PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MARCH 30, 2017

VOTING AND PROXY

We are furnishing this statement in connection with the solicitation by our Board of Directors of proxies to be used at the Annual Meeting of Stockholders to be held at Friday, March 30, 2017, at 3:00 pm, Central Time, at Houston Airport Marriott at George Bush Intercontinental, 18700 John F. Kennedy Blvd., Houston, Texas 77032, and at any meeting following adjournment thereof.

We are mailing the Notice of Annual Meeting, this Proxy Statement and the accompanying proxy card to stockholders on or about February 20, 2017.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on March 30, 2017: The proxy materials are available at www.icommaterials.com/aethlon.

What is the purpose of the Annual Meeting?

At the meeting, our stockholders will vote to elect four directors to our Board of Directors and to ratify the appointment of Squar Milner LLP as our independent auditors for the fiscal year ending March 31, 2017. Our stockholders also will conduct a non-binding vote on our executive compensation and will vote on any other business to properly come before the meeting.

Who is entitled to vote at the Annual Meeting?

Stockholders of record at the close of business on February 9, 2017, the record date, are entitled to receive notice of and to vote at the meeting. Each share of our common stock outstanding at the close of business on the record date will be entitled to one vote on all matters properly submitted to a vote at the meeting. As of the record date, there were 7,961,923 shares of common stock outstanding. If you were a stockholder of record of common stock on the record date, you will be entitled to vote all of the shares of common stock that you held on that date at the meeting or any postponements or adjournments of the meeting. Stockholders who own shares registered in different names or at different addresses may receive more than one proxy card. You must sign each of the proxy cards received to ensure that all of the shares you own are represented at the meeting.

Why is the Board of Directors soliciting proxies?

As many of our stockholders may be unable to attend the meeting in person, our Board of Directors is soliciting the enclosed proxy so that each stockholder is given an opportunity to vote. The proxy enables each stockholder to vote via proxy on all matters that are scheduled to come before the meeting. When we have timely received a properly executed proxy card, the stockholder's shares will be voted at the meeting according to the stockholder's directions. We urge stockholders to specify their choices by marking the appropriate boxes on the enclosed proxy card.

What constitutes a quorum?

Stockholders representing not less than thirty-three and one-third percent (33 1/3%) of our issued and outstanding common stock, present in person or represented by proxy at the meeting, constitute a quorum. Votes cast by proxy or in person at the meeting will be tabulated by the Inspector of Elections in conjunction with information received from our transfer agent. The Inspector of Elections also will determine whether or not a quorum is present.

Shares that abstain from voting as to a proposal, and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a proposal (“broker non-votes”), will be counted for purposes of determining whether a quorum is present at the meeting.

What vote is required to elect the nominees to the Board of Directors?

The affirmative vote of shares representing a majority of a quorum present at the meeting is required to elect each nominee to our Board of Directors.

What vote is required to ratify the appointment of the independent auditors?

Ratification of the appointment of Squar Milner LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2017, will be approved if more votes are cast in favor of this proposal than are cast against it.

What vote is required in connection with the advisory, non-binding votes regarding the compensation of executive officers and the frequency of future advisory votes on such executive compensation when such votes are set forth in a proxy statement?

The advisory votes on executive compensation and on the frequency of future advisory votes on such compensation will not be binding on us or our Board of Directors. However, our Compensation Committee will take into account the outcome of the stockholder votes on these proposals at the Annual Meeting when considering future executive compensation arrangements. In addition, your non-binding advisory votes will not be construed (1) as overruling any decision by the Board of Directors, any Board committee or us relating to the compensation of the named executive officers or (2) as creating or changing any fiduciary duties or other duties on the part of the Board of Directors, any Board committee or us.

How do I vote?

We are offering you two methods of voting your shares:

- You may indicate your vote on the enclosed proxy card, sign and date the card, and return it in the enclosed prepaid envelope; or
- You may attend the meeting and vote in person.

How will my shares be voted if I return my proxy card?

All shares entitled to vote and represented by properly executed proxies received prior to the meeting, and not revoked, will be voted as instructed on those proxies. If no instructions are indicated, the shares will be voted as recommended by the Board of Directors.

If any other matters are properly presented at the meeting for consideration, the persons named in the enclosed form of proxy and acting thereunder will have discretion to vote on those matters in accordance with their own judgment to the same extent as the person signing the proxy would be entitled to vote. We do not anticipate that any other matters will be raised at the meeting.

May I change my vote after I return my proxy card?

Any proxy may be revoked at any time before it is voted at the meeting by (i) filing with our Secretary, at or before the taking of the vote at the meeting, a written notice of revocation or duly executed proxy, in either case dated later than the prior proxy relating to the same shares or (ii) attending the meeting and voting in person (although attendance at the meeting will not of itself revoke a proxy). Any written notice of revocation or subsequent proxy should be sent so as to be delivered to our principal executive offices at Aethlon Medical, Inc., 9635 Granite Ridge Drive, Suite 100, San Diego, California 92123, Attention: Secretary, or hand delivered to the Secretary, before the taking of the vote at the meeting.

Who will bear the costs of this solicitation?

This Proxy Statement is being delivered to you on our behalf. We are bearing the expenses of preparing, printing, web hosting and mailing this Proxy Statement and other proxy materials and all other expenses of soliciting proxies. In addition, our directors, officers and employees may solicit proxies by personal interview, mail, telephone, facsimile, internet or other means of electronic transmission, although they will receive no additional compensation for such solicitation.

Where can I find the proxy materials for the meeting on the internet?

Stockholders may access the following proxy materials at www.icommaterials.com/aethlon: our Notice of Annual Meeting of Stockholders, Proxy Statement, Annual Report on Form 10-K and proxy card.

How are proxy materials delivered to households?

We will deliver only one Proxy Statement, annual report to stockholders or Notice of Internet Availability of Proxy Materials, as applicable, to multiple stockholders sharing an address unless we have received contrary instructions from one or more of the stockholders. We will promptly deliver a separate copy of this Proxy Statement, the annual report to stockholders or the Notice of Internet Availability of Proxy Materials, as applicable, to a stockholder at a shared address to which a single copy of any such document was delivered upon oral or written request to:

Aethlon Medical, Inc.

A stockholder may notify us at the above address or phone number that such stockholder wishes to receive a separate proxy statement, annual report to stockholders or Notice of Internet Availability of Proxy Materials, as applicable, in the future. Stockholders sharing an address may direct to us at the above address or phone number requests for delivery of a single copy of annual reports to stockholders, proxy statements or Notices of Internet Availability of Proxy Materials if they are receiving multiple copies of such documents.

Certain additional information concerning the individuals named above is set forth below. This information is based on information furnished us by each individual noted.

James A. Joyce, Chairman, Chief Executive Officer and Secretary

Mr. Joyce is the founder of Aethlon Medical, Inc. and has been the Chairman of the Board and Secretary since March 1999. On June 1, 2001, our Board of Directors appointed Mr. Joyce to the additional role of Chief Executive Officer. Mr. Joyce also serves as the Executive Chairman of Exosome Sciences, Inc. Prior to that Mr. Joyce was a principal in charge of U.S. operations for London Zurich Securities, Inc. Mr. Joyce is a graduate of the University of Maryland. We believe that Mr. Joyce is qualified to serve as our director because of his role in founding our company and his prior experience, including his experience in the extracorporeal industry and in the financial markets.

Rodney S. Kenley, President and Director

Mr. Kenley has been President and a Director since October 2010. He has 38 years of experience in healthcare, most of which have been spent in the extracorporeal blood purification arena. Mr. Kenley founded Aksys Ltd. in January 1991 to develop and commercialize his concept of a daily home hemodialysis system which was commercially launched in 2002 as the PHD system. In 2004, Mr. Kenley initiated the development of a second-generation home hemodialysis system in partnership with DEKA Research & Development Corporation in Manchester, New Hampshire. In 2007, the assets of Aksys Ltd. were acquired by DEKA, where Mr. Kenley was employed prior to joining Aethlon Medical, Inc. Mr. Kenley received his Bachelor of Arts degree in Biology and Chemistry from Wabash College, a Master's of Science degree in Molecular Biology from Northwestern University and a Masters of Management from the Kellogg School of Management, also at Northwestern University. We believe that Mr. Kenley is qualified to serve as our director as a result of his experience in developing extracorporeal blood purification products.

Franklyn S. Barry, Jr., Director

Mr. Barry was President and Chief Executive Officer of Hemex, Inc. from April 1997 through May 31, 2001 and our President and CEO from March 10, 1999 to May 31, 2001, when he returned to consulting until he retired in 2013. He became a director of Aethlon Medical, Inc. on March 10, 1999. From 1994 to April 1997, Mr. Barry was a private consultant. Included among his prior experiences are tenures as President of Fisher-Price and as co-founder and CEO of Software Distribution Services, which today operates as Ingram Micro-D, an international distributor of personal computer products. Mr. Barry serves on the Board of Directors of Merchants Mutual Insurance Company. We believe that Mr. Barry is qualified to serve as our director because of his extensive management experience.

James B. Frakes, Chief Financial Officer and Senior Vice President – Finance

Mr. Frakes joined Aethlon Medical, Inc. in January 2008 and brought 16 consecutive years of financial responsibility for publicly traded companies, as well as specific knowledge and experience in equity and debt transactions, acquisitions, public reporting and Sarbanes-Oxley Section 404 internal control requirements. Mr. Frakes also serves as the Chief Financial Officer of Exosome Sciences, Inc. He previously served as the CFO for Left Behind Games Inc., a start-up video game company. Prior to 2006, he served as CFO of NTN Buzztime, Inc., an interactive entertainment company. Mr. Frakes received an MBA from the University of Southern California and completed his BA with Honors at Stanford University.

Edward G. Broenniman, Director

Mr. Broenniman became a director of Aethlon Medical, Inc. in March 1999. He has been the Managing Director of The Piedmont Group, LLC, a venture advisory firm, since 1978. His nonprofit Boards are the Dingman Center for Entrepreneurship's Board of Advisors at the University of Maryland, the National Association of Corporate Directors, National Capital Chapter (Founder, Chair from 2003 to 2005 and Director from 2001 to 2014) and the Board of the Association for Corporate Growth, National Capital Chapter. We believe that Mr. Broenniman is qualified to serve as our director because of his extensive management experience.

Chetan S. Shah, MD, Director

Dr. Shah became a director of Aethlon Medical, Inc. in June 2013. Dr. Shah is a board certified Otolaryngologist. He is an Advisory Board Member at The Bank of Princeton, and a partner and Board member of the Surgery Center at Hamilton as well as Physician Management Systems and Princeton Eye & Ear, which he founded in 2009. Dr. Shah serves on the board of two other private companies. He holds teaching positions and serves on multiple hospital committees in the area and is on the Audiology and Speech Language Pathology Committee for the State of New Jersey. He also is a member of the Board of Medical Examiners for the State of New Jersey. Dr. Shah received his Bachelor's degree and Medical Degree from Rutgers University and Robert Wood Johnson Medical School. We believe that Dr. Shah is qualified to serve as our director because of his medical background as both a board certified Otolaryngologist and a member of various medical boards and hospital committees in New Jersey.

Board of Directors

Our Board of Directors has the responsibility for establishing broad corporate policies and for overseeing our overall performance. Members of the Board of Directors are kept informed of our business activities through discussions with the Chief Executive Officer, President and other officers, by reviewing analyses and reports sent to them, and by participating in Board and committee meetings. Mr. Joyce serves as Chairman of the Board and as our Chief Executive Officer, and we have not designated a lead independent director. We believe that having the offices of Chairman of the Board and Chief Executive Officer consolidated with one person is appropriate for a company of our size and stage of development in order to maximize efficiencies of our limited available personnel resources. The Board of Directors may reevaluate this consolidation in the future if we grow to a size where it determines that such reevaluation is appropriate. Our bylaws provide that each of the directors serves for a term that extends to our next annual meeting of stockholders. Our Board of Directors presently has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, on each of which Mr. Barry, Mr. Broenniman and Dr. Shah serve as independent directors. Mr. Barry is Chairman of the Audit Committee, Dr. Shah is Chairman of the Compensation Committee and Mr. Broenniman is the Chairman of the Nominating and Corporate Governance Committee. As a result of Mr. Barry's determination to not stand for reelection, the Board will temporarily consist of four directors after the Annual Meeting. As required by Nasdaq Listing Rule 5605(b)(2), we will appoint a replacement director for Mr. Barry no later than 180 days from the date of the Annual Meeting.

Our Board of Directors believes that sound governance practices and policies provide an important framework to assist them in fulfilling their duty to stockholders. Our Board of Directors has implemented separate committees for the areas of audit, compensation and nomination of directors, annual review of the independence of our Audit and Compensation Committee members, maintenance of a majority of independent directors, and written expectations of management and directors, among other best practices.

Our Board of Directors has adopted a Code of Business Conduct and Ethics, which has been distributed to all directors, officers, and employees. The Code of Business Conduct and Ethics contains a number of provisions that apply principally to our Chief Executive Officer, Chief Financial Officer and other key personnel. A copy of our Code of Business Conduct and Ethics can be found under the "Investor Relations – Corporate Governance" section of our website at www.aethlonmedical.com. We intend to disclose future amendments to certain provisions of our Code of Business Conduct and Ethics, or waivers of such provisions, applicable to our directors and executive officers, at the same location on our website identified above. The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

Our Board of Directors has determined that three of our current directors meet the independence requirements of the Nasdaq Capital Market, on which our common stock is listed. In the judgment of the Board of Directors, Mr. Joyce and Mr. Kenley do not meet such independence standards. In reaching its conclusions, the Board of Directors considered all relevant facts and circumstances with respect to any direct or indirect relationships between our company and each of the directors, including those discussed under the caption "Certain Relationships and Related Transactions and Director Independence" below. Our Board of Directors determined that any relationships that exist or existed in the past between our company and each of the independent directors were immaterial on the basis of the information set forth in the above-referenced sections.

The Board of Directors currently has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. These committees are responsible to the full board.

Board of Directors Meetings and Attendance

During the fiscal year ended March 31, 2016, the Board of Directors held seven meetings and took action six times by written consent. Each director attended at least 75% of the aggregate of (1) the total number of meetings of the Board of Directors held during the period he served as a director and (2) the total number of meetings held by committees of the Board of Directors on which he served during the period he served. With the exception of Mr. Joyce, who is required to attend our Annual Meeting, we do not currently have a policy with regard to attendance at annual meetings of stockholders by the remaining members of the Board of Directors. Four members of the Board of Directors attended the previous Annual Meeting of Stockholders.

Board of Directors

Our Board of Directors has the responsibility for establishing broad corporate policies and for overseeing our overall performance. Members of the Board of Directors are kept informed of our business activities through discussions with the CEO, President and other officers, by reviewing analyses and reports sent to them, and by participating in Board and committee meetings. Our bylaws provide that each of the directors serves for a term that extends to our next annual meeting of stockholders. Our Board of Directors presently has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, on each of which Messrs. Barry and Broenniman and Dr. Shah serve. Mr. Barry is Chairman of the Audit Committee, Mr. Broenniman is Chairman of the Nominating and Corporate Governance Committee, and Dr. Shah is Chairman of the Compensation Committee.

In July 2012, our Board of Directors approved a board compensation program that modifies and supersedes the 2005 Directors Compensation Program, which was previously in effect. Under the 2012 program, in which only non-employee directors may participate, an eligible director will receive a grant of \$35,000 worth of ten-year options to acquire shares of common stock, with such grant being valued at the exercise price based on the average of the closing bid prices of the common stock for the five trading days preceding the first day of the fiscal year. In addition, under this program, eligible directors will receive cash compensation equal to \$500 for each committee meeting attended and \$1,000 for each formal board meeting attended.

In the fiscal year ended March 31, 2013, our Board of Directors granted ten-year options to acquire an aggregate of 33,342 shares of our common stock, all with an exercise price of \$3.80 per share, to our four outside directors under the 2012 program.

In the fiscal year ended March 31, 2014, our Board of Directors granted ten-year options to acquire an aggregate of 31,911 shares of our common stock, all with an exercise price of \$4.10 per share, to our five outside directors under the 2012 program.

In the fiscal year ended March 31, 2015, our Board of Directors granted ten-year options to acquire an aggregate of 11,053 shares of our common stock, all with an exercise price of \$9.50 per share, to our three outside directors under the 2012 program.

There were no issuances of stock options to our outside directors in the fiscal year ended March 31, 2016.

At March 31, 2016 we had issued 26,757 options under the old 2005 program to outside directors and 79,309 options to employee-directors, 21,756 outside directors' options had been forfeited, 5,000 outside directors' options had been exercised, 79,309 employee-directors' options had been forfeited and no options under the old 2005 program remained outstanding.

On June 6, 2014, our Board of Directors approved certain changes to the 2012 program. Under this modified program, a new eligible director will receive an initial grant of \$50,000 worth of options to acquire shares of common stock, with such grant being valued at the exercise price based on the average of the closing bid prices of the common stock for the five trading days preceding the first day of the fiscal year. These options will have a term of ten years and will vest 1/3 upon grant and 1/3 upon each of the first two anniversaries of the date of grant. In addition, at the beginning of each fiscal year, each existing director eligible to participate in the modified 2012 program also will receive a grant of \$35,000 worth of options valued at the exercise price based on the average of the closing bid prices of the common stock for the five trading days preceding the first day of the fiscal year. Such options will vest on the first anniversary of the date of grant. In lieu of per meeting fees, eligible directors will receive an annual board retainer fee of \$30,000. The modified 2012 program also provides for the following annual retainer fees: Audit Committee Chair - \$5,000, Compensation Committee chair - \$5,000, Audit Committee member - \$4,000, Compensation Committee member - \$4,000 and lead independent director - \$15,000.

Audit Committee and Audit Committee Financial Expert

Our Board of Directors formed an Audit Committee in May of 1999. Mr. Franklyn S. Barry (Chairman of the Audit Committee), Mr. Edward Broenniman and Dr. Chetan S. Shah serve as members of the Audit Committee. Our Board of Directors has also determined that Franklyn Barry, due to his professional experience, meets the definition of an "audit committee financial expert" as defined in Item 407(d)(5)(ii) under Regulation S-K, promulgated under the Securities Exchange Act of 1934, as amended. Each of Mr. Barry, Mr. Broenniman and Dr. Shah meets the NASDAQ Stock Market's independence standards for members of such audit committees.

Audit Committee

Our Board of Directors has created an audit committee that presently consists of the directors stated above. Each of the members has a basic understanding of finance and accounting, and is able to read and understand fundamental financial statements. The Board of Directors has determined that each of the members of the Audit Committee meets the independence requirements applicable to Nasdaq Capital Market companies. Our Board of Directors has also determined that Franklyn Barry, due to his professional experience, meets the definition of an "audit committee financial expert" as defined in Item 407(d)(5)(ii) under Regulation S-K, promulgated under the Securities Exchange Act of 1934, as amended. The Audit Committee has the authority to appoint, review and discharge our independent registered public accounting firm. The Audit Committee reviews the results and scope of the audit and other services provided by our independent registered public accounting firm, as well as our accounting principles and our system of internal controls, reports the results of their review to the full Board of Directors and to management, and recommends to the full Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K.

The Audit Committee has adopted a charter, which can be found on our website under "Investor Relations – Corporate Governance." The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

AUDIT COMMITTEE REPORT

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management is responsible for our financial statements and the financial reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements that have been included in our most recent Annual Report on Form 10-K.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from our company and our management, including the matters in the written disclosures and letter provided to the Audit Committee as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.

Based on the foregoing, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, the inclusion of the audited financial statements in our most recent Annual Report on Form 10-K for filing with the Securities and Exchange Commission. The Audit Committee has also recommended the selection of the Company's independent auditors for the fiscal year ending March 31, 2017.

Members of the Audit Committee

Chetan S. Shah, MD

The foregoing Audit Committee report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing of our company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this Audit Committee report by reference therein.

Compensation Committee

Our Board of Directors has created a compensation committee consisting of the members stated above. The Compensation Committee makes recommendations concerning compensation of the executive management team and non-employee directors and administers our stock-based incentive compensation plans. The Chairman establishes meeting agendas after consultation with other committee members. Our Chief Executive Officer and other members of management regularly discuss our compensation issues with Compensation Committee members. Subject to Compensation Committee review, modification and approval, our Chief Executive Officer typically makes recommendations respecting bonuses and equity incentive awards for the other members of the executive management team. The Compensation Committee establishes all bonus and equity incentive awards for all executive members of the management team. Our Board of Directors has determined that all members of the Compensation Committee meet the independence requirements applicable to Nasdaq Capital Market companies.

Our Compensation Committee considered compensation information previously provided in fiscal year 2015 by Barney & Barney, a Marsh & McLennan Agency LLC Company, a compensation consultant, that the Compensation Committee considered still current and useful in determining this equity award recommendation. Barney & Barney was engaged by our Compensation Committee to develop a peer group for market assessment and conduct a competitive compensation assessment for our executive management team, our Board of Directors and our broad-based employee population. Among other things, Barney & Barney provided competitive compensation data for purposes of benchmarking our equity grant values and targets, our bonus targets and structure, our total direct compensation, our target incentive opportunities and our base salaries and target total cash compensation. Our Compensation Committee has again engaged Barney & Barney to perform additional assessment services in fiscal year 2017.

The Compensation Committee has adopted a charter, which can be found on our website at "Investor Relations – Corporate Governance." The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

Nominating and Corporate Governance Committee

Our Board of Directors has created a nominating and corporate governance committee consisting of the members stated above. The responsibilities of the Nominating and Corporate Governance Committee include:

- overseeing our corporate governance functions on behalf of the Board of Directors;
- making recommendations to the Board of Directors regarding corporate governance issues;
- identifying and evaluating candidates to serve as directors of our company consistent with criteria approved by the Board of Directors;
- selecting director candidates or recommending such candidates to the Board of Directors for selection; and
- reviewing and evaluating the performance of the Board of Directors.

Director Nominations

Criteria for Board Membership

The Nominating and Corporate Governance Committee is responsible for reviewing nominees for director and recommending to the Board of Directors those persons who the committee believes would beneficially impact our company as directors. The Nominating and Corporate Governance Committee considers many factors when evaluating candidates for director, including depth and breadth of experience, business acumen, character, independent thinking, understanding of our business and the industry in which we operate, and willingness to commit adequate time and attention to being a director. The Nominating and Corporate Governance Committee also considers the needs of our company and the Board of Directors, in particular, in assessing candidates. The Nominating and Corporate Governance Committee seeks to ensure that a majority of our directors satisfy the criteria for being deemed independent under NASDAQ rules applicable to us, that members of our Audit Committee meet the financial literacy and sophistication requirements under applicable NASDAQ rules, and that at least one of those members qualifies as an “audit committee financial expert” under Securities and Exchange Commission rules.

The objective of the Nominating and Corporate Governance Committee is to maintain a board comprised of individuals of the highest personal character, integrity, and ethical standards, reflecting a broad range of professional backgrounds, skills and experience relevant to our business. The biography shown above for each director nominee includes many of the factors that the Nominating and Corporate Governance Committee considered important in determining that the nominee should serve as a director of our company. The Nominating and Corporate Governance Committee considers diversity as one of many factors in identifying board nominees. Such diversity includes personal characteristics such as race and gender, as well as diversity in background and skills that relate to the Board of Director’s performance of its responsibilities. The Nominating and Corporate Governance Committee does not assign criteria specific weight when reviewing candidates and may not apply the same criteria to all prospective nominees.

Identification and Evaluation of Nominees

The Nominating and Corporate Governance Committee believes we are well-served by our current directors. Unless special circumstances arise or the Nominating and Corporate Governance Committee makes a material change in the criteria for board membership, the Nominating and Corporate Governance Committee typically will nominate incumbent directors who continue to be qualified, and willing, to act as directors. If an incumbent director does not stand for re-election, or to fill a vacancy on the Board of Directors between annual stockholder meetings, the Nominating and Corporate Governance Committee will search for potential board candidates who meet the criteria for selection as a nominee and have specific desirable qualities or skills. Also, from time to time the Board of Directors may determine to increase its size and add directors with special skills and/or experience relevant and useful to us at our particular stage of development. Director candidates will be selected based on recommendations and feedback from members of our Board of Directors, our senior management, and, if the Nominating and Corporate Governance Committee deems appropriate, a third-party search firm. The Nominating and Corporate Governance Committee will evaluate each candidate’s qualifications and check relevant references. At least one member of the Nominating and Corporate Governance Committee will interview candidates, and all members of the Board of Directors will meet with candidates deserving serious consideration. Then the Nominating and Corporate Governance Committee will evaluate which of the prospective candidates is qualified to serve as a director and will determine whether to recommend to the Board of Directors that a particular candidate be appointed to fill a current vacancy on the Board or be presented for the approval of the stockholders, as appropriate.

Stockholder Nominations

The Nominating and Corporate Governance Committee will consider written proposals from stockholders for nominees for director using the same criteria discussed above and will determine, based on those criteria, whether or not to recommend those nominees to the Board of Directors. Any such nominations should be submitted to the Nominating and Corporate Governance Committee, Aethlon Medical, Inc., 9635 Granite Ridge Drive, Suite 100, San Diego, California 92123 and should include the following information:

- all information relating to such nominee that is required to be disclosed pursuant to the Securities Exchange Act of 1934, and such person's written consent to a background check, to being named in the proxy statement as a nominee, and to serving as a director, if elected;
- the names and addresses of the stockholder(s) making the nomination and the number of shares of our common stock that are owned beneficially and of record by such stockholder(s); and
- appropriate biographical information and a statement as to the qualification of the nominee, including the nominee's specific experience, qualifications, attributes, or skills, addressing the relevance and benefit to our company of such experience, qualifications, attributes, and/or skills at our particular stage of development.

Nominations should be submitted in the timeframe described under the caption "Stockholder Proposals for 2018 Annual Meeting" below.

The Nominating and Corporate Governance Committee has adopted a charter, which can be found on our website at "Investor Relations – Corporate Governance." The inclusion of our website address in this Proxy Statement does not include or incorporate by reference the information on our website into this Proxy Statement.

Communication with the Board of Directors

Any stockholders wishing to communicate with the Board of Directors about any matter involving the business or operations of our company should send the communication in writing to the Secretary, Aethlon Medical, Inc., 9635 Granite Ridge Drive, Suite 100, San Diego, California 92123. Our Secretary will promptly deliver such communications directly to each member of our Board of Directors.

Family Relationships

There are no family relationships between or among the directors, executive officers or persons nominated or chosen by us to become directors or executive officers.

There are no arrangements or understandings between any two or more of our directors or executive officers or between any of our directors or executive officers and any other person pursuant to which any director or officer was or is to be selected as a director or officer, and there is no arrangement, plan or understanding as to whether non-management stockholders will exercise their voting rights to continue to elect the current Board of Directors. There are also no arrangements, agreements or understandings between non-management stockholders that may directly or indirectly participate in or influence the management of our affairs.

Involvement in Legal Proceedings

To the best of our knowledge, during the past ten years, none of the following occurred with respect to a present or former director or executive officer of our company: (1) any bankruptcy petition filed by or against such person or any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time; (2) any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses); (3) being subject to any order, judgment or decree, not subsequently reversed, suspended or vacated, of any court of any competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his involvement in any type of business, securities or banking activities; (4) being found by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission or the Commodities Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended or vacated; and (5) being the subject of, or a party to, any federal or state judicial or administrative order, judgment, decree or finding, not subsequently reversed, suspended or vacated, relating to an alleged violation of any federal or state securities or commodities law or regulation, law or regulation respecting financial institutions or insurance companies or law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or (6) being the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Securities Exchange Act of 1934, as amended), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act, as amended), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or associated persons.

Directors Compensation Program

We maintain a board compensation program, in which only non-employee directors may participate. Please see the “Equity Compensation Plans – 2012 Directors Compensation Program” section of this Report for more information on the program.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

The following describes all transactions since April 1, 2014, and all proposed transactions, in which we were or are to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest.

In July 2013, we borrowed \$400,000 from Mr. Phillip Ward, one of our former directors, and Dr. Shah under 90-day notes bearing 10% interest. If we did not pay back those loans by October 9, 2013, then the notes would bear interest at a penalty rate of 12% and the noteholders would have the right at their discretion (i) to convert their principal and accrued interest into shares of common stock at \$4.40 per share and (ii) to receive warrants to purchase common stock equal to 50% of the principal converted under the notes, with an exercise price of \$6.60 per share. We subsequently repaid Mr. Ward's note in cash. That repayment extinguished all potential common stock and warrant issuance provisions of Mr. Ward's note. On July 24, 2014, we issued to Dr. Shah an aggregate of 50,079 shares of unregistered common stock and a seven-year warrant to purchase up to 25,040 shares of common stock at an exercise price of \$6.60 per share upon the conversion of an aggregate of \$220,349 of unpaid principal and accrued interest due under his note. The amount converted represented the entire amount outstanding under Dr. Shah's note.

On June 6, 2014, our Board of Directors granted to our directors and our Chief Financial Officer ten-year options to acquire an aggregate of 52,053 shares of our common stock at an exercise price of \$9.50 per share.

In July 2014, Exosome Sciences, Inc. paid a bonus of \$15,000 to Mr. Joyce.

In October 2014, Exosome Sciences, Inc. paid bonuses of \$15,000 to Mr. Joyce and \$1,500 to Mr. Frakes.

On October 20, 2014, we issued to Dr. Shah 42,222 shares of common stock and three-year warrants to acquire up to 42,222 shares of common stock with exercise prices ranging from \$4.65 to \$5.50 per share. The common stock and warrants were issued to Dr. Shah upon his cash exercise, for an aggregate of \$214,000, of previously issued warrants for 42,222 shares held by him.

On October 21, 2014 and November 7, 2014, we paid Mr. Franklyn Barry and Mr. Edward Broenniman, two of our outside directors, an aggregate of \$10,944 and \$10,063, respectively, for accrued Board of Directors fees and expenses reimbursable to them. On November 7, 2014, we paid Dr. Tullis \$5,000 for accrued expenses reimbursable to him.

In December 2014, we paid bonuses of \$25,000 to Mr. Joyce, \$15,000 to Mr. Kenley, \$15,000 to Mr. Frakes and \$5,000 to Dr. Tullis.

In December 2014, Exosome Sciences, Inc. paid Mr. Joyce a bonus of \$15,000.

In January 2015, we made the following payments to certain of our officers and directors:

- bonuses of \$25,000 to Mr. Joyce and \$15,000 to Mr. Frakes;
- \$93,377 to Dr. Tullis in payment of accrued salary;
- \$14,500 to Dr. Shah in payment of accrued director fees;
- \$84,500 to Mr. Broenniman in payment of accrued director fees and amounts accrued for services rendered to us prior to the 1999 reorganization among Aethlon, Inc., Hemex, Inc. and us; and
- \$271,810 to Mr. Barry in payment of accrued director fees and amounts accrued for services rendered to us prior to the 1999 reorganization among Aethlon, Inc., Hemex, Inc. and us.

In June 2015, Mr. James Joyce, our Chief Executive Officer, Mr. James Frakes, our Chief Financial Officer and Dr. Chetan Shah, a director of our company, agreed to waive their rights to acquire an aggregate of 402,318 shares of common stock underlying certain stock options and warrants held by them. Those waivers were required in order to make a sufficient number of shares of common stock available for issuance upon the exercise of the warrants issued in our June 2015 financing. Those waivers expired when we amended our Articles of Incorporation on March 31, 2016, to increase sufficiently the number of authorized shares of common stock available for issuance following approval of that measure at our annual stockholders' meeting on March 29, 2016.

In September 2015, the Compensation Committee approved and we paid bonuses of \$100,000 and \$75,000 to Mr. Joyce and Mr. Frakes, respectively, for achieving an agreed milestone event of achieving a Nasdaq listing.

Retention Agreements

On October 16, 2015, following a recommendation of our Compensation Committee, we approved retention bonus grants to three of our executive officers under a newly established Aethlon Senior Management Retention Program to maintain management stability going forward. The Board approved a \$100,000 retention bonus for Mr. James A. Joyce, our Chief Executive Officer, a \$50,000 retention bonus for Mr. Rodney S. Kenley, our President, and a \$50,000 retention bonus for Mr. James B. Frakes, our Chief Financial Officer.

In connection with the bonus granted to Mr. Joyce, we entered into an amendment of Mr. Joyce's Employment Agreement dated April 1, 1999. Pursuant to the amendment, if within two years of the effective date of the amendment, we terminate Mr. Joyce's employment with us for "Cause" (as defined in his employment agreement) or Mr. Joyce terminates his employment with us other than for "Good Reason" (as defined in his employment agreement), Mr. Joyce must repay in full the amount of the bonus received from us. In the event of his death or disability or termination by us other than for "Cause" or termination by Mr. Joyce for "Good Reason," Mr. Joyce will not be required to repay any portion of the bonus received by him.

In connection with the bonus granted to Mr. Kenley, we entered into an amendment of Mr. Kenley's Offer Letter dated October 27, 2010. Pursuant to the amendment, if within two years of the effective date of the amendment, we terminate Mr. Kenley's employment with us for "Cause" (as defined in the amendment) or Mr. Kenley terminates his employment with us other than for "Good Reason" (as defined in the amendment), Mr. Kenley must repay in full the amount of the bonus received from us. In the event of his death or disability or termination by us other than for "Cause" or termination by Mr. Kenley for "Good Reason," Mr. Kenley will not be required to repay any portion of the bonus received by him.

In connection with the bonus granted to Mr. Frakes, we entered into a Retention Bonus Agreement with Mr. Frakes. Pursuant to the agreement, if within two years of the effective date of the agreement, we terminate Mr. Frakes' employment with us for "Cause" (as defined in the agreement) or Mr. Frakes terminates his employment with us other than for "Good Reason" (as defined in the agreement), Mr. Frakes must repay in full the amount of the bonus received from us. In the event of his death or disability or termination by us other than for "Cause" or termination by Mr. Frakes for "Good Reason," Mr. Frakes will not be required to repay any portion of the bonus received by him.

Our 2000 Stock Option Plan provides for the grant of incentive stock options to our full-time employees (who may also be directors) and nonstatutory stock options to non-employee directors, consultants, customers, vendors or providers of significant services. The exercise price of any incentive stock option may not be less than the fair market value of the common stock on the date of grant or, in the case of an optionee who owns more than 10% of the total combined voting power of all classes of our outstanding stock, not be less than 110% of the fair market value on the date of grant. The exercise price, in the case of any nonstatutory stock option, must not be less than 75% of the fair market value of the common stock on the date of grant. The amount reserved under the 2000 Stock Option Plan is 10,000 options.

At March 31, 2016, all of the grants previously made under the 2000 Stock Option Plan had expired and 200 common shares had been issued under the plan, with 9,800 available for future issuance.

2010 Stock Incentive Plan

In August 2010, we adopted the 2010 Stock Incentive Plan, which provides incentives to attract, retain and motivate employees and directors whose present and potential contributions are important to our success by offering them an opportunity to participate in our future performance through awards of options, the right to purchase common stock, stock bonuses and stock appreciation rights and other awards. We initially reserved a total of 70,000 common shares for issuance under the 2010 Stock Incentive Plan.

In August 2010, we filed a registration statement on Form S-8 for the purpose of registering 70,000 common shares issuable under this plan under the Securities Act, and in July 2012, we filed a registration statement on Form S-8 for the purpose of registering 100,000 common shares issuable under this plan under the Securities Act.

On January 26, 2016, our Board of Directors approved an amendment to the 2010 Stock Incentive Plan to increase the total number of shares of common stock reserved for issuance under the plan to 3,170,000 shares, subject to amendment of our Articles of Incorporation to increase our authorized common stock. On March 29, 2016, we held an annual stockholders meeting, at which our stockholders approved the Amended 2010 Stock Incentive Plan and an amendment of our Articles of Incorporation to increase our authorized common stock to 30,000,000 shares. On March 31, 2016, we filed a Certificate of Amendment to our Articles of Incorporation to effect the increase in our authorized common stock. As a result of such amendment, the Amended 2010 Stock Incentive Plan became effective on March 31, 2016.

At March 31, 2016, we had 3,028,845 shares available under this plan.

2012 Directors Compensation Program

In July 2012, our Board of Directors approved a board compensation program that modifies and supersedes the 2005 Directors Compensation Program, which was previously in effect. Under the 2012 program, in which only non-employee directors may participate, an eligible director will receive a grant of \$35,000 worth of ten-year options to acquire shares of common stock, with such grant being valued at the exercise price based on the average of the closing bid prices of the common stock for the five trading days preceding the first day of the fiscal year. In addition, under this program, eligible directors will receive cash compensation equal to \$500 for each committee meeting attended and \$1,000 for each formal board meeting attended.

In the fiscal year ended March 31, 2013, our Board of Directors granted ten-year options to acquire an aggregate of 33,342 shares of our common stock, all with an exercise price of \$3.80 per share, to our four outside directors under the 2012 program.

In the fiscal year ended March 31, 2014, our Board of Directors granted ten-year options to acquire an aggregate of 31,911 shares of our common stock, all with an exercise price of \$4.10 per share, to our five outside directors under the 2012 program.

In the fiscal year ended March 31, 2015, our Board of Directors granted ten-year options to acquire an aggregate of 11,053 shares of our common stock, all with an exercise price of \$9.50 per share, to our three outside directors under the 2012 program. No stock option grants were issued to directors during the fiscal year ended March 31, 2016.

At March 31, 2016 we had issued 26,757 options under the old 2005 program to outside directors and 79,309 options to employee-directors, 21,756 outside directors' options had been forfeited, 5,000 outside directors' options had been exercised, 79,309 employee-directors' options had been forfeited and no options under the old 2005 program remained outstanding.

On June 6, 2014, our Board of Directors approved certain changes to the 2012 program. Under this modified program, a new eligible director will receive an initial grant of \$50,000 worth of options to acquire shares of common stock, with such grant being valued at the exercise price based on the average of the closing bid prices of the common stock for the five trading days preceding the first day of the fiscal year. These options will have a term of ten years and will vest 1/3 upon grant and 1/3 upon each of the first two anniversaries of the date of grant. In addition, at the beginning of each fiscal year, each existing director eligible to participate in the modified 2012 program also will receive a grant of \$35,000 worth of options valued at the exercise price based on the average of the closing bid prices of the common stock for the five trading days preceding the first day of the fiscal year. Such options will vest on the first anniversary of the date of grant. In lieu of per meeting fees, eligible directors will receive an annual board retainer fee of \$30,000. The modified 2012 program also provides for the following annual retainer fees: Audit Committee Chair - \$5,000, Compensation Committee chair - \$5,000, Audit Committee member - \$4,000, Compensation Committee member - \$4,000 and lead independent director - \$15,000.

Stand-alone grants

From time to time our Board of Directors grants common stock or common share purchase options or warrants to selected directors, officers, employees and consultants as equity compensation to such persons on a stand-alone basis outside of any of our formal stock plans. The terms of these grants are individually negotiated. There were no stock option grants to either employees or directors during the fiscal year ended March 31, 2016.

PROPOSALS TO BE VOTED UPON AT THE ANNUAL MEETING

PROPOSAL #1 – ELECTION OF DIRECTORS

A board of four directors is to be elected at the meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them **FOR** the nominees named below. Franklyn S. Barry, Jr., one of our current directors, has determined to not stand for reelection for personal reasons.

The four nominees selected by the Board of Directors are listed below. Each of the nominees must receive the vote of a majority of a quorum present at the meeting to be elected. Any shares not voted, whether by abstention, broker non-vote, or otherwise, have no impact on the vote.

The proxy holders intend to vote proxies equally for the nominees unless otherwise instructed on the proxy card. If you do not wish your shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the proxy card.

If at the time of the meeting one or more of the nominees have become unavailable to serve, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Board of Directors. All of the nominees are currently directors of our company. All of the nominees have consented to serve if elected. The Board of Directors has no reason to anticipate that any of the nominees will not be able to serve, if elected. Although we are authorized to have a board consisting of nine directors, only four nominees, our incumbent directors, have been named below. We believe the current number of directors is appropriate given our stage of development. The proxies cannot be voted for more than four persons, the number of nominees presented for election.

Directors elected at the meeting will hold office until the next Annual Meeting of Stockholders or until their successors have been elected and qualified. Listed below are the nominees for the Board of Directors. Please see “Information About Our Board of Directors and Executive Officers” for additional information concerning the individuals named below, which is based on information furnished to us by each individual noted.

James A. Joyce	55	Chairman, Chief Executive Officer and Secretary
Rodney S. Kenley	66	President and Director
Edward G. Broenniman	80	Director

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE “FOR” THE ELECTION OF THE FOREGOING SLATE OF NOMINEES FOR THE BOARD OF DIRECTORS. YOUR PROXY WILL BE SO VOTED UNLESS YOU SPECIFY OTHERWISE.
