify, protect, defend and hold harmless each and all of the Landlord Indemnitees from and against any claim, suit or cause of action asserted or brought by Tenant's insurers for, on behalf of, or in the name of Tenant, including, but not limited to, claims for contribution, indemnity or subrogation, brought in contravention of this paragraph. Landlord agrees to indemnify, protect, defend and hold harmless each and all of Tenant and its affiliates, subsidiaries, and all of their respective officers, trustees, shareholders, employees, servants, partners, representatives, insurers and agents from and against any claim, suit or cause of action asserted or brought by Landlord's insurers for, on behalf of, or in the name of Landlord, including, but not limited to, claims for contribution, indemnity or subrogation, brought in contravention of this paragraph. The mutual releases, discharges and waivers contained in this provision shall apply EVEN IF THE LOSS OR DAMAGE TO WHICH THIS PROVISION APPLIES IS CAUSED SOLELY OR IN PART BY THE NEGLIGENCE OF LANDLORD OR TENANT.

(f) Business Interruption. Landlord shall not be responsible for, and Tenant releases and discharges Landlord from, and Tenant further waives any right of recovery from Landlord for, any loss for or from business interruption or loss of use of the Premises suffered by Tenant in connection with Tenant's use or occupancy of the Premises, EVEN IF SUCH LOSS IS CAUSED SOLELY OR IN PART BY THE NEGLIGENCE OF LANDLORD.

(g) Adjustment of Claims. Tenant shall cooperate with Landlord and Landlord's insurers in the adjustment of any insurance claim pertaining to the Building or the Project or Landlord's use thereof.

(h) Increase in Landlord's Insurance Costs. Tenant agrees to pay to Landlord any increase in premiums for Landlord's insurance policies resulting from Tenant's use or occupancy of the Premises.

(i) Failure to Maintain Insurance. Any failure of Tenant to obtain and maintain the insurance policies and coverages required hereunder or failure by Tenant to meet any of the insurance requirements of this Lease shall constitute an event of default hereunder, and such failure shall entitle Landlord to pursue, exercise or obtain any of the remedies provided for in Paragraph 12(b), and Tenant shall be solely responsible for any loss suffered by Landlord as a result of such failure. In the event of failure by Tenant to maintain the insurance policies and coverages required by this Lease or to meet any of the insurance requirements of this Lease, Landlord, at its option, and without relieving Tenant of its obligations hereunder, may obtain said insurance policies and coverages or perform any other insurance obligation of Tenant, but all costs and expenses incurred by Landlord in obtaining such insurance or performing Tenant's insurance obligations shall be reimbursed by Tenant to Landlord, together with interest on same from the date any such cost or expense was paid by Landlord until reimbursed by Tenant, at the rate of interest provided to be paid on judgments, by the law of the jurisdiction to which the interpretation of this Lease is subject.

**9. F I R E O R
CASUALTY**

(a) Subject to the provisions of this Paragraph 9, in the event the Premises, or access thereto, is wholly or partially destroyed by fire or other casualty, Landlord shall (to the extent permitted by Law and covenants, conditions and restrictions then applicable to the Project) rebuild, repair or restore the Premises and access thereto to substantially the same condition as existing immediately prior to such destruction (excluding Tenant's Alterations, trade fixtures, equipment and personal property, which Tenant shall be required to restore) and this Lease shall continue in full force and effect. Notwithstanding the foregoing, (i) Landlord's obligation to rebuild, repair or restore the Premises shall not apply to any personal property, above-standard tenant improvements or other items installed or contained in the Premises, and (ii) Landlord shall have no obligation whatsoever to rebuild, repair or restore the Premises with respect to any damage or destruction occurring during the last twelve (12) months of the term of this Lease or any extension of the term.

(b) Landlord may elect to terminate this Lease in any of the following cases of damage or destruction to the Premises, the Building or the Project: (i) where the cost of rebuilding, repairing and restoring (collectively, "Restoration") of the Building or the Project, would, regardless of the lack of damage to the Premises or access thereto, in the reasonable opinion of Landlord, exceed twenty percent (20%) of the then replacement cost of the Building; (ii) where, in the case of any damage or destruction to any portion of the Building or the Project by uninsured casualty, the cost of Restoration of the Building or the Project, in the reasonable opinion of Landlord, exceeds \$500,000; or (iii) where, in the case of any damage or destruction to the Premises or access thereto by uninsured casualty, the cost of Restoration of the Premises or access thereto, in the reasonable opinion of Landlord, exceeds twenty percent (20%) of the replacement cost of the Premises; or (iv) if Landlord has not obtained appropriate zoning approvals for reconstruction of the Project, Building or Premises. Any such termination shall be made by thirty (30) days' prior written notice to Tenant given within one hundred twenty (120) days of the date of such damage or destruction. If this Lease is not terminated by Landlord and as the result of any damage or destruction, the Premises, or a portion thereof, are rendered untenable, the Base Rent shall abate reasonably during the period of Restoration (based upon the extent to which such damage and Restoration materially interfere with Tenant's business in the Premises). This Lease shall be considered an express agreement governing any case of damage to or destruction of the Premises, the Building or the Project. This Lease sets forth the terms and conditions upon which this Lease may terminate in the event of any damage or destruction. Accordingly, the parties hereby waive the provisions of California Civil Code Section 1932, Subsection 2, and Section 1933, Subsection 4 (and any successor statutes thereof permitting the parties to terminate this Lease as a result of any damage or destruction).

10. EMINENT DOMAIN

In the event the whole of the Premises, the Building or the Project shall be taken under the power of eminent domain, or sold to prevent the exercise thereof (collectively, a "Taking"), this Lease shall automatically terminate as of the date of such Taking. In the event a Taking of a portion of the Project, the Building or the Premises shall, in the reasonable opinion of Landlord, substantially interfere with Landlord's operation thereof, Landlord may terminate this Lease upon thirty (30) days' written notice to Tenant given at any time within sixty (60) days following the date of such Taking. For purposes of this Lease, the date of Taking shall be the earlier of the date of transfer of title resulting from such Taking or the date of transfer of possession resulting from such Taking. In the event that a portion of the Premises is so taken and this Lease is not terminated, Landlord shall, to the extent of proceeds paid to Landlord as a result of the Taking, with reasonable diligence, use commercially reasonable efforts to proceed to restore (to the extent permitted by Law and covenants, conditions and restrictions then applicable to the Project) the Premises (other than Tenant's personal property and fixtures, and above-standard tenant improvements) to a complete, functioning unit. In such case, the Base Rent shall be reduced proportionately based on the portion of the Premises so taken. If all or any portion of the Premises is the subject of a temporary Taking, this Lease shall remain in full force and effect and Tenant shall continue to perform each of its obligations under this Lease; in such case, Tenant shall be entitled to receive the entire award allocable to the temporary Taking of the Premises. Except as provided herein, Tenant shall not assert any claim against Landlord or the condemning authority for, and hereby assigns to Landlord, any compensation in connection with any such Taking, and Landlord shall be entitled to receive the entire amount of any award therefor, without deduction for any estate or interest of Tenant. Nothing contained in this Paragraph 10 shall be deemed to give Landlord any interest in, or prevent Tenant from seeking any award against the condemning authority for the Taking of personal property, fixtures, above standard tenant improvements of Tenant or for relocation or moving expenses recoverable by Tenant from the condemning authority. This Paragraph 10 shall be Tenant's sole and exclusive remedy in the event of a Taking. This Lease sets forth the terms and conditions upon which this Lease may terminate in the event of a Taking. Accordingly, the parties waive the provisions of the California Code of Civil Procedure Section 1265.130 and any successor or similar statutes permitting the parties to terminate this Lease as a result of a Taking.

11. **A S S I G N M E N T A N D**
SUBLETTING

(a) Tenant shall not directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise, assign, sublet, mortgage or otherwise encumber all or any portion of its interest in this Lease or in the Premises or grant any license for any person other than Tenant or its employees to use or occupy the Premises or any part thereof without obtaining the prior written consent of Landlord, which consent shall not be unreasonably withheld. Any such attempted assignment, subletting, license, mortgage, other encumbrance or other use or occupancy without the consent of Landlord shall, at Landlord's option, be null and void and of no effect. Any mortgage, or encumbrance of all or any portion of Tenant's interest in this Lease or in the Premises and any grant of a license for any person other than Tenant or its employees to use or occupy the Premises or any part thereof shall be deemed to be an "assignment" of this Lease. In addition, as used in this Paragraph 11, the term "Tenant" shall also mean any entity that has guaranteed Tenant's obligations under this Lease, and the restrictions applicable to Tenant contained herein shall also be applicable to such guarantor.

(b) No assignment or subletting shall relieve Tenant of its obligation to pay the Rent and to perform all of the other obligations to be performed by Tenant hereunder. The acceptance of Rent by Landlord from any other person shall not be deemed to be a waiver by Landlord of any provision of this Lease or to be a consent to any subletting or assignment. Consent by Landlord to one subletting or assignment shall not be deemed to constitute a consent to any other or subsequent attempted subletting or assignment. If Tenant desires at any time to assign this Lease or to sublet the Premises or any portion thereof, it shall first notify Landlord of its desire to do so and shall submit in writing to Landlord all pertinent information relating to the proposed assignee or sublessee, all pertinent information relating to the proposed assignment or sublease, and all such financial information as Landlord may reasonably request concerning the Tenant and proposed assignee or subtenant. Any assignment or sublease shall be expressly subject to the terms and conditions of this Lease.

(c) At any time within thirty (30) days after Landlord's receipt of the information specified in subparagraph (b) above, Landlord may by written notice to Tenant elect to terminate this Lease as to the portion of the Premises so proposed to be subleased or assigned (which may include all of the Premises), with a proportionate abatement in the Rent payable hereunder.

(d) Tenant acknowledges that it shall be reasonable for Landlord to withhold its consent to a proposed assignment or sublease in any of the following instances:

- (i) The assignee or sublessee (or any affiliate of the assignee or sublessee) is not, in Landlord's reasonable opinion, sufficiently creditworthy to perform the obligations such assignee or sublessee will have under this Lease;
- (ii) The intended use of the Premises by the assignee or sublessee is not for general office use;
- (iii) The intended use of the Premises by the assignee or sublessee would materially increase the pedestrian or vehicular traffic to the Premises or the Building;

(iv) Occupancy of the Premises by the assignee or sublessee would, in the good faith judgment of Landlord, violate any agreement binding upon Landlord, the Building or the Project with regard to the identity of tenants, usage in the Building, or similar matters;

(v) The assignee or sublessee (or any affiliate of the assignee or sublessee) is then negotiating with Landlord or has negotiated with Landlord within the previous six (6) months, or is a current tenant or subtenant within the Building or Project;

(vi) The identity or business reputation of the assignee or sublessee will, in the good faith judgment of Landlord, tend to damage the goodwill or reputation of the Building or Project;

(vii) the proposed sublease would result in more than two subleases of portions of the Premises being in effect at any one time during the Lease Term; or

(viii) In the case of a sublease, the subtenant has not acknowledged that the Lease controls over any inconsistent provision in the sublease.

The foregoing criteria shall not exclude any other reasonable basis for Landlord to refuse its consent to such assignment or sublease. Notwithstanding any contrary provision of this Lease, if Tenant or any proposed assignee or sublessee claims that Landlord has unreasonably withheld its consent to a proposed assignment or sublease or otherwise has breached its obligations under this Paragraph 11, their sole remedy shall be to seek a declaratory judgment and/or injunctive relief without any monetary damages, and, with respect thereto, Tenant, on behalf of itself and, to the extent permitted by law, such proposed assignee/sublessee, hereby waives all other remedies against Landlord, including, without limitation, the right to seek monetary damages or to terminate this Lease.

(e) If any Tenant is a corporation, partnership or other entity that is not publicly traded on a recognized national stock exchange, any transaction or series of related or unrelated transactions (including, without limitation, any dissolution, merger, consolidation or other reorganization, any withdrawal or admission of a partner or change in a partner's interest, or any issuance, sale, gift, transfer or redemption of any capital stock or of ownership interest in such entity, whether voluntary, involuntary or by operation of law, or any combination of any of the foregoing transactions) resulting in the transfer of control of such Tenant, shall be deemed to be an assignment of this Lease subject to the provisions of this Section 11. The term "control" as used in this Section 11(e) means the power to directly or indirectly direct or cause the direction of the management or policies of Tenant. Any transfer of control of a subtenant which is a corporation or other entity shall be deemed an assignment of any sublease. Notwithstanding anything to the contrary in this Section 11(e), if the original Tenant under this Lease is a corporation, partnership or other entity, a change or series of changes in ownership of stock or other ownership interests which would result in direct or indirect change in ownership of less than fifty percent (50%) of the outstanding stock of or other ownership interests in such Tenant as of the date of the execution and delivery of this Lease shall not be considered a change of control.

(f) Notwithstanding any assignment or subletting, Tenant and any guarantor or surety of Tenant's obligations under this Lease shall at all times during the Initial Term and any subsequent renewals or extensions remain fully responsible and liable for the payment of the rent and for compliance with all of Tenant's other obligations under this Lease. In the event that the Rent due and payable by a sublessee or assignee (or a combination of the rental payable under such sublease or assignment, plus any bonus or other consideration therefor or incident thereto) exceeds the Rent payable under this Lease, then Tenant shall be bound and obligated to pay Landlord, as additional rent hereunder, one-half of all such excess Rent and other excess consideration within ten (10) days following receipt thereof by Tenant.

(g) If this Lease is assigned or if the Premises is subleased (whether in whole or in part), or in the event of the mortgage or pledge of Tenant's leasehold interest, or grant of any concession or license within the Premises, or if the Premises are occupied in whole or in part by anyone other than Tenant, then upon a default by Tenant hereunder Landlord may collect Rent from the assignee, sublessee, mortgagee, pledgee, concessionee or licensee or other occupant and, except to the extent set forth in the preceding paragraph, apply the amount collected to the next Rent payable hereunder; and all such Rent collected by Tenant shall be held in deposit for Landlord and immediately forwarded to Landlord. No such transaction or collection of Rent or application thereof by Landlord, however, shall be deemed a waiver of these provisions or a release of Tenant from the further performance by Tenant of its covenants, duties, or obligations hereunder.

(h) If Tenant effects an assignment or sublease or requests the consent of Landlord to any proposed assignment or sublease, then Tenant shall, upon demand, pay Landlord a non-refundable administrative fee of One Thousand Dollars (\$1,000.00), plus any reasonable attorneys' and paralegal fees and costs incurred by Landlord in connection with such assignment or sublease or request for consent. Acceptance of the One Thousand Dollar (\$1,000.00) administrative fee and/or reimbursement of Landlord's attorneys' and paralegal fees shall in no event obligate Landlord to consent to any proposed assignment or sublease.

(i) Notwithstanding any provision of this Lease to the contrary, in the event this Lease is assigned to any person or entity pursuant to the provisions of the Bankruptcy Code, any and all monies or other consideration payable or otherwise to be delivered in connection with such assignment shall be paid or delivered to Landlord, shall be and remain the exclusive property of Landlord and shall not constitute the property of Tenant or Tenant's estate within the meaning of the Bankruptcy Code. All such money and other consideration not paid or delivered to Landlord shall be held in trust for the benefit of Landlord and shall be promptly paid or delivered to Landlord.

(j) The joint and several liability of the Tenant named herein and any immediate and remote successor-in-interest of Tenant (by assignment or otherwise), and the due performance of the obligations of this Lease on Tenant's part to be performed or observed, shall not in any way be discharged, released or impaired by any (a) agreement that modifies any of the rights or obligations of the parties under this Lease, (b) stipulation that extends the time within which an obligation under this Lease is to be performed, (c) waiver of the performance of an obligation required under this Lease, or (d) failure to enforce any of the obligations set forth in this Lease.

(k) If Tenant is any form of partnership, a withdrawal or change, voluntary, involuntary or by operation of law of any partner, or the dissolution of the partnership, shall be deemed a voluntary assignment. If Tenant consists of more than one (1) person, a purported assignment, voluntary or involuntary or by operation of law from one (1) person to the other shall be deemed a voluntary assignment. If Tenant is a corporation or limited liability entity, any dissolution, merger, consolidation or other reorganization of Tenant, or sale or other transfer of a controlling percentage of the ownership interest of Tenant, or the sale of at least twenty-five percent (25%) of the value of the assets of Tenant shall be deemed a voluntary assignment.

12. DEFAULT

(a) Events of Default. The occurrence of any one or more of the following events shall constitute an "event of default" or "default" (herein so called) under this Lease by Tenant: (i) Tenant shall fail to pay Rent or any other rental or sums payable by Tenant hereunder within five (5) days after Landlord notifies Tenant of such nonpayment; provided, however, Landlord shall only be obligated to provide such written notice to Tenant one (1) time within any calendar year and in the event Tenant fails to timely pay Rent or any other sums for a second time during any calendar year, then Tenant shall be in default for such late payment and Landlord shall have no obligation or duty to provide notice of such non-payment to Tenant prior to declaring an event of default under this Lease; (ii) the failure by Tenant to observe or perform any of the express or implied covenants or provisions of this Lease to be observed or performed by Tenant, other than monetary failures as specified in Paragraph 12(a)(i) above, where such failure shall continue for a period of ten (10) days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than ten (10) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant shall commence such cure within said ten (10) day period and thereafter diligently prosecute such cure to completion, which completion shall occur not later than sixty (60) days from the date of such notice from Landlord; (iii) the making by Tenant or any guarantor hereof of any general assignment for the benefit of creditors, (iv) the filing by or against Tenant or any guarantor hereof of a petition to have Tenant or any guarantor hereof adjudged a bankrupt or a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Tenant or any guarantor hereof, the same is dismissed within sixty (60) days), (v) the appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease or of substantially all of guarantor's assets, where possession is not restored to Tenant or guarantor within sixty (60) days, (vi) the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of substantially all of guarantor's assets or of Tenant's interest in this Lease where such seizure is not discharged within sixty (60) days; (vii) any material representation or warranty made by Tenant or guarantor in this Lease or any other document delivered in connection with the execution and delivery of this Lease or pursuant to this Lease proves to be incorrect in any material respect; (viii) Tenant or guarantor shall be liquidated or dissolved or shall begin proceedings towards its liquidation or dissolution; or (ix) the vacation or abandonment of the Premises by Tenant in excess of five (5) business days.

Any notice sent by Landlord to Tenant pursuant to this Paragraph 12(a) shall be in lieu of, and not in addition to, any notice required under California Code of Civil Procedure Section 1161.

(b) Landlord's Remedies: Termination. In the event of any event of default by Tenant, in addition to any other remedies available to Landlord under this Lease, at law or in equity, Landlord shall have the immediate option to terminate this Lease and all rights of Tenant hereunder and Landlord shall have all the rights and remedies of a Landlord provided by Section 1951.2 of the California Civil Code. In the event that Landlord shall elect to so terminate this Lease, then Landlord may recover from Tenant:

(i) the worth at the time of award of any unpaid rent which had been earned at the time of such termination; plus

(ii) the worth at the time of the award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; plus

(iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which, in the ordinary course of things, would be likely to result therefrom including, but not limited to: unamortized Tenant Improvement costs; attorneys' fees; brokers' commissions; the costs of refurbishment, alterations, renovation and repair of the Premises; and removal (including the repair of any damage caused by such removal) and storage (or disposal) of Tenant's personal property, equipment, fixtures, Tenant Changes, Tenant Improvements and any other items which Tenant is required under this Lease to remove but does not remove.

As used in subparagraph (i) and subparagraph (ii) of Paragraph 12(b) above, the "worth at the time of award" is computed by allowing interest at the Default Rate (as defined below). As used in subparagraph (iii) of Paragraph 12(b) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

(c) Landlord's Remedies: Re-Entry Rights. In the event of any event of default by Tenant, in addition to any other remedies available to Landlord under this Lease, at law or in equity, Landlord shall also have the right, with or without terminating this Lease, to re-enter the Premises and remove all persons and property from the Premises; such property may be removed, stored and/or disposed of pursuant to Paragraph 5(c) of this Lease or any other procedures permitted by applicable law. No re-entry or taking possession of the Premises by Landlord pursuant to this Paragraph 12(c), and no acceptance of surrender of the Premises or other action on Landlord's part, shall be construed as an election to terminate this Lease unless a written notice of such intention be given to Tenant or unless the termination thereof be decreed by a court of competent jurisdiction.

(d) Continuation of Lease. Landlord shall have the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any event of default by Tenant, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all Rent as it becomes due.

(e) Landlord's Right to Perform. Except as specifically provided otherwise in this Lease, all covenants and agreements by Tenant under this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any abatement or offset of Rent. If Tenant shall fail to pay any sum of money (other than Base Rent) or perform any other act on its part to be paid or performed hereunder and such failure shall continue for three (3) days with respect to monetary obligations (or ten (10) days with respect to non-monetary obligations, except in case of emergencies, in which such case, such shorter period of time as is reasonable under the circumstances) after Tenant's receipt of written notice thereof from Landlord, Landlord may, without waiving or releasing Tenant from any of Tenant's obligations, make such payment or perform such other act on behalf of Tenant. All sums so paid by Landlord and all necessary incidental costs incurred by Landlord in performing such other acts shall be payable by Tenant to Landlord within five (5) days after demand therefor as Additional Rent.

(f) Interest. If any monthly installment of Rent or Operating Expenses, or any other amount payable by Tenant hereunder is not received by Landlord by the date when due, it shall bear interest at the Default Rate from the date due until paid. All interest, and any late charges imposed pursuant to Paragraph 12(g) below, shall be considered Additional Rent due from Tenant to Landlord under the terms of this Lease. The term "Default Rate" as used in this Lease shall mean the lesser of (A) the rate announced from time to time by Wells Fargo Bank or, if Wells Fargo Bank ceases to exist or ceases to publish such rate, then the rate announced from time to time by the largest (as measured by deposits) chartered bank operating in the State, as its "prime rate" or "reference rate", plus five percent (5%), or (B) the maximum rate of interest permitted by Law.

(g) Late Charges. Tenant acknowledges that, in addition to interest costs, the late payments by Tenant to Landlord of any monthly installment of Base Rent, Additional Rent or other sums due under this Lease will cause Landlord to incur costs not contemplated by this Lease, the exact amount of such costs being extremely difficult and impractical to fix. Such other costs include, without limitation, processing, administrative and accounting charges and late charges that may be imposed on Landlord by the terms of any mortgage, deed to secure debt, deed of trust or related loan documents encumbering the Premises, the Building or the Project. Accordingly, if any monthly installment of Base Rent, Additional Rent or any other amount payable by Tenant hereunder is not received by Landlord by the due date thereof, Tenant shall pay to Landlord an additional sum of five percent (5%) of the overdue amount as a late charge, but in no event more than the maximum late charge allowed by law. The parties agree that such late charge represents a fair and reasonable estimate of the costs that Landlord will incur by reason of any late payment as hereinabove referred to by Tenant, and the payment of late charges and interest are distinct and separate in that the payment of interest is to compensate Landlord for the use of Landlord's money by Tenant, while the payment of late charges is to compensate Landlord for Landlord's processing, administrative and other costs incurred by Landlord as a result of Tenant's delinquent payments. Acceptance of a late charge or interest shall not constitute a waiver of Tenant's default with respect to the overdue amount or prevent Landlord from exercising any of the other rights and remedies available to Landlord under this Lease or at law or in equity now or hereafter in effect.

(h) Rights and Remedies Cumulative. All rights, options and remedies of Landlord contained in this Paragraph 12 and elsewhere in this Lease shall be construed and held to be cumulative, and no one of them shall be exclusive of the other, and Landlord shall have the right to pursue any one or all of such remedies or any other remedy or relief which may be provided by law or in equity, whether or not stated in this Lease. Nothing in this Paragraph 12 shall be deemed to limit or otherwise affect Tenant's indemnification of Landlord pursuant to any provision of this Lease.

(i) Tenant's Waiver of Redemption. Tenant hereby waives and surrenders for itself and all those claiming under it, including creditors of all kinds, (i) any right and privilege which it or any of them may have under any present or future law to redeem any of the Premises or to have a continuance of this Lease after termination of this Lease or of Tenant's right of occupancy or possession pursuant to any court order or any provision hereof, and (ii) the benefits of any present or future law which exempts property from liability for debt or for distress for Rent.

(j) Costs Upon Default and Litigation. Tenant shall pay to Landlord and its mortgagees as Additional Rent all the expenses incurred by Landlord or its mortgagees in connection with any default by Tenant hereunder or the exercise of any remedy by reason of any default by Tenant hereunder, including reasonable attorneys' fees and expenses. If Landlord or its mortgagees shall be made a party to any litigation commenced against Tenant or any litigation pertaining to this Lease or the Premises, at the option of Landlord and/or its mortgagees, Tenant, at its expense, shall provide Landlord and/or its mortgagees with counsel approved by Landlord and/or its mortgagees and shall pay all costs incurred or paid by Landlord and/or its mortgagees in connection with such litigation.

13. ACCESS: CONSTRUCTION

Landlord reserves from the leasehold estate hereunder, in addition to all other rights reserved by Landlord under this Lease, the right to use the roof and exterior walls of the Premises and the area beneath, adjacent to and above the Premises. Landlord also reserves the right to install, use, maintain, repair, replace and relocate equipment, machinery, meters, pipes, ducts, plumbing, conduits and wiring through the Premises, which serve other portions of the Building or the Project in a manner and in locations which do not unreasonably interfere with Tenant's use of the Premises. In addition, Landlord shall have free access to any and all mechanical installations of Landlord or Tenant, including, without limitation, machine rooms, telephone rooms and electrical closets. Tenant agrees that there shall be no construction of partitions or other obstructions which materially interfere with or which threaten to materially interfere with Landlord's free access thereto, or materially interfere with the moving of Landlord's equipment to or from the enclosures containing said installations. Landlord shall at all reasonable times, during normal business hours and after reasonable written or oral notice, have the right to enter the Premises to inspect the same, to supply janitorial service and any other service to be provided by Landlord to Tenant hereunder, to exhibit the Premises to prospective purchasers, lenders or tenants, to post notices of non-responsibility, to alter, improve, restore, rebuild or repair the Premises or any other portion of the Building, or to do any other act permitted or contemplated to be done by Landlord hereunder, all without being deemed guilty of an eviction of Tenant and without liability for abatement of Rent or otherwise. For such purposes, Landlord may also erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed. Landlord shall conduct all such inspections and/or improvements, alterations and repairs so as to minimize, to the extent reasonably practical and without material additional expense to Landlord, any interruption of or interference with the business of Tenant. Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises, and any other loss occasioned thereby. For each of such purposes, Landlord shall at all times have and retain a key with which to unlock all of the doors in, upon and about the Premises (excluding Tenant's vaults and safes, access to which shall be provided by Tenant upon Landlord's reasonable request). Landlord shall have the right to use any and all means which Landlord may deem proper in an emergency in order to obtain entry to the Premises or any portion thereof, and Landlord shall have the right, at any time during the Lease Term, to provide whatever access control measures it deems reasonably necessary to the Project, without any interruption or abatement in the payment of Rent by Tenant. Any entry into the Premises obtained by Landlord by any of such means shall not under any circumstances be construed to be a forcible or unlawful entry into, or a detainer of, the Premises, or any eviction of Tenant from the Premises or any portion thereof. No provision of this Lease shall be construed as obligating Landlord to perform any repairs, Alterations or decorations to the Premises or the Project except as otherwise expressly agreed to be performed by Landlord pursuant to the provisions of this Lease.

14. BANKRUPTCY

(a) If at any time on or before the Commencement Date there shall be filed by or against Tenant in any court, tribunal, administrative agency or any other forum having jurisdiction, pursuant to any applicable law, either of the United States or of any state, a petition in bankruptcy or insolvency or for reorganization or for the appointment of a receiver, trustee or conservator of all or a portion of Tenant's property, or if Tenant makes an assignment for the benefit of creditors, this Lease shall ipso facto be canceled and terminated and in such event neither Tenant nor any person claiming through or under Tenant or by virtue of any applicable law or by an order of any court, tribunal, administrative agency or any other forum having jurisdiction, shall be entitled to possession of the Premises and Landlord, in addition to the other rights and remedies given by Paragraph 12 hereof or by virtue of any other provision contained in this Lease or by virtue of any applicable law, may retain as damages any Rent, Security Deposit or moneys received by it from Tenant or others on behalf of Tenant.

(b) If, after the Commencement Date, or if at any time during the term of this Lease, there shall be filed against Tenant in any court, tribunal, administrative agency or any other forum having jurisdiction, pursuant to any applicable law, either of the United States or of any state, a petition in bankruptcy or insolvency or for reorganization or for the appointment of a receiver, trustee or conservator of all or a portion of Tenant's property, and the same is not dismissed after sixty (60) calendar days, or if Tenant makes an assignment for the benefit of creditors, this Lease, at the option of Landlord exercised within a reasonable time after notice of the happening of any one or more of such events, may be canceled and terminated and in such event neither Tenant nor any person claiming through or under Tenant or by virtue of any statute or of an order of any court shall be entitled to possession or to remain in possession of the Premises, but shall forthwith quit and surrender the Premises, and Landlord, in addition to the other rights and remedies granted by Paragraph 12 hereof or by virtue of any other provision contained in this Lease or by virtue of any applicable law, may retain as damages any Rent, Security Deposit or moneys received by it from Tenant or others on behalf of Tenant.

15. SUBSTITUTION OF PREMISES

Subject to the conditions specified in this Paragraph 15, Landlord reserves the right without Tenant's consent, on forty-five (45) days' prior written notice to Tenant, to substitute other premises within the Project for the Premises. In each such case, the substituted premises shall (a) contain at least substantially the same Rentable Area as the Premises, (b) contain comparable tenant improvements, and (c) be made available to Tenant at the then current rental rate for such space, which in no event, shall exceed the per square foot rental rate for the Premises in effect under this Lease for the Premises at the time of such substitution, including any abated Base Rent as set forth in the Base Rent schedule of the Basic Lease Provisions. Landlord shall pay all reasonable moving expenses of Tenant incidental to such substitution of premises.

16. SUBORDINATION; ATTORNMENT; ESTOPPEL CERTIFICATES

(a) Tenant agrees that this Lease and the rights of Tenant hereunder shall be subject and subordinate to any and all deeds to secure debt, deeds of trust, security interests, mortgages, master leases, ground leases or other security documents and any and all modifications, renewals, extensions, consolidations and replacements thereof (collectively, "Security Documents") which now or hereafter constitute a lien upon or affect the Project, the Building or the Premises. Such subordination shall be effective without the necessity of the execution by Tenant of any additional document for the purpose of evidencing or effecting such subordination. In addition, Landlord shall have the right to subordinate or cause to be subordinated any such Security Documents to this Lease and in such case, in the event of the termination or transfer of Landlord's estate or interest in the Project by reason of any termination or foreclosure of any such Security Documents, Tenant shall, notwithstanding such subordination, attorn to and become the Tenant of the successor-in-interest to Landlord at the option of such successor-in-interest. Furthermore, Tenant shall within fifteen (15) days of demand therefor execute any instruments or other documents which may be required by Landlord or the holder of any Security Document and specifically shall execute, acknowledge and deliver within fifteen (15) days of demand therefor a subordination of lease or subordination of deed of trust or mortgage, in the form required by the holder of the Security Document requesting the document; the failure to do so by Tenant within such time period shall be a material default hereunder; provided, however, the new landlord or the holder of any Security Document shall agree that Tenant's quiet enjoyment of the Premises shall not be disturbed as long as Tenant is not in default under this Lease.

(b) If any proceeding is brought for default under any ground or master lease to which this Lease is subject or in the event of foreclosure or the exercise of the power of sale under any mortgage, deed of trust or other Security Document made by Landlord covering the Premises, at the election of such ground lessor, master lessor or purchaser at foreclosure, Tenant shall attorn to and recognize the same as Landlord under this Lease, provided such successor expressly agrees in writing to be bound to all future obligations by the terms of this Lease, and if so requested, Tenant shall enter into a new lease with that successor on the same terms and conditions as are contained in this Lease (for the unexpired term of this Lease then remaining). Tenant hereby waives its rights under any current or future law which gives or purports to give Tenant any right to terminate or otherwise adversely affect this Lease and the obligations of Tenant hereunder in the event of any such foreclosure proceeding or sale.

(c) In addition to any statutory lien for Rent in Landlord's favor, Landlord (the secured party for purposes hereof) shall have and Tenant (the debtor for purposes hereof) hereby grants to Landlord, an express contract lien and a continuing security interest to secure the payment of all Rent due hereunder from Tenant, upon all goods, wares, equipment, fixtures, furniture, inventory and other personal property of Tenant (and any transferees or other occupants of the Premises) presently or hereafter situated on the Premises and upon all proceeds of any insurance which may accrue to Tenant by reason of damage or destruction of any such property. In the event of a default under this Lease, Landlord shall have, in addition to any other remedies provided herein or by law, all rights and remedies under the Uniform Commercial Code of the state in which the Premises is located, including without limitation the right to sell the property described in this paragraph at public or private sale upon ten (10) days' notice to Tenant, which notice Tenant hereby agrees is adequate and reasonable. Tenant hereby agrees to execute such other instruments necessary or desirable in Landlord's discretion to perfect the security interest hereby created. Any statutory lien for Rent is not hereby waived, the express contractual lien herein granted being in addition and supplementary thereto. Landlord and Tenant agree that this Lease and the security interest granted herein serve as a financing statement, and a copy or photographic or other reproduction of this paragraph of this Lease may be filed of record by Landlord and have the same force and effect as the original. Tenant warrants and represents that the collateral subject to the security interest granted herein is not purchased or used by Tenant for personal, family or household purposes. Tenant further warrants and represents to Landlord that the lien granted herein constitutes a first and superior lien and that Tenant will not allow the placing of any other lien upon any of the property described in this paragraph without the prior written consent of Landlord. Notwithstanding the provisions of this Paragraph 16(c) to the contrary, if Tenant desires to obtain a loan secured by Tenant's personal property in the Premises and requests that Landlord execute a lien waiver in connection therewith, Landlord shall, in its reasonable discretion, based upon Landlord's review of Tenant's financial condition, agree to subordinate its lien rights to the rights of Tenant's lender pursuant to a lien subordination on Landlord's standard form, provided that Tenant delivers such request in writing to Landlord together with a nonrefundable processing fee in the amount of Three Hundred Dollars (\$300.00). Notwithstanding the foregoing, however, if Landlord incurs processing costs (including attorneys' fees) in connection with any such request which exceed Three Hundred Dollars (\$300.00), then Tenant shall reimburse Landlord for such excess within three (3) business days following Tenant's receipt of invoice(s) therefor from Landlord. Nothing in this Paragraph 16(c) shall permit Tenant to encumber its leasehold interest in the Premises.

(d) Tenant shall, upon not less than ten (10) days' prior notice by Landlord, execute, acknowledge and deliver to Landlord a statement in writing certifying to those facts for which certification has been requested by Landlord or any current or prospective purchaser, holder of any Security Document, ground lessor or master lessor, including, but without limitation, that (i) this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Base Rent, Additional Rent and other charges hereunder have been paid, if any, and (iii) whether or not to the best knowledge of Tenant, Landlord is in default in the performance of any covenant, agreement or condition contained in this Lease and, if so, specifying each such default of which Tenant may have knowledge. The form of the statement attached hereto as Exhibit D is hereby approved by Tenant for use pursuant to this subparagraph (d); however, at Landlord's option, Landlord shall have the right to use other forms for such purpose. Tenant's failure to execute and deliver such statement within such time shall, at the option of Landlord, constitute a material default under this Lease and, in any event, shall be conclusive upon Tenant that this Lease is in full force and effect without modification except as may be represented by Landlord in any such certificate prepared by Landlord and delivered to Tenant for execution. Any statement delivered pursuant to this Paragraph 16 may be relied upon by any prospective purchaser of the fee of the Building or the Project or any mortgagee, ground lessor or other like encumbrances thereof or any assignee of any such encumbrance upon the Building or the Project.

17. SALE BY LANDLORD: TENANT'S REMEDIES; NONRECOURSE LIABILITY

(a) In the event of a sale or conveyance by Landlord of the Building or the Project, Landlord shall be released from any and all liability under this Lease. If the Security Deposit has been deposited by Tenant to Landlord prior to such sale or conveyance, Landlord shall transfer the Security Deposit to the purchaser, and upon delivery to Tenant of notice thereof, Landlord shall be discharged from any further liability in reference thereto.

(b) Landlord shall not be in default of any obligation of Landlord hereunder unless Landlord fails to perform any of its obligations under this Lease within thirty (30) days after receipt of written notice of such failure from Tenant; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for its performance, Landlord shall not be in default if Landlord commences to cure such default within the thirty (30) day period and thereafter diligently prosecutes the same to completion. All obligations of Landlord under this Lease will be binding upon Landlord only during the period of its ownership of the Project and not thereafter. All obligations of Landlord hereunder shall be construed as covenants, not conditions; and, except as may be otherwise expressly provided in this Lease, Tenant may not terminate this Lease for breach of Landlord's obligations hereunder.

(c) Notwithstanding anything contained in this Lease to the contrary, the obligations of Landlord under this Lease (including any actual or alleged breach or default by Landlord) do not constitute personal obligations of the individual partners, directors, officers, trustees, members or shareholders of Landlord or Landlord's members or partners, and Tenant shall not seek recourse against the individual partners, directors, officers, trustees, members or shareholders of Landlord or against Landlord's members or partners or against any other persons or entities having any interest in Landlord, or against any of their personal assets for satisfaction of any liability with respect to this Lease. Any liability of Landlord for a default by Landlord under this Lease, or a breach by Landlord of any of its obligations under the Lease, shall be limited solely to its interest in the Project, and in no event shall any personal liability be asserted against Landlord in connection with this Lease nor shall any recourse be had to any other property or assets of Landlord, its partners, directors, officers, trustees, members, shareholders or any other persons or entities having any interest in Landlord. Tenant's sole and exclusive remedy for a default or breach of this Lease by Landlord shall be either (i) an action for damages, or (ii) an action for injunctive relief; Tenant hereby waiving and agreeing that Tenant shall have no offset rights or right to terminate this Lease on account of any breach or default by Landlord under this Lease. Under no circumstances whatsoever shall Landlord ever be liable for punitive, consequential or special damages under this Lease and Tenant waives any rights it may have to such damages under this Lease in the event of a breach or default by Landlord under this Lease.

(d) As a condition to the effectiveness of any notice of default given by Tenant to Landlord, Tenant shall also concurrently give such notice under the provisions of Paragraph 17(b) to each beneficiary under a Security Document encumbering the Project of whom Tenant has received written notice (such notice to specify the address of the beneficiary). In the event Landlord shall fail to cure any breach or default within the time period specified in subparagraph (b), then prior to the pursuit of any remedy therefor by Tenant, each such beneficiary shall have an additional thirty (30) days within which to cure such default, or if such default cannot reasonably be cured within such period, then each such beneficiary shall have such additional time as shall be necessary to cure such default, provided that within such thirty (30) day period, such beneficiary has commenced and is diligently pursuing the remedies available to it which are necessary to cure such default (including, without limitation, as appropriate, commencement of foreclosure proceedings).

18. PARKING; COMMON AREAS

(a) Tenant shall have the right to the use of the number of parking spaces located in the parking areas of the Project specified in *Item 13* of the Basic Lease Provisions for the parking of operational motor vehicles used by Tenant, its officers and employees only. Landlord reserves the right, at any time upon written notice to Tenant, to designate the location of Tenant's parking spaces as determined by Landlord in its reasonable discretion. The use of such spaces shall be subject to the rules and regulations adopted by Landlord from time to time for the use of the parking areas. Landlord further reserves the right to make such changes to the parking system as Landlord may deem necessary or reasonable from time to time; i.e., Landlord may provide for one or a combination of parking systems, including, without limitation, self-parking, single or double stall parking spaces, and valet assisted parking. Except as otherwise expressly agreed to in this Lease, Tenant agrees that Tenant, its officers and employees shall not be entitled to park in any reserved or specially assigned areas designated by Landlord from time to time in the Project's parking areas, except for those reserved stalls mutually approved by Landlord and Tenant and designated to Tenant under *Item 13* of the Basic Lease Provisions. Landlord may require execution of an agreement with respect to the use of such parking areas by Tenant and/or its officers and employees in form reasonably satisfactory to Landlord as a condition of any such use by Tenant, its officers and employees. A default by Tenant, its officers or employees in the payment of such charges, the compliance with such rules and regulations, or the performance of such agreement(s) shall constitute a material default by Tenant hereunder. Tenant shall not permit or allow any vehicles that belong to or are controlled by Tenant or Tenant's officers, employees, suppliers, shippers, customers or invitees to be loaded, unloaded or parked in areas other than those designated by Landlord for such activities. If Tenant permits or allows any of the prohibited activities described in this Paragraph, then Landlord shall have the right, without notice, in addition to such other rights and remedies that it may have, to remove or tow away the vehicle involved and charge the cost to Tenant, which cost shall be immediately payable upon demand by Landlord.

(b) Subject to subparagraph (c) below and the remaining provisions of this Lease, Tenant shall have the nonexclusive right, in common with others, to the use of such entrances, lobbies, fire vestibules, restrooms (excluding restrooms on any full floors leased by a tenant), mechanical areas, ground floor corridors, elevators and elevator foyers, electrical and janitorial closets, telephone and equipment rooms, loading and unloading areas, the Project's plaza areas, if any, ramps, drives, stairs, and similar access ways and service ways and other common areas and facilities in and adjacent to the Building and the Project as are designated from time to time by Landlord for the general nonexclusive use of Landlord, Tenant and the other tenants of the Project and their respective employees, agents, representatives, licensees and invitees ("Common Areas"). The use of such Common Areas shall be subject to the rules and regulations contained herein and the provisions of any covenants, conditions and restrictions affecting the Building or the Project. Tenant shall keep all of the Common Areas free and clear of any obstructions created or permitted by Tenant or resulting from Tenant's operations, and shall use the Common Areas only for normal activities, parking and ingress and egress by Tenant and its employees, agents, representatives, licensees and invitees to and from the Premises, the Building or the Project. If, in the reasonable opinion of Landlord, unauthorized persons are using the Common Areas by reason of the presence of Tenant in the Premises, Tenant, upon demand of Landlord, shall correct such situation by appropriate action or proceedings against all such unauthorized persons. Nothing herein shall affect the rights of Landlord at any time to remove any such unauthorized persons from said areas or to prevent the use of any of said areas by unauthorized persons. Landlord reserves the right to make such changes, alterations, additions, deletions, improvements, repairs or replacements in or to the Building, the Project (including the Premises) and the Common Areas as Landlord may reasonably deem necessary or desirable, including, without limitation, constructing new buildings and making changes in the location, size, shape and number of driveways, entrances, parking spaces, parking areas, loading areas, landscaped areas and walkways; provided, however, that (i) there shall be no unreasonable permanent obstruction of access to or use of the Premises resulting therefrom, and (ii) Landlord shall use commercially reasonable efforts to minimize any interruption with Tenant's use of the Premises. In the event that the Project is not completed on the date of execution of this Lease, Landlord shall have the sole judgment and discretion to determine the architecture, design, appearance, construction, workmanship, materials and equipment with respect to construction of the Project. Notwithstanding any provision of this Lease to the contrary, the Common Areas shall not in any event be deemed to be a portion of or included within the Premises leased to Tenant and the Premises shall not be deemed to be a portion of the Common Areas. This Lease is granted subject to the terms hereof, the rights and interests of third parties under existing liens, ground leases, easements and encumbrances affecting such property, all zoning regulations, rules, ordinances, building restrictions and other laws and regulations now in effect or hereafter adopted by any governmental authority having jurisdiction over the Project or any part thereof.

(c) Notwithstanding any provision of this Lease to the contrary, Landlord specifically reserves the right to redefine the term "Project" for purposes of allocating and calculating Operating Expenses so as to include or exclude areas as Landlord shall from time to time determine or specify (and any such determination or specification shall be without prejudice to Landlord's right to revise thereafter such determination or specification). In addition, Landlord shall have the right to contract or otherwise arrange for amenities, services or utilities (the cost of which is included within Operating Expenses) to be on a common or shared basis to both the Project (i.e., the area with respect to which Operating Expenses are determined) and adjacent areas not included within the Project, so long as the basis on which the cost of such amenities, services or utilities is allocated to the Project is determined on an arms-length basis or some other basis reasonably determined by Landlord. In the case where the definition of the Project is revised for purposes of the allocation or determination of Operating Expenses, Tenant's Proportionate Share shall be appropriately revised to equal the percentage share of all Rentable Area contained within the Project (as then defined) represented by the Premises. The Rentable Area of the Project is subject to adjustment by Landlord from time to time to reflect any remeasurement thereof by Landlord's architect, at Landlord's request, and/or as a result of any additions or deletions to any of the buildings in the Project as designated by Landlord. Landlord shall have the sole right to determine which portions of the Project and other areas, if any, shall be served by common management, operation, maintenance and repair. Landlord shall also have the right, in its sole discretion, to allocate and prorate any portion or portions of the Operating Expenses on a building-by-building basis, on an aggregate basis of all buildings in the Project, or any other reasonable manner, and if allocated on a building-by-building basis, then Tenant's Proportionate Share shall, as to the portion of the Operating Expenses so allocated, be based on the ratio of the Rentable Area of the Premises to the Rentable Area of the Building. Landlord shall have the exclusive rights to the airspace above and around, and the subsurface below, the Premises and other portions of the Building and Project.

19. MISCELLANEOUS

(a) Attorneys' Fees. In the event of any legal action or proceeding brought by either party against the other arising out of this Lease, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs (including, without limitation, court costs and expert witness fees) incurred in such action. Such amounts shall be included in any judgment rendered in any such action or proceeding.

(b) Waiver. No waiver by Landlord of any provision of this Lease or of any breach by Tenant hereunder shall be deemed to be a waiver of any other provision hereof, or of any subsequent breach by Tenant. Landlord's consent to or approval of any act by Tenant requiring Landlord's consent or approval under this Lease shall not be deemed to render unnecessary the obtaining of Landlord's consent to or approval of any subsequent act of Tenant. No act or thing done by Landlord or Landlord's agents during the term of this Lease shall be deemed an acceptance of a surrender of the Premises, unless in writing signed by Landlord. The delivery of the keys to any employee or agent of Landlord shall not operate as a termination of the Lease or a surrender of the Premises. The acceptance of any Rent by Landlord following a breach of this Lease by Tenant shall not constitute a waiver by Landlord of such breach or any other breach unless such waiver is expressly stated in a writing signed by Landlord.

(c) Notices. Any notice, demand, request, consent, approval, disapproval or certificate ("Notice") required or desired to be given under this Lease shall be in writing and given by certified mail, return receipt requested, by personal delivery or by a nationally recognized overnight delivery service (such as Federal Express or UPS) providing a receipt for delivery. Notices may not be given by facsimile. The date of giving any Notice shall be deemed to be the date upon which delivery is actually made by one of the methods described in this Section 19(c) (or attempted if said delivery is refused or rejected). If a Notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day. All notices, demands, requests, consents, approvals, disapprovals, or certificates shall be addressed at the address specified in *Item 14* of the Basic Lease Provisions or to such other addresses as may be specified by written notice from Landlord to Tenant and if to Tenant, at the Premises. Either party may change its address by giving reasonable advance written Notice of its new address in accordance with the methods described in this Paragraph; provided, however, no notice of either party's change of address shall be effective until fifteen (15) days after the addressee's actual receipt thereof. For the purpose of this Lease, Landlord's counsel may provide Notices to Tenant on behalf of Landlord and such notices shall be binding on Tenant as if such notices have been provided directly by Landlord.

(d) Access Control. Landlord shall be the sole determinant of the type and amount of any access control or courtesy guard services to be provided to the Project, if any. IN ALL EVENTS, LANDLORD SHALL NOT BE LIABLE TO TENANT, AND TENANT HEREBY WAIVES ANY CLAIM AGAINST LANDLORD, FOR (I) ANY UNAUTHORIZED OR CRIMINAL ENTRY OF THIRD PARTIES INTO THE PREMISES, THE BUILDING OR THE PROJECT, (II) ANY DAMAGE TO PERSONS, OR (III) ANY LOSS OF PROPERTY IN AND ABOUT THE PREMISES, THE BUILDING OR THE PROJECT, BY OR FROM ANY UNAUTHORIZED OR CRIMINAL ACTS OF THIRD PARTIES, REGARDLESS OF ANY ACTION, INACTION, FAILURE, BREAKDOWN, MALFUNCTION AND/OR INSUFFICIENCY OF THE ACCESS CONTROL OR COURTESY GUARD SERVICES PROVIDED BY LANDLORD, IF ANY. Tenant shall provide such supplemental security services and shall install within the Premises such supplemental security equipment, systems and procedures as may reasonably be required for the protection of its employees and invitees, provided that Tenant shall coordinate such services and equipment with any security provided by Landlord. The determination of the extent to which such supplemental security equipment, systems and procedures are reasonably required shall be made in the sole judgment, and shall be the sole responsibility, of Tenant. Tenant acknowledges that it has neither received nor relied upon any representation or warranty made by or on behalf of Landlord with respect to the safety or security of the Premises or the Project or any part thereof or the extent or effectiveness of any security measures or procedures now or hereafter provided by Landlord, and further acknowledges that Tenant has made its own independent determinations with respect to all such matters.

(e) Storage. Any storage space at any time leased to Tenant hereunder shall be used exclusively for storage. WORK LETTER (ALLOWANCE)

THIS WORK LETTER is attached as Exhibit B to the Office Lease between T-C STONECREST LLC, as Landlord, and AETHLON MEDICAL, INC., as Tenant, and constitutes the further agreement between Landlord and Tenant as follows:

(a) Tenant Improvements. Landlord, at Tenant's sole cost and expense, agrees to furnish or perform those items of construction and those improvements (the Tenant Improvements) specified in the Final Plans to be agreed to by Landlord and Tenant as set forth in Paragraph (b) below; provided, however, Landlord shall pay for the cost of such Tenant Improvements up to the extent of the Tenant Improvement Allowance as set forth in Paragraph (e) below.

(b) Space Planner. Landlord has retained a space planner (the "Space Planner") to prepare certain plans, drawings and specifications (the "Temporary Plans") for the construction of the Tenant Improvements to be installed in the Premises by a general contractor selected by Landlord pursuant to this Work Letter. Tenant shall deliver to Space Planner within ten (10) days after the execution of this Lease all necessary information required by the Space Planner to complete the Temporary Plans. Tenant shall have five (5) business days after its receipt of the proposed Temporary Plans to review the same and notify Landlord in writing of any comments or required changes, or to otherwise give its approval or disapproval of such proposed Temporary Plans. If Tenant fails to give written comments to or approve the Temporary Plans within such five (5) business day period, then Tenant shall be deemed to have approved the Temporary Plans as submitted. Landlord shall have five (5) business days following its receipt of Tenant's comments and objections to redraw the proposed Temporary Plans in compliance with Tenant's request and to resubmit the same for Tenant's final review and approval or comment within five (5) business days of Tenant's receipt of such revised plans. Such process shall be repeated twice and if at such time final approval by Tenant of the proposed Temporary Plans has not been obtained, then Landlord shall complete such Temporary Plans, at Tenant's sole cost and expense, and it shall be deemed that Tenant has approved the Temporary Plans. Once Tenant has approved or has been deemed to have approved the Temporary Plans, then the approved (or deemed approved) Temporary Plans shall be thereafter known as the "Final Plans". The Final Plans shall include the complete and final layout, plans and specifications for the Premises showing all doors, light fixtures, electrical outlets, telephone outlets, wall coverings, plumbing improvements (if any), data systems wiring, floor coverings, wall coverings, painting, any other improvements to the Premises beyond the shell and core improvements provided by Landlord and any demolition of existing improvements in the Premises. The improvements shown in the Final Plans shall (i) utilize Landlord's building standard materials and methods of construction, (ii) be compatible with the shell and core improvements and the design, construction and equipment of the Premises, and (iii) comply with all applicable laws, rules, regulations, codes and ordinances.

(c) Bids. As soon as practicable following the approval of the Final Plans, Landlord shall (i) obtain a written non-binding itemized estimate of the costs of all Tenant Improvements shown in the Final Plans as prepared by a general contractor selected by Landlord, and (ii) if required by applicable law, codes or ordinances, submit the Final Plans to the appropriate governmental agency for the issuance of a building permit or other required governmental approvals prerequisite to commencement of construction of such Tenant Improvements ("Permits"). Tenant acknowledges that any cost estimates are prepared by the general contractor and Landlord shall not be liable to Tenant for any inaccuracy in any such estimate. Within five (5) business days after receipt of the written non-binding cost estimate prepared by the general contractor, Tenant shall either (A) give its written approval thereof and authorization to proceed with construction or (B) immediately request the Space Planner to modify or revise the Plans in any manner desired by Tenant to decrease the cost of the Tenant Improvements. If Tenant is silent during such five (5) business day period, then Tenant shall be deemed to have approved such non-binding cost estimate as set forth in Clause (A) above. If the Final Plans are revised pursuant to Clause (B) above, then Landlord shall request that the general contractor provide a revised cost estimate to Tenant based upon the revisions to the Final Plans. Such modifications and revisions shall be subject to Landlord's reasonable approval and shall be in accordance with the standards set forth in Paragraph (b) of this Work Letter. Within ten (10) business days after receipt of the general contractor's original written cost estimate and the description, if any, of any Tenant Delay, Tenant shall give its final approval of the Final Plans to Landlord which shall constitute authorization to commence the construction of the Tenant Improvements in accordance with the Final Plans, as modified or revised. Tenant shall signify its final approval by signing a copy of each sheet or page of the Final Plans and delivering such signed copy to Landlord.

(d) Construction. Landlord shall commence construction of the Tenant Improvements within ten (10) days following the later of (i) the approval of the Final Plans, or (ii) Landlord's receipt of any necessary Permits. Landlord shall diligently pursue completion of construction of the Tenant Improvements and use its commercially reasonable efforts to complete construction of the Tenant Improvements as soon as reasonably practicable. Notwithstanding anything in this Lease to the contrary, and except as provided for in Item 18 of the Basic Lease Provisions, Tenant Improvement Allowance shall be used only for the construction of the Tenant Improvements, and if construction of the Tenant Improvements is not completed within four (4) months following the Date of this Lease ("Construction Termination Date"), then Landlord's obligation to provide the Tenant Improvement Allowance, as specified in Item 18 of the Basic Lease Provisions, shall terminate and become null and void, and Tenant shall be deemed to have waived its rights in and to said Tenant Improvement Allowance.

(e) Tenant Improvement Allowance. Subject to the terms and provisions of this Work Letter, Landlord shall pay the cost of the Tenant Improvements up to the amount of the Tenant Improvement Allowance. The Tenant Improvement Allowance shall be utilized for all costs associated with modifying the Premises, including but not limited to; space planning, construction drawings, demolition, construction supervision fees, City of San Diego tenant improvement building permits, and the cost of construction of Tenant Improvements ("Work"). Said Work shall also include any Title 24 modification and seismic related expenses required by the City and/or County of San Diego and the State of California. If the amount of the lowest qualified bid to perform the Work exceeds the Tenant Improvement Allowance, Tenant shall bear the cost of such excess and shall pay the estimated cost of such excess to Landlord prior to commencement of construction of such Tenant Improvements and a final adjusting payment based upon the actual costs of the Tenant Improvements shall be made when the Tenant Improvements are completed. If the cost of the Work is less than such amount, then Tenant shall not receive any credit whatsoever for the difference between the actual cost of the Work Tenant Improvement Allowance except as provided in Item 18 in the Basic Lease Provisions. All remaining amounts due to Landlord shall be paid upon the earlier of Substantial Completion of the Tenant Improvements or presentation of a written statement of the sums due, which statement may be an estimate of the cost of any component of the Work. The cost of the permits, working drawings, hard construction costs, mechanical and electrical planning, fees, permits, general contract overhead, and a coordination fee payable to Landlord equal to five percent (5%) of the actual costs of construction and such costs or permits, fees, planning and contractor overhead shall be payable out of the Tenant Improvement Allowance and shall be included in the cost of the Work. The cost of the Work shall not include any other fees payable to Landlord.

(f) Change Order. If Tenant shall desire any changes to the Final Plans, Tenant shall so advise Landlord in writing and Landlord shall determine whether such changes can be made in a reasonable and feasible manner. Any and all costs of reviewing any requested changes, and any and all costs of making any changes to the Tenant Improvements which Tenant may request and which Landlord may agree to shall be at Tenant's sole cost and expense and shall be paid to Landlord upon demand and before execution of the change order. In no event shall Landlord be obligated to perform any Tenant Improvements which would extend the construction period past the Construction Termination Date, unless such extension was mutually agreed to in writing by Landlord and Tenant prior to the commencement of said construction. If Landlord approves Tenant's requested change, addition, or alteration, the Space Planner, at Tenant's sole cost and expense, shall complete all working drawings necessary to show the change, addition or alteration being requested by Tenant.

(g) Substantial Completion. "Substantial Completion" of construction of the Tenant Improvements shall be defined as the date upon which the Space Planner or other consultant engaged by Landlord determines that the Tenant Improvements have been substantially completed in accordance with the Final Plans except for Punch List items (defined below), unless the completion of such improvements was delayed due to any Tenant Delay (defined below), in which case the date of Substantial Completion shall be the date such improvements would have been completed, but for the Tenant Delays. The term "Punch List" items shall mean items that constitute minor defects or adjustments which can be completed after occupancy without causing any material interference with Tenant's use of the Premises. After the completion of the Tenant Improvements, Tenant shall, upon demand, execute and deliver to Landlord a letter of acceptance of improvements performed on the Premises. The term "Tenant Delay" shall include, without limitation, any delay in the completion of construction of Tenant Improvements resulting from (i) Tenant's failure to comply with the provisions of this Work Letter, (ii) any additional time as reasonably determined by Landlord required for ordering, receiving, fabricating and/or installing items or materials or other components of the construction of Tenant Improvements, including, without limitation, mill work, (iii) delay in work caused by submission by Tenant of a request for any change order (defined below) following Tenant's approval of the Final Plans, or for the implementation of any change order, or (iv) any delay by Tenant in timely submitting comments or approvals to the Temporary Plans or Final Plans. The failure of Tenant to take possession of or to occupy the Premises shall not serve to relieve Tenant of obligations arising on the Commencement Date or delay the payment of Rent by Tenant.

(h) Excess Allowance. Notwithstanding anything herein to the contrary, if the total cost of the Work is less than the total amount of the Tenant Improvement Allowance (the difference between the cost of the Work and the cost of the Tenant Improvement Allowance being referred to herein as the “Excess Allowance”), then Landlord agrees that, upon Tenant’s written request and subject to the further terms of this Paragraph (h), Tenant shall have the right to have up to (but not to exceed) \$7,728.00 (\$3.00 per square foot) out of such Excess Allowance credited towards the monthly installment(s) of Base Rent becoming due under this Lease (the “Rent Credit”), until such time as the total amount of the Excess Allowance available to Tenant for such credit has been exhausted; provided, however, in no event shall (x) the total amount advanced by Landlord to Tenant for the Rent Credit exceed the lesser of the amount of the Excess Allowance or \$7,728.00, and (y) the amount advanced by Landlord for the cost of the Work and/or the Rent Credit exceed the amount of Tenant Improvement Allowance. In the event Tenant desires any such credit, Tenant shall notify Landlord of the amounts that Tenant wants credited within ninety (90) days following the Commencement Date, and, notwithstanding anything herein to the contrary, if Tenant fails to so notify Landlord in writing of such amounts Tenant desires to have credited within said ninety (90) day period, Tenant shall not be entitled to any such credit and all such Excess Allowance shall belong to Landlord and Tenant shall have no rights thereto.

EXHIBIT C

3. No sign, advertisement, notice or handbill shall be exhibited, distributed, painted or affixed by any tenant on, about or from any part of the Premises, the Building or the Project without the prior written consent of the Landlord. If the Landlord shall have given such consent at the time, whether before or after the execution of this Lease, such consent shall in no way operate as a waiver or release of any of the provisions hereof or of this Lease, and shall be deemed to relate only to the particular sign, advertisement or notice so consented to by the Landlord and shall not be construed as dispensing with the necessity of obtaining the specific written consent of the Landlord with respect to each and every such sign, advertisement or notice other than the particular sign, advertisement or notice, as the case may be, so consented to by the Landlord. In the event of the violation of the foregoing by any tenant, Landlord may remove or stop same without any liability, and may charge the expense incurred in such removal or stopping to such tenant. Nothing may be placed on the exterior of corridor walls or corridor doors other than Landlord's standard lettering.

4. The sashes, sash doors, skylights, windows, and doors that reflect or admit light and air into halls, passageways or other public places in the Building shall not be covered or obstructed by any tenant, nor shall any bottles, parcels or other articles be placed on the window sills. Tenant shall see that the windows, transoms and doors of the Premises are closed and securely locked before leaving the Building and must observe strict care not to leave windows open when it rains. Tenant shall exercise extraordinary care and caution that all water faucets or water apparatus are entirely shut off before Tenant or Tenant's employees leave the Building, and that all electricity, gas or air shall likewise be carefully shut off, so as to prevent waste or damage. Tenant shall cooperate with Landlord in obtaining maximum effectiveness of the cooling system by closing window coverings when the sun's rays fall directly on the windows of the Premises. Tenant shall not tamper with or change the setting of any thermostats or temperature control valves.

5. The toilet rooms, water and wash closets and other plumbing fixtures shall not be used for any purpose other than those for which they were considered, and no sweepings, rubbish, rags or other substances shall be thrown therein. All damages resulting from any misuse of the fixtures shall be borne by the tenant who, or whose subtenants, assignees or any of their servants, employees, agents, visitors or licensees shall have caused the same.

6. No tenant shall mark, paint, drill into, or in any way deface any part of the Premises, the Building or the Project. No boring, cutting or stringing of wires or laying of linoleum or other similar floor coverings shall be permitted, except with the prior written consent of the Landlord and as the Landlord may direct.

7. No bicycles, vehicles, birds or animals of any kind shall be brought into or kept in or about the Premises, and no cooking shall be done or permitted by any tenant on the Premises, except that the preparation of coffee, tea, hot chocolate and similar items (including those suitable for microwave heating) for tenants and their employees shall be permitted, provided that the power required therefor shall not exceed that amount which can be provided by a 30 amp circuit. No tenant shall cause or permit any unusual or objectionable odors to be produced or permeate the Premises. Smoking or carrying lighted cigars, cigarettes or pipes in the Building is prohibited.

8. The Premises shall not be used for manufacturing or for the storage of merchandise except as such storage may be incidental to the permitted use of the Premises. No tenant shall occupy or permit any portion of the Premises to be occupied as an office for a public stenographer or typist, or for the manufacture or sale of liquor, narcotics, or tobacco (except by a cigarette vending machine for use by Tenant's employees) in any form, or as a medical office, or as a barber or manicure shop, or as an employment bureau, without the express written consent of Landlord. No tenant shall engage or pay any employees on the Premises except those actually working for such tenant on the Premises nor advertise for laborers giving an address at the Premises. The Premises shall not be used for lodging or sleeping or for any immoral or illegal purposes.

9. No tenant shall make, or permit to be made any unseemly or disturbing noises or disturb or interfere with occupants of this or neighboring buildings or premises or those having business with them, whether by the use of any musical instrument, radio, phonograph, unusual noise, or in any other way. No tenant shall throw anything out of doors, windows or skylights or down the passageways.

10. No tenant, subtenant or assignee nor any of their servants, employees, agents, visitors or licensees shall at any time bring or keep upon the Premises any inflammable, combustible or explosive fluid, chemical or substance.

11. No additional locks or bolts of any kind shall be placed upon any of the doors or windows by any tenant, nor shall any changes be made in existing locks or the mechanisms thereof. Each tenant must, upon the termination of his tenancy, restore to Landlord all keys of stores, offices, and toilet rooms, either furnished to, or otherwise procured by, such tenant and in the event of the loss of keys so furnished, such tenant shall pay to Landlord the cost of replacing the same or of changing the lock or locks opened by such lost key if Landlord shall deem it necessary to make such changes.

12. All removals, or the carrying in or out of any safes, freight, furniture, or bulky matter of any description must take place during the hours which Landlord shall determine from time to time, without the express written consent of Landlord. The moving of safes or other fixtures or bulky matter of any kind must be done upon previous notice to the Project Management Office and under its supervision, and the persons employed by any tenant for such work must be acceptable to the Landlord. Landlord reserves the right to inspect all safes, freight or other bulky articles to be brought into the Building and to exclude from the Building all safes, freight or other bulky articles which violate any of these Rules and Regulations or the Lease of which these Rules and Regulations are a part. Landlord reserves the right to prescribe the weight and position of all safes, which must be placed upon supports approved by Landlord to distribute the weight.

13. No tenant shall purchase spring water, ice, towel, janitorial maintenance or other similar services from any person or persons not approved by Landlord.

14. Landlord shall have the right to prohibit any advertising by any tenant which, in Landlord's opinion, tends to impair the reputation of the Building or the Project or its desirability as an office location, and upon written notice from Landlord, any tenant shall refrain from or discontinue such advertising.

15. Landlord reserves the right to exclude from the Building between the hours of 6:00 P.M. and 7:00 A.M. and at all hours on Saturday, Sunday and legal holidays all persons who do not present a pass or card key to the Building approved by the Landlord. Each tenant shall be responsible for all persons who enter the Building with or at the invitation of such tenant and shall be liable to Landlord for all acts of such persons. Landlord shall in no case be liable for damages for any error with regard to the admission to or exclusion from the Building of any person. In case of an invasion, mob riot, public excitement or other circumstances rendering such action advisable in Landlord's opinion, Landlord reserves the right, without abatement of Rent, to require all persons to vacate the Building and to prevent access to the Building during the continuance of the same for the safety of the tenants, the protection of the Building, and the property in the Building.

16. Any persons employed by any tenant to do janitorial work shall, while in the Building and outside of the Premises, be subject to and under the control and direction of the Project Management Office (but not as an agent or servant of said Office or of the Landlord), and such tenant shall be responsible for all acts of such persons.

17. All doors opening onto public corridors shall be kept closed, except when in use for ingress and egress.

18. The requirements of Tenant will be attended to only upon application to the Project Management Office.

19. Canvassing, soliciting and peddling in the Building are prohibited and each tenant shall report and otherwise cooperate to prevent the same.

20. All office equipment of any electrical or mechanical nature shall be placed by Tenant in the Premises in settings approved by Landlord, to absorb or prevent any vibration, noise or annoyance.

21. No air conditioning unit or other similar apparatus shall be installed or used by any tenant without the written consent of Landlord.

22. There shall not be used in any space, or in the public halls of the Building, either by any tenant or others, any hand trucks, except those equipped with rubber tires and rubber side guards.

23. No vending machine or machines of any description shall be installed, maintained or operated upon the Premises without the written consent of Landlord.

24. The scheduling of tenant move-ins shall be subject to the reasonable discretion of Landlord.

25. If the Tenant desires telephone or telegraph connections, the Landlord will direct electricians as to where and how the wires are to be introduced. No boring or cutting for wires or otherwise shall be made without direction from the Landlord.

26. The term "personal goods or services vendors" as used herein means persons who periodically enter the Building of which the Premises are a part for the purpose of selling goods or services to a tenant, other than goods or services which are used by the Tenant only for the purpose of conducting its business in the Premises. "Personal goods or services" include, but are not limited to, drinking water and other beverages, food, barbering services and shoeshining services. Landlord reserves the right to prohibit personal goods and services vendors from access to the Building except upon Landlord's prior written consent and upon such reasonable terms and conditions, including, but not limited to, the payment of a reasonable fee and provision for insurance coverage, as are related to the safety, care and cleanliness of the Building, the preservation of good order thereon, and the relief of any financial or other burden on Landlord or other tenants occasioned by the presence of such vendors or the sale by them of personal goods or services to the Tenant or its employees. If necessary for the accomplishment of these purposes, Landlord may exclude a particular vendor entirely or limit the number of vendors who may be present at any one time in the Building.

27. The Building is a non-smoking building. Smoking is prohibited at all times within the entire Building, including all leased premises, as well as all public/common areas and parking areas for the Building, including any attached parking garage structure. This prohibition applies during business and non-business hours to restrooms, elevators, elevator lobbies, first floor lobby, stairwells, common hallways, the lunch room and any other public/common area, as well as to all areas within the Leased Premises by Tenants. Smoking is only permitted in the designated smoking area outside the Building and away from the entrances to the Building.

28. The Building and Project is a weapons free environment. No tenant, owner of a tenant, officer or employee of a tenant, visitor of tenant, contractor or subcontractor of tenant, or any other party shall carry weapons (concealed or not) of any kind in the building, or parking areas. This prohibition applies to all public areas, including without limitation, restrooms, elevators, elevator lobbies, first floor lobby, stairwells, common hallways, all areas within the leased premises of tenants, all surface parking areas and the surrounding land related to the building.

ADDENDUM ONE

ONE RENEWAL OPTION AT MARKET

ATTACHED TO AND A PART OF THE LEASE AGREEMENT

BY AND BETWEEN

T-C STONECREST LLC

and

AETHLON MEDICAL, INC.

(a) Provided that as of the time of the giving of the Extension Notice and the Commencement Date of the Extension Term, (i) Tenant is the Tenant originally named herein, (ii) Tenant actually occupies all of the Premises initially demised under this Lease and any space added to the Premises, and (iii) no event of default exists or would exist but for the passage of time or the giving of notice, or both; then Tenant shall have the right to extend the Lease Term for an additional term of three (3) years (such additional term is hereinafter called the "Extension Term") commencing on the day following the expiration of the Lease Term (hereinafter referred to as the "Commencement Date of the Extension Term"). Tenant shall give Landlord notice (hereinafter called the "Extension Notice") of its election to extend the term of the Lease Term at least nine (9) months, but not more than twelve (12) months, prior to the scheduled expiration date of the Lease Term.

(b) The Base Rent payable by Tenant to Landlord during the Extension Term shall be the then prevailing market rate for comparable space in the Project and comparable buildings in the vicinity of the Project, taking into account the size of the Lease, the length of the renewal term, market escalations and the credit of Tenant. The Base Rent shall not be reduced by reason of any costs or expenses saved by Landlord by reason of Landlord's not having to find a new tenant for such premises (including, without limitation, brokerage commissions, costs of improvements, rent concessions or lost rental income during any vacancy period). In the event Landlord and Tenant fail to reach an agreement on such rental rate and execute the Amendment (defined below) at least eight (8) months prior to the expiration of the Lease, then Tenant's exercise of this renewal option shall be deemed withdrawn and the Lease shall terminate on its original expiration date.

(c) The determination of Base Rent does not reduce the Tenant's obligation to pay or reimburse Landlord for Operating Expenses and other reimbursable items as set forth in the Lease, and Tenant shall reimburse and pay Landlord as set forth in the Lease with respect to such Operating Expenses and other items with respect to the Premises during the Extension Term without regard to any cap on such expenses set forth in the Lease.

(d) Except for the Base Rent as determined above, Tenant's occupancy of the Premises during the Extension Term shall be on the same terms and conditions as are in effect immediately prior to the expiration of the initial Lease Term; provided, however, Tenant shall have no further right to any allowances, credits or abatements or any options to expand, contract, terminate, renew or extend the Lease.

(e) If Tenant does not give the Extension Notice within the period set forth in Paragraph (a) above, Tenant's right to extend the Lease Term shall automatically terminate. Time is of the essence as to the giving of the Extension Notice.

(f) Landlord shall have no obligation to refurbish or otherwise improve the Premises for the Extension Term. The Premises shall be tendered on the Commencement Date of the Extension Term in "as-is" condition.

(g) If the Lease is extended for the Extension Term, then Landlord shall prepare and Tenant shall execute an amendment to the Lease confirming the extension of the Lease Term and the other provisions applicable thereto (the "Amendment").

(h) If Tenant exercises its right to extend the term of the Lease for the Extension Term pursuant to this Addendum One, the term "Lease Term" as used in the Lease, shall be construed to include, when practicable, the Extension Term except as provided in Paragraph (d) above.
